EXHIBITORS at the Dominion Exhibition, held this year at Sherbrooke, will be informed to pay one-fourth the cost of freight. Information as to the means of forwarding exhibits can be obtained from Dr. Jenkins, M. P. THE Herald says that Miss Mary E. Grant, of this city, and Miss Isabella Leonard, of Cornwall, left on Tuesday morning to enter the Novitiate at Villa Marie, Montreal. Both these young ladies were pupils of the Convent de Notre Dame in this city. CAPT. CYRUS STURDIVANT, known as the Prisoner's Friend, is expected here to-morrow evening. He has been the means of reforming a great many persons, among whom is the well known Francis Murphy. He will likely preach on the Sabbath, and hold meetings during next week. THE Rev. James Eneas McDonald, before departing on his trip to the Pacific coast, was presented with addresses from the congregations of St. Joseph's, Lot 29, and St. Ann's, Lot 65. The congregations also made up a handsome purse amounting to \$100, to enable him to better enjoy his vacation.—Herald. MR. L. H. DAVIES, M. P., and the Rev. C. J. Wiggins are on a shooting excursion at the Eastward, making the Sea View Hotel—the popular resort at Souris—their headquarters. We have no doubt that Mr. Davies will be more successful in this excursion than in the excursion he proposes to make to New Brunswick next week. A FOX which has been creating great havoc among the poultry in Marshfield, St. Peter's Road, Lot 24, was killed on Friday morning last, by Mr. Charles Small, shoemaker, of that place. THE Herald says that Reynard was about a week in the locality, and in that time killed over 90 poultry, Messrs. Donald Stewart and John Gibson being the heaviest losers. A CARPENTER named Colwill, employed on the new buildings now being erected for the Charlottetown Woolen Co., had both arms broken yesterday. It appears that at the time of the accident he was at work lifting wall plates when he slipped and fell a distance of about twelve feet with the results above mentioned. The services of a physician were called in and the limbs set. Colwill is now doing as well as can be expected. WE are pleased to learn that there was no foundation whatever for the alarming stories afloat about the loss of the steamer Worcester while on the passage from this port to Boston. She had a fine passage and arrived safely in Boston at eight o'clock on Monday morning. On the return trip, however, she was not so fortunate, having heavy fogs and smoke throughout the entire passage and not arriving at this port until early this morning. The following is the list of passengers: Mrs. D. C. Marr, Miss Adelle A. Marr, Mr. W. A. Brown, Mr. J. L. Brown, Mr. W. H. Mills, Mrs. Davidson, Miss Annie Allen, Mrs. Kelly, Mr. John Cleary, Miss Cairns, Mrs. C. R. Hooper, Mrs. Ross, Miss Bertha Home, Mr. Thomas Madden, Mr. R. Trenaman, Mr. Doherty, J. Trenaman, J. Young, Master Horne, Mr. H. Young, Mr. J. J. McCooler, A. Ross, Daniel Ross, Mr. Barber, Geo. W. Dunbar, Mr. Burke.

THE LATEST SEIZURE

The Schooner Highland Light

FISHING WITHIN THE LIMIT

She is Captured by the Houlett.

A VALUABLE PRIZE!

GEORGETOWN, Sept. 2. The fishing schooner Highland Light, of Wellfleet, Mass., eighty-seven tons register, with a crew of sixteen men and commanded by Captain John Ryder, was seized at East Point yesterday morning at six o'clock, while engaged in fishing within one and a half miles from the shore. Captain Lorway, of the fisheries protection cruiser Houlett, who made the capture, put his first officer Hughes and some men on board the prize and brought her into Georgetown, at about four o'clock yesterday afternoon. The captured schooner Highland Light is one year old, and cost about \$9,000. She has on board a complete outfit for seining and hooking, which, together with the vessel and two hundred barrels of mackerel also on board, are estimated to be worth about \$13,000. Two of the crew of the Highland Light are Islanders. Their names are Ferguson and McLellan, and both belong to Cardigan. Captain Ryder is the principal owner, and is a very respectable and conscientious man. He feels badly over the fact that he was fishing inside the limits. There were between seventy and eighty sail of vessels there at the time of the capture, and the Captain did not observe the Houlett until she was under his lee and had fired a gun. Captain Lorway brought the Houlett down from the North Side during the night and anchored among the fishing fleet. The Houlett was not known or suspected to be in the neighborhood at all, having been at Malpeque the evening before, consequently the capture was a surprise to all the fishermen. The Highland Light is moored to the Queen's Wharf, here, and is still in charge of first officer Hughes and the crew from the Houlett. She is to be stripped to-day and handed over to Collector Owen, who will put watchmen on board. Captain Ryder and his crew still remain by their vessel, and will probably make application to-day to the American Consul to be sent home. The fishing fleet at East Point followed the Houlett and her prize as far as Souris.

THE BANGOR EXHIBITION.

Island Exhibitors Successful.

BANGOR, Sept. 1. The Fair this year surpasses that of 1885. The programme of races for Tuesday was not carried out owing to the heavy fall of rain. The races were postponed until to-day, when they were witnessed by fully twelve thousand persons. BANGOR, Me., Sept. 2. The horse Stockman imported by Hon. Donald Ferguson for the Stock Farm and at present owned by Hon. James Clow, M. L. C., Murray Harbor, took first prize in its class. The horse Challenger, of Prince County, captured second prize. Hon. Donald Ferguson, who exhibited three lots of sheep, carried off first prizes in every class in which his sheep competed.

