 GENTLEMEN.—I leave with much regret the many friends in Charlottetown, and shall carry to my distant home many pleasant thoughts of the happy hours gone by. Not the least of the pleasant associations connected with my work here, has been that of the P. E. Island Auxiliary of the B. & F. Bible Society. Allow me to say that it has been a pleasure to me to help on its work, and I may be permitted further to mention that I have ever received from the Secretary, the kindest and most considerate attention.  
 I am, Gentlemen,  
 Yours, very sincerely,  
 ALFRED OSBORNE.

**NOTICE.**

THE Charlottetown Gas Light Company have imported a fresh supply of Bray's Patent Burners, especially made to consume only three feet of Gas per hour with the tap turned full on. These Burners are intended for use in Halls, Bedrooms, Kitchens, and other places where a light from a small consumption of Gas is only required.  
 By regulating the tap, the Gas consumed can be reduced to any desired quantity less than three feet per hour.  
 These Burners are so scientifically made that they will give a light equal to about ten candles at a cost of three quarters of one cent per hour.  
 The price of these Burners to consumers of Gas will be ten cents each. [in 10 eod pat
