LONG SERVICE—Friends of Mrs. Bessie Buzell, the former Bessie E. E. of Margate, will be pleased to learn of her continued success as a member of the School Committee for her home town, Lynn, Mass. Mrs. Buzell has been a member of the School Committee for three terms, six years, and this year was re-elected on the ballot by 17500 votes, making a possible record of eight years' service. In the past six years three new schools have been built, 22 rooms, 24 rooms and 18 rooms, while new rooms have been added to two other schools. The committee on which Mrs. Buzell serves has jurisdiction over 32 schools, spending every year on the school budget over three millions. She has one daughter and three grandchildren.

VISITORS ARRIVE HOME—Mr. and Mrs. Herbert Grievie who left P.E. Island after visiting here for several weeks on October 15, have arrived at their home at 165 Finlay Street, R. 2, White Rock, B.C., and report that they completed the ten thousand mile coast to coast trip "without a dent or a scratch" on their trusty "Humber". Their first stop was in Moncton, N.B., and they visited in Waterville, Me., and in Reading, Mass., where their hosts, the Leard family had read in the Guardian that the Grievies were on P.E.I. indicating that "the P.E.I. paper gets places with the home news". Mrs. Grievie is the former Mammie Warren of Burlington and a sister of Mr. W. B. Warren, Margate, Mrs. Grace Proffit, Summerside, and Mrs. Oscar Johnstone, Long River.

Toyland Opens At Callbeck's

Ralph Callbeck & Company's Toyland will officially open tomorrow, Thursday, November 19th at 8 a.m. with their friendly and efficient department manager, Mr. Arthur Murray, ready to serve their hundreds of regular customers and those who come from many more distant points to do their Christmas shopping at this well-stocked, friendly store. This year toyland is located in the first department on the second floor, and this section has been completely renovated throughout. New floors, walls and ceiling, new display counters installed, and even the stairs has been rebuilt to present a more modern appearance. This remodeling has been done by Ken Ingles of Summerside. Attractively displayed in this well-lighted department, hundreds of toys of all varieties for children of all ages are on hand to solve the Christmas shopping problem in a matter of minutes. And in another section of the

Membership In New Credit Union Increases To 23

Membership in the Community Credit Union in Summerside increased to 23 on Monday evening, and savings totalled approximately \$250 at the second weekly meeting of the new credit union. Old and new members dropped in at the office to make savings deposits ranging from 25 cents to \$25, and the first loan was approved by the credit committee and paid out by the treasurer, Mr. Chester MacDonald.

This meeting which had been scheduled for the Town Hall, had to be transferred to a downtown office when it was discovered that another meeting was to be held in the Town Hall at the same time. Membership in this credit union is open to any resident of Summerside or its rural routes, and provision has been made for taking savings deposits, etc., on any day of the week convenient to the member making the deposit. Messrs. Russell Hunter, John Forbes and Elwood Campbell were on hand throughout the meeting and assisted the treasurer. Regular business meetings are to be held every Monday evening.—S.

Brotherhood Negotiations In Critical Stage

MONTREAL, (CP)—General chairmen, representing the Brotherhood of Locomotive Firemen and Enginemen (and) from Canada's railways, are expected to favor a program of "fringe benefits" when they meet here this week to consider inauguration of a wage and rules movement for locomotive firemen, helpers, hostellers and hostler helpers. The so-called "fringe benefits" would include a five-day week for yardmen and hostellers, rather than an increase in take-home pay. The chairmen, who open a three-day meeting Thursday, will hear a report on a situation developing from a controversy with Canadian Pacific and Canadian National Railways over representation of engineer members by the brotherhood. Union spokesmen described the dispute as having reached a "critical stage" and said a strike vote is being taken. The result is expected to be known early next month.