Another Earthquake!

TERRIBLE VISITATION

THRILLING SCENES

A City Ruined.

Many Persons Killed and Wounded.

GREAT LOSS OF PROPERTY.

AUGUSTA, Ga., Sept. 1. At Langley, 125 miles from Charleston, an earthquake destroyed a mill dam and the water washed away the road bed. A train dashed into the flood and the engineer and fireman was drowned. The engine is now 40 feet under water. Private despatches from Charleston report that many people were killed and millions of dollars' worth of property destroyed by earthquake. FURTHER PARTICULARS. SAVANNAH, GA., Sept. 1. Three distinct shocks have been felt here since midnight. All the shocks were of short duration and not violent. CHARLESTON, S. C., Sept. 1. There was a terrible earthquake here last night at 9.50 o'clock. The principal business portion of the city was destroyed and hundreds of persons were rendered homeless. Men were frantic, women were beseeching mercy from the Almighty, and children were in tears. Many people were seriously if not fatally injured. Broad Street presented a spectacle of the

utmost horror. Even women, armed with hatchets, fought valiantly to rescue the imprisoned unfortunates. To add to the horror of the scene, many fires broke out, and were ineffectually fought by the fire department. The night was hideous with the groans of the dying and the screams of the wounded, and the prayers of the uninjured. Up to ten to-day there had been ten distinct shocks.

SEPT. 1 (2.30 p. m.) The city is wrapped in gloom, and business is entirely suspended. People generally remain in the streets in tents and under improvised shelter, and will camp out to-night fearing another shock. The gas works are injured, and the city will be without light for some time. Hardly a house in the city escaped injury. In Columbia the shock was also very heavy, and many buildings were badly wrecked. Somerville, a few miles from Charleston, was nearly destroyed by the earthquake.

LATER. Sept. 1, 6 p. m. Another earthquake shock was felt here at 5.19 p. m. to-day. The situation of things is becoming horrible. Cut off from all communication with the rest of the world and haunted by the prospect of immediate death, women and children are greatly agitated. No trains have departed or arrived in 24 hours and all the lines leading into the city are said to be crippled. Fortunately the weather has been good, and the hardships are not as severe as they might have been. The city is literally in ruins, not a single place of business in the city is open, save a drug store, which is busy preparing prescriptions for the wounded.

LATER STILL. SEPT. 1 (11.45 p. m.) Repeated earthquake shocks of a mild character have been heard and felt within the last hour. Up to the present time it is roughly estimated that 30 to 40 persons have been killed and over 100 injured. Loss of property will probably reach \$8,000,000 or \$10,000,000.

A Horrible Murder.

OTAWA, Sept. 1. A most atrocious murder was committed on Sunday on the shore of Mink Lake. The victim, Wm. Dunlap, was a farmer, about 40 years of age, and was married but last June. The man's body was found Sunday morning, about six feet from the shore, in eight inches of water. Five gashes are apparent on the man's head. The jury returned a verdict of wilful murder against parties unknown.

Attempted Poisoning.

SACKVILLE, Sept. 1. A nefarious attempt at wholesale poisoning was made at this place yesterday. The well at the residence of Mr. Mason, from which Commissioner Cahill and others were supplied with water, was poisoned with Paris green. Fortunately no person had used the water. The perpetrators are unknown.

The Beach-Teemer Race.

LONDON, Sept. 1. The Beach-Teemer race was rowed over the regular championship course, from Putney to Mortlake. At Hammersmith Bridge, Beach led Teemer by six lengths. The umpire's boat struck one of the buttresses of the bridge and was disabled, preventing her from following the race to the finish.

Hanlan Again Victorious.

NEW YORK, Sept. 1. A great five-mile sculling race on Jamaica Bay for \$2,500, between Hanlan and Courtney to-day, was won by Hanlan easily by seven lengths. Hanlan beat all previous records by 1/4 of a second.

More Seizures for Fishing.

EASTPORT, Sept. 1. The cruiser Middleton this afternoon caught a small boat belonging to this place for fishing at Campbell. The Middleton has also seized a boat owned at Pembroke.

Weather Bulletin.

TORONTO, September 2—10 a.m. Moderate winds, mostly westerly, fine, comparatively cool weather.

SAYS the Summerside Journal.—The new Episcopal church, at Kensington was opened on Sunday last, on which occasion there was a very large attendance, among whom were a number from this parish. There were three services during the day, at which Rev. Chas. O'Meara, Rev. T. W. Johnstone, and Rev. H. Harper officiated in the order named. Rev. C. Wiggins assisted at the communion in the morning. Rev. T. B. Reagh is deserving of the highest praise for the work he is doing in his new field of labor.

On Friday evening last the division room at Stoneham, N. B., was broken into and robbed of all the paraphernalia connected with the division in that place, consisting of the charter, sixty regalia, cards, constitutions, all the papers, and glass pitcher and goblets. This is said to be the third time this division room has been burglarized. The temperance people in that locality have been more active in the work of temperance and it is thought that the war they have waged on the liquor sellers has led to retaliation of this kind.

MR. ALBION ALLEN, of Murray Road, Botsford, N. B., had his left leg broken on Saturday last, while driving oxen. One kicked him, breaking both bones. He was some distance from a house, in an unfrequented place, but managed to crawl two or three hundred yards, when his cries were heard, and he was taken care of.
