

## INTRAMURAL & RECREATIONAL SCHEDULE

### Red Shirts fall prey to Panthers

Last weekend, the U.P.E.I. Panthers hosted the U.N.B. Red-shirts for two soccer games: one on Saturday during wind, rain, hail and then snow; and the other on Sunday under much more favourable conditions. On Saturday, Richard Pierre-Gilles scored the only goal of the game to give the Soccer Panthers a 1-0 win over the U.N.B. team. On Sunday, the teams played hard, but the contest ended in a 0-0 tie.

On Monday, the Alumni Soccer Panthers battled with the present team. Although they had a lot going for them, the Alumni fell prey to the young panther team. This historic game, the first time alumni played the present panthers, was a very close 3-2.

Not only did Richard Pierre-Gilles score Saturday's goal, but he scored three goals the game

before. This makes him even with David Foley of UNB each of who has seven goals.

Unfortunately, during the second half of Sunday's game, UPEI player Glen Smiley left the game with a muscle tear. Smiley is a midfielder on the UPEI team. Our hope is that Smiley will be back playing by the time this article reaches the stands.

During the spectacular Alumni game, Pierre-Gilles scored two goals, while Andy Cameron performed the other. On the Alumni side of the game, the first goal came from Wilson during a penalty kick. The second goal also came during a penalty kick and was scored by Bill MacLean.

All in all, the three games were handled exceptionally well by the soccer panthers.
