U. S. Firm Sued In Potato Case

PHILADELPHIA, Nov 7—(AP) —The Federal Government today sued a wholesale produce firm for $12,592 in damages for alleged violation of an agreement between the United States and Canada.

Named defendant in the suit is I. Kallish and Sons, charged with selling Canada-grown potatoes for human consumption in violation of the agreement between the two countries.

The suit was filed at the request of the Department of Agriculture.

It charged the firm members breached an Agriculture Department regulation from November, 1948, to June, 1949, prohibiting the sale of Irish, or common-variety, potatoes grown in Canada. Such potatoes can be sold in this country for seed only, the suit said. The Kallish firm is charged with bringing 30 carloads from Canada.

The firm sold 350,000 pounds of them into channels destined for the dinner table, the suit charged. This left an equal amount of American potatoes unsold which the Government eventually bought at support prices.

Manitoba House Meets To Consider Flood Legislation

WINNIPEG, Nov. 7 — (CP) — The Manitoba Legislature met today to pass judgment on the Provincial Government's handling of the spring flood crisis.

A special session of the Assembly was opened by Lieutenant-Governor R.F. McWilliams. The Throne Speech recalled that its height the Red River flood covered an area of 710 square miles in Southern Manitoba.

The Speech said the Legislature will be asked to ratify the Government's actions during the flood. It will be asked to vote funds for fighting the floods last spring as well as for post-flood rehabilitation and protection against future dangers.

The Progressive Conservatives, partner with the Liberal Progressives in a Coalition Government for the last 10 years, took their place as the official Opposition following the party's decision to withdraw its support from Premier Douglas Campbell's administration.

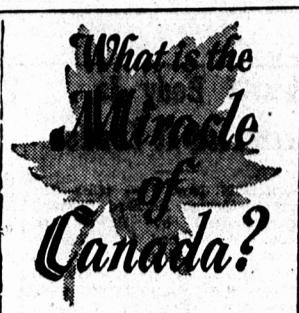
The opening was without ceremony because the session is a special one for flood legislation only. There was no military guard of honor for the Lieutenant-Governor, no 21-gun salute and no band.

The Assembly first act was to elect a new Speaker to succeed Education Minister W.C. Miller, who resigned to take the Cabinet post. The choice was N.V. Bachynsky, a member of the House for 26 years and a political leader in Manitoba's Ukrainian community.

GENERAL STORE BURNS

PLASTER ROCK, N. B., Nov. 7—(CP)—Loss was estimated today at $40,000, partly covered by insurance, after fire last night destroyed the general store, warehouse and apartment of Douglas Mulherin at Blue Bell, 10 miles from Plaster Rock.

An explosion, apparently in the furnace, preceded the fire as the Mulherin family was preparing for bed. The parents and their two children escaped in night clothing as flames burst through the building. Two apartments over the warehouse were unoccupied.



The miracle of Canada is the reward of its thrifty people; it is a standard of living wrought by men and women who believe in spending and saving wisely. The average Canadian, for example, owns his own car and his own home. He pays his bills when due. His pattern of living is excellent.

When the pattern breaks

But unexpected emergencies *do* break the pattern. Usually the emergency requires more *money* than he has available. This can happen to *anyone*. Then help must come from a dependable outside service.
