

MR. AND MRS. NELSON OLIVER

South Kildare Couple Mark Their Golden Wedding Day

One of the happiest occasions in South Kildare in recent years was the Golden Wedding of Mr. and Mrs. Nelson Oliver on Tuesday.

Nelson Oliver and pretty fifteen-year-old Jamie Selick were united in marriage on August 19, 1908 by Rev. George Millar, minister of Alberton Presbyterian Church. The ceremony was performed at the home of Mr. and Mrs. Hardy Oliver (brother of the groom and sister of the bride.)

They were attended by Hazel Thomson (later Mrs. John Wallace and now deceased) and Fred Selick, brother of the bride. The wedding music was played by Hazel Weeks, now Mrs. John Cameron.

None of the wedding guests were present yesterday. Those now living are Fred Selick of Lynn, Mass. (bestman), Mrs. Cameron of Elmsdale (organist), John A. Hardy of Elmsdale, Mrs. Curtis McRae and Mrs. Nelson

Ramsay who are patients in the chronic care centre in Summerside at the present time.

AT HOME
Mr. and Mrs. Oliver were at home to their friends last evening. The bride of fifty years ago was becomingly dressed in a black and white tweed effect rayon dress with corsage of pink flowers. Guests were welcomed at the door by Mrs. Lloyd Oliver who was also in charge of the guest book.

During the evening Mr. and Mrs. Oliver were addressed by Rev. Robert Sampson, minister of the Church of the Nazarene in Elmsdale. They were presented with a beautiful blanket and a table lamp from the church and with a comfortable platform rocker from their family. There were also individual gifts.

Refreshments were served by members of the family assisted by friends. The wedding cake was made by Mrs. Arthur Wright and it was iced and decorated by Mr. Henry Clarke.

SIX CHILDREN
Mr. and Mrs. Oliver have six children and all were present yesterday. They are Fred of Greenwood, John of Alberton, Henry of the home, Hanson of Summerside, Lloyd of Alberton, and Mrs. Hillard Bell (Pearl) of South Kildare. Their older daughter, George, died a number of years ago. There are twenty-six grandchildren.

Mr. and Mrs. Oliver have always been good members of church and community. They have a host of friends who rejoice with them at this happy milestone in their life together and extend to them all good wishes for the future.

Veterans Discuss Problems At Eldon Legion Zone Rally

On Monday night, August 18th, a very successful zone rally was held in the Legion home at Eldon. The meeting opened at 9.00 p. m. with Zone Commander, H. Douglas of Mt. Stewart branch presiding. A good number of the local branch members were present. Also on hand were two members from Mt. Stewart, two from Charlottetown, three from North Rustico and two from the Kingston Branch.

Capt. Andy MacEachern, Provincial President, was on hand as was F. A. Rush, Ex-Zone Commander.

A number of interesting topics came up for general discussion. The meeting was very informal and all members present felt free to express themselves and contribute to the discussion.

The branch president, Comrade Ross MacPherson, brought up several problems pertaining to his branch in particular, and received a satisfactory explanation from the Zone Commander and the Provincial President. One or two "buffs" were presented by members and a solution agreed upon.

In speaking on membership, Capt. MacEachern urged that the personal contact be used in soliciting new members. He said it should be well understood that in joining the Legion the general good of all veterans should be the goal. "A veteran", he said, "who joins solely for personal gain, will never be a good Legionaire and will never be any asset to the Canadian Legion".

Comrade Cassidy, President of the North Rustico branch, gave a cordial invitation to all to be on hand on Labour Day, Sept. 1st, for the Provincial Convention to be held at his Branch home on that date. Business having been completed.

The meeting adjourned at 10.30 with "The Queen".

Eldon Legion Determined To Retain The Manning Trophy

The Eldon Branch of the Canadian Legion - last year's winners of the "Manning Trophy" - threw out a challenge Monday night to all other competing centres in the province when the chairman of the Eldon Blood Donor Committee, Mr. Lester MacRae, announced that his committee is determined to retain the trophy by again exceeding the quota by the highest percentage.

The "Manning Trophy", awarded for the first time last year, is a beautiful mahogany donated by Mr. Randolph Manning of Charlottetown for the annual blood donor competition. This year's objective for the Belfast area clinic to be held in Eldon on Tuesday, August 26th. between 8 and 10 p.m. has been raised to 150 - an increase of 50 over last year's objective of 100 for an afternoon clinic. Eldon attained 150 per cent of its objective last year.

Plans for this year's Clinic were finalized at a meeting of representatives from the various districts in the Belfast area held in Eldon on Monday evening. Mr. F. A. S. Jones, Provincial chairman, Red Cross Blood Donor Committee, was in attendance at this meeting and spoke of the necessity of carrying out a thorough canvass for donors in every district in the area in order to guarantee a sufficient supply of blood to meet the needs, and to exceed the objective set for the Belfast area. The film, "Prescription for Life", which vividly portrays the many uses of blood and its derivatives, was shown to an interested audience.

Members of the Women's Institute in the Belfast area have, as usual, joined forces with the Eldon Branch of the Canadian Legion to help in securing a record attendance at the Eldon clinic, and in providing helpers for next Tuesday evening's clinic.

Pleads Guilty To Theft Of \$32,436.34

MONCTON (CP) - A man serving time for impaired driving Saturday pleaded guilty to stealing \$32,436.34 from a main street furniture store here.

John Cyril Mitchell of Moncton was remanded to jail until today at 10 a.m. ADT for sentencing by Magistrate W. F. Lane in city police court.

Mitchell was charged with theft of money given him between Jan. 1, 1949 and Aug. 2, 1958 by "various persons and agencies" and failing to account for it to B. E. Smith Limited.

