In addition to this, I was troubled as follows: 1st. A lame Back and Kidney trouble, 2d. Dyspepsia, 3d. Flatulence and an all-gone feeling, 4th. Distress as if I were sick, 5th. I was treated by every eminent Physician, but was compelled to leave my labors in fact I have had 18 fits of sickness in the last 26 years, and several times have been given up to die. THE FIRST BALLOT

Democratic Candidates Selected.

[SPECIAL TO THE GUARDIAN.]

CHICAGO, June 23.—The Democratic convention resumed its sessions at five o'clock last evening and at 3.20 a ballot was taken. Cleveland secured 616 votes, Hill 112, and Bois 103. About 50 more were scattered. Only 607 were necessary for a choice, and after making the nomination unanimous the convention adjourned till this afternoon. Governor Flowers and Cochrane of New York said their State supported the motion to make the nomination unanimous, and Shields of Iowa said the same. Only half a dozen No's were heard, which were greeted with hisses. Cleveland this morning issued a card of thanks for the trust reposed in him, but declined to make any further statement until the convention concluded its labors. Hill also refused to talk.

LATER. CHICAGO, June 23.—Adlai E. Stevenson of Illinois was nominated unanimously for Vice-President on the first ballot.

The Railway to Blame.

SHERBROOKE, Que., June 23.—The Jury on the Grand Trunk Railway accident of Hillhurst reported that the culvert was unsuitable for its position and insufficient to carry off the water and that they were not examined often enough.

Another Loss For Dalhousie.

HALIFAX, June 23.—Prof. Seth, the popular Professor of Philosophy at Dalhousie University, has accepted the chair of Natural Theology in Brown University, Providence, R. I.

A Steamer Overdue.

MONTREAL, June 13.—Great anxiety is felt here over the whereabouts of the Furness steamer Wiltbury with grain, deals and cattle, now out 23 days.

A Conductor Killed.

MONTREAL, June 23.—Canadian Pacific R.R. conductor, Moses Nadeau, was killed in the railway yard at Farnham this morning.

Women Carry Off the Honors.

LONDON, June 18.—Miss Stowell, of Melbourne, and Miss Abbott, of England, have carried off the highest honors in the Cambridge examination, coming out equally with the men of the first class, first division.

The Manitoba Campaign.

WINNIPEG, June 22.—Temperance is being made one of the foremost planks in the provincial campaign. There are about fifteen prohibitionist candidates in the field.

Mercier Denounces Catholic Clergy.

MONTREAL, June 22.—Mercier declares to an interviewer that the only condition under which he will re-enter public life is in the event of annexation or Canadian independence becoming a live issue. The ex-premier reviles the Catholic clergy who, he says, are crushing the life out of the habitants with a system of tithes while the church continues to erect places of worship altogether disproportionate to the needs of the congregations. His utterance has caused a sensation.

Object to Blake.

IRISH AMERICANS WANT NO CANADIAN.

NEW YORK, June 21.—The Herald's correspondent waited upon Mr. John Redmond and requested his opinion on the subject of Mr. Blake's joining the Irish nationalist party by the invitation of the leaders of the anti-Parnellite section. Mr. Redmond declined altogether to be interviewed on the subject, evidently not desiring to commit himself against Mr. Blake, as American friends of whom were not slow to do. "I have no views whatever in the matter," said Mr. Redmond. American friends who were with Mr. Redmond at the moment were utterly opposed to the idea of a Canadian becoming a nationalist leader, and apparently being given an Irish seat. Prejudice against Canada seem to be their only motive, as they expressed no reason. "No Canadian," they said, "would be acceptable to the Irish nationalists in the United States who provided the fund for home rule." Mr. Redmond sailed for Ireland in the Etruria to-day.

The Ladies Delighted.

The pleasant effect and the perfect safety with which ladies may use the liquid fruit laxative, Syrup of Figs, under all conditions make it their favorite remedy. It is pleasing to the eye and to the taste, gentle, yet effectual in acting on the kidneys, liver and bowels.

Another Summerside Letter.

Sir.—It may be interesting to some of the many readers of your independent paper to know that the Summerside papers refused to publish Miss McPhail's letter, which appeared in the GUARDIAN of today. Notwithstanding the zeal of the Pioneer for "women's rights," when a case is brought to their notice where simple justice is only asked, the women are left to shift for themselves. There is a good deal of excitement here over the contents of the letter, and people are loud in condemning the action of the S'ide papers, and say that the GUARDIAN is the only independent paper on the Island.

Cholera Approaching Europe.

LONDON, June 20.—The warning uttered in the despatches of the International Telegram Company's month ago against the danger of a visitation of cholera in Europe this summer seems daily more and more justified by events. The negotiations then about beginning between the powers looking to action against the plague are in progress, and so is the cholera. It is not at all impossible that the cholera will win in the race. The powers are aiming at the establishment of international quarantine at Suez. Meanwhile the disease is spreading westward in Persia. The Lancet declares that the situation is one threatening grave danger to Europe. The number of deaths in the Meshed (Persia) district is a hundred daily.

Canadian Lambs in England

Sir.—I take the liberty of forwarding to you for publication a copy of a letter given below, from Alderman Frankland to Mr. J. E. Story, our farm foreman, who took the lambs referred to in Montreal and put them on board a ship on route for England. This letter bears upon a subject which should be of much interest to the farmers at the present time.

LIVERPOOL, May 31st, 1892.

J. E. Story, Farm Foreman, Government College, Guelph, Ont.:

DEAR SIR,—Your beautiful lambs have sold well; and when you consider how foreign cattle and meat sell in England in comparison with their own, may we in Canada not rejoice that you, sir, succeeded to me 30 lambs from that great institution, and that I can realize on them home prices. Why! there are sheep coming alive from South America and they are slaughtered well, and yet as they could not go into the open market, sixpence was all they brought, sinking the offal, while your lambs, in my judgment, realize 8 1/2 pence per pound.