Lorne J. Palmer, manager of B. E. Smith Limited, laid the information. Mitchell was served with the warrant while serving a 14-day term in the Westmoreland County Jail for driving while impaired. Mitchell told Magistrate Lane he did not want counsel and elected trial by magistrate.

Nine Witnesses
(Continued from Page 1)
Charlottetown, who treated Mrs. MacEwen on her arrival at the Prince Edward Island Hospital; Dr. John Craig, Provincial Pathologist, who performed the post mortem examination; John Barry MacLaren of Charlottetown, who witnessed the accident; John Alexander Cobb, a Morell farmer, who was travelling with Mr. MacLaren and also witnessed the accident; Walter William Burhoe, who examined the condition of both vehicles following the accident; Michael Preston Doyle, who was driving the Douglas Brothers and Jones truck; J. S. Taylor, Optometrist, who told of examining Mr. MacEwen for glasses; and Philip Barlow, who told of Mr. MacEwen applying for a license to drive a car.

Mr. Barlow said Mr. MacEwen's eyesight was not up to the required qualifications and he had referred him to an optometrist. He said he later received a telephone call from Mr. J.S. Taylor saying that Mr. MacEwen's eyesight had corrected.

BRAIN INJURIES
Dr. Craig stated that in his opinion Mrs. MacEwen had died as a result of brain damage. His post mortem examination also revealed bruising on the right side of the brain, fractures of both bones of the left leg, three fractured ribs on the right side, a fracture of the pelvis, a puncture of the left adrenal gland and various small bruises about the body.

Mr. MacLaren said he was proceeding south on the St. Peter's Harbour Road on Wednesday August 6 at 5 p.m. when he noticed a small grey car travelling east on the St. Peter's Road.

He said the car was going very slow and was apparently going to turn onto the road where he was. He did not notice the truck until the time of the collision. Following the collision he saw a woman lying on the road between the car and the truck. He said he then went to a nearby garage and called an ambulance and the mounted police.

Michael Preston Doyle of Charlottetown said he and Blois MacPhail had been in Souris since early that morning and were heading for Charlottetown via the St. Peter's Road. He said he was travelling about 50 miles per hour when he noticed a green Plymouth coming down a side road. He said that he had already seen the Austin coming to meet them from a long distance away. He started to ease on the brakes because at the rate the Plymouth was travelling and the rate he was travelling both vehicles would reach the intersection at the same time.

He said he was just about in the middle of the intersection when the Austin turned in and hit the truck head on. Following the crash he asked MacPhail if he was alright and MacPhail answered that he was but was bleeding from a cut on the forehead.

Doyle stated that the man in the Plymouth helped take Mr. MacEwen from the car, who was in a dazed condition and kept asking "Where am I, what happened".

He said the man in the Plymouth helped take Mr. MacEwen from the car, who was in a dazed condition and kept asking "Where am I, what happened".

Holland Cove Camp Scene Of Great Activity

Activities at Holland Cove Camp are going along on an organized scale of hustle and bustle as potential leaders in the Y movement adjust their minds to becoming the leaders of tomorrow.

Leaders and potential leaders from various Maritime centers have gathered at the Island's south shore camp from August 16 to 23. Although only 35 have ventured to the to the week-long session, the camp can accommodate upwards of 50.

Heading the lectures in the camp is Reg Bundy, a community services worker from Toronto.

Camp life begins at 8 a.m.

Night Raiders of the Sea...

They called these men
with a flair for attack

Their gunboats once engaged a destroyer and held a squadron of Messerschmitts at bay while fighting three E-boats. On another occasion they battled it out with a 400-ton brigantine under full sail, armed with 88s and machine guns. Now in our Weekend Magazine, Alan Phillips tells the true story of how Lt.-Cmdr. "Tommy" Fuller of Ottawa won a D.S.C. and 2 bars during the Second World War. A more exciting than fiction account of how he harried the Germans, who knew him only as "Pirate of The Adriatic."

Why do Men Fall for Ingrid Bergman?

The answers are varied but the conclusion remains the same. Men still fall for Ingrid Bergman. Furthermore, this 42-year-old Swedish beauty who is about to marry for a third time, is as big a box office attraction as ever. Read what Ingrid has to say about the men she knew so well, and what they have to say about her, in our Weekend Magazine.

Breakfast & Lunch Spells Brunch

Combining breakfast and lunch requires twice as much imagination. Brunch is a satisfying holiday meal, as well as a Weekend favorite. Bologna Cups, Eggs Italia, Sausage Rolls and Currant biscuits are only a few of the delicious recipes dreamed up by our Food Editor in Weekend Magazine.

Andy at St. Andrews Says:

Scotland's "Old Course" Has Made Fools of Many, but Been Humbled By None. Our Weekend Sports Editor tells from first hand experience what it's like to play golf on famous St. Andrews. Read how it has beaten some of the world's best golfers in the past and may do so again as our Canadian team prepares to enter into competition for the first Eisenhower trophy tournament this fall.

Daisy Mae

says you'll love reading about the latest adventures of Lili Abner and all your other favorite friends in the colored comic section of our Weekend Magazine.

Exhibition Excitement

The annual Canadian National Exhibition in Toronto proves to be one of the high spots of the year for many people. This is true of Toronto youngsters who get caught up with the familiar sights of balloons, flags, color; and the sounds of barkers and snatches of music on the midway. You'll enjoy being at the Ex., with our teenagers this weekend in our Magazine Section.

SPECIAL SALE EXTENDED

Many of our customers who were out of town when this sale was active earlier this season will now have an opportunity to take full advantage.