You would have rejoiced to have seen the droves of good men from 30 to 80 years of age examining your lambs, but English hospitality is great; they do things with great heartiness.

Yours,
G. F. FRANKLAND.

The full particulars will be given in due time in reference to the whole transaction, from the time the lambs were purchased until they were sold in England. It may be mentioned here that they were very ordinary lambs when purchased. About one-half were bought in Eastern Ontario when they came to this station, and the other half in Prince Edward Island.

Yours,
THOS. SHAW.

The Church of England at Cherry Valley.

Sir,—I am surprised "Anon" has not yet answered "A Convert." The latter should drive to Cherry Valley and ascertain the growth of the Church of England in our parish. He would then hesitate in issuing his absurd challenge. This parish under the ministrations of Rev. Chas. O'Meara, Rector of St. Paul's Church, Charlottetown, was in a flourishing condition. A full church greeted him each service to listen to his sound gospel truths and join the simple service of the Church of England. Since his departure however, the members have gradually fallen off and many now attend other Protestant denominations partly on account of the high church party getting control of the parish and the gradual introduction of ritualistic practices and high church teaching. As many as three greeted the Rev. James Simpson last service he held here. Well might he feel discouraged. But could a different result be expected after what has been introduced in St. Peter's at Charlottetown? All honor to our true Protestants in this parish that they have enough backbone not to countenance such erroneous teaching by their presence or their means. This one instance should alone convince us that the ritualistic movement on the Island is alarming all true Protestants in the Church of England and they should stand shoulder to shoulder to suppress it.

INTERESTING SESSIONS.

N. B. and P. E. I. Conference.

CHARLOTTETOWN, June 23, 1892. MINISTERIAL SESSION.

After singing, prayer was offered by Revs. D. Chapman and W. J. Kirby.

Journal of previous day was read and adopted.

The name of Rev. Ernest H. Gough was passed as a probationer of two years.

The following candidates for the ministry were received:—

From the Fredericton District—Benj. J. Howard and Havelock J. Gillespie.

From Sackville District Rev. Edward A. Ramsay, and W. A. Thompson, each of these brethren to be allowed a year on probation.

The Supernumerary Ministers are: Revs. Robt. Wilson, Henry Daniel, James R. Narraway, Dr. Pope, Samuel W. Sprague, Jas. A. Duke, Wm. Tweedie, Edward Evans, John J. Colter, from the St. John District; the Rev. George B. Payson is the only Supernumerary from the Fredericton District. The ex-President is compelled to retire on account of failing health. Revs. John Princes and Joseph Pascoe, Stephen T. Teed and Alfred E. LePage, are also retired. Rev. A. C. Bell returns to full work. He has been resting for a year or so on account of ill health.

Dr. Stewart pronounced the benediction.

AFTERNOON SESSION.

After singing and prayer by Rev. J. Read the journal was read and passed.

An application from the Rev. Aquila Lucas was allowed to retire for another year was discussed at great length. It was understood that Mr. Lucas was to be employed again as Field Secretary of the New Brunswick Sunday School Association. His application was supported by official documents from the Association. During the last year he has been giving great satisfaction in this office. Dr. Sprague moved the resolution. The following members spoke against it: Revs. W. B. Thomas, J. Shenton, S. James, H. R. Baker, Jos. Sdler, W. W. Lodge, Dr. Stewart, and others.

The arguments assigned were that the work of the Association was detrimental to the Methodist Church, and that some schools had been flooded with literature that was out of harmony with the church. They claimed also that the minister concerned was needed for circuit work. In favor of the motion: Rev. O. H. Paisley, A. M. Geo. Steele, Thos. Marshall, Douglas Chapman, J. W. Goldsmith, F. W. Pickles, Isaac Howie, W. E. Johnson, B. A. Dr. Sprague made a powerful plea in favor of the motion, claiming that the work was truly Christian and fully helped the cause of Christ. The motion was carried by a two-thirds majority. On motion of Dr. Sprague, Rev. H. J. Clarke has been allowed leave of absence for one year.

Rev. R. Opie has been allowed leave of absence for three months, in order that he might visit England. Rev. Geo. M. Young, Frank Frizal and J. B. Gough were next examined prior to their ordination. Dr. Stewart conducted the examination. They passed in a satisfactory manner, and after being allowed to retire were unanimously passed by a vote of Conference into full connection.

The Conference concluded that the young ministers had not given sufficient attention to the English Bible. Their ordination is to take place Sabbath morning. Rev. H. Daniel pronounced the benediction.

EVANGELISTIC SERVICE.

In the evening the basement was crowded. The service was conducted by Rev. F. H. W. Pickles. A short time was spent in singing familiar hymns, after which earnest gospel addresses were delivered by Revs. A. D. McLeod, Job Shenton, J. C. Berrie, Father Daniel, Dr. Lathern and Silas James. The leader made an appeal for testimonies from all Christians present, which was promptly responded to by a number of clerical and lay brethren. The congregation joined heartily in singing inspiring gospel hymns. The services throughout were most impressive—a fitting preparation for the important duties for which the conference is convened.

When at the close of the meeting the leader requested all present to manifest their faith in the saving power of the Gospel, nearly the whole audience rose to their feet.

FRIDAY'S APPOINTMENTS.

Prayer meeting at 7 o'clock a. m. Led by Rev. James Crisp; Missionary Anniversary at 7.30 p. m.; Speakers, Revs. Carman, Dobson, Campbell and Dr. Allison.