Wheat Crop Figures Increase

OTTAWA, (CP)—Canada's 1953 wheat harvest was even bigger than anticipated, totalling 613,965,000 bushels, a jump of almost 20,000,000 over the last estimate in September. This is the second biggest wheat crop in history, just about 74,000,000 bushels below the all-time high of 687,922,000 bushels produced last year. The Bureau of Statistics reported in a final crop estimate Tuesday. The 1953 crop is 45 per cent above the 10-year 1943-52 average of 423,500,000 bushels.

Become Members Of R. T. Holman Ltd. 25-Year-Club

Two members of the firm of R. T. Holman Ltd. last night became members of the 25-Year-Club at the third annual meeting of the club held at Robson's Restaurant. The two new members were Mr. Eric Woodside, manager of the china department in the Summerside store and Mr. Allison Owen, manager of the hardware department in the Charlottetown store. The members of the club and their wives were welcomed by Mr. Harry Holman, who presided. Presentations of wrist watches were made to the new members, both of whom made short and appropriate replies expressing their pleasure at being admitted to the club and for the wrist watches emblematic of membership. The presentations were made by Mr. Robert Holman, who also made the pleasing announcement that in future the members of the 25 Year Club will be entitled to three weeks vacation, with pay, each year.

Those members of the firm who now hold membership in the 25 Year Club are as follows: Arthur MacDowell, Ben Sharp, Harold Walsh, Charles Mountain, Wallace Bradshaw, John Hopgood, Wilfred Woodside, Borden Connell, Ella Gay, Gabriel Gallant, John Arsenault, Ray Perry, Arthur Perry, Fred Gallant, Harry Arsenault, Felix Gallant, Eric Woodside, Allison Owen.

Western Grain Growers Receive Record Payments

OTTAWA, (CP)—Trade Minister Howe said Tuesday western grain growers will receive an estimated \$1,044,000,000 in the 1953 calendar year for wheat, oats and barley. It was the "highest income ever enjoyed by them." The minister was replying in the Commons to a question by G. H. Castleden (PC-Yorkton) who asked if there was any indication of what grain delivery quotas would be set by the end of the current crop year next July 31. "I can't guess what the quotas

Work On Crapaud Rink Is Nearing Completion

Only a few days of finishing work remains to be done on the interior of the new indoor rink at Crapaud, and this will be completed before there is sufficient frost to make natural ice. A gleaming aluminum covered structure, the new rink is located beside the Trans Canada Highway on the western approach to the village. Under the capable supervision of the contractor, Mr. Wilfred Maynard, of Summerside, the new rink was constructed mostly by local labor, and the lumber used in construction was obtained and milled locally. Some 40,000 square feet of aluminum sheathing covers the strongly constructed wooden frame. The building, measuring 200 x 95, has an ice space 180 x 75. The main entrance to the building faces the highway, and at this end of the rink are four dressing rooms, canteen, and office. Above these rooms and extending the full width of the rink is a spacious pavilion 75 x 30 from which the whole ice space can be seen. This pavilion can be used for dancing, and for other purposes presently being considered by the rink company. A 10-foot deep cement basement 18 x 20 located beneath the canteen contains the oil furnace which heats the various rooms. It also contains the electric pump, and pressure tank. Here too, in this frostproof storage room, the canteen stock supplies will be kept. The "boards" which separate the ice space from the promenade are really sturdy plank almost two inches thick, and are planed smooth on both sides. The part of the promenade nearest to the rink walls is higher than that nearest to the ice space, and these two promenade sections are separated by a railing. This enables two rows of spectators to extend around the rink without interfering with each other's vision. The ice space is lighted by four rows of lights, 15 lights to a row, and these lights are covered with reflectors to further illuminate the

Deputy Minister of Public Works

OTTAWA, (CP)—Maj.-Gen. H. A. Young, former deputy resources minister, has taken over as deputy minister of public works, it was announced Tuesday. General Young, 55, succeeds Emmett P. Murphy, 65, who retired Nov. 15. His appointment was announced following the shift of Robert Winters to the works portfolio in the cabinet from the resources department last month. The post of deputy resources minister was assumed by Gordon Robertson, formerly assistant clerk of the Privy Council.

Immigration Up For September

OTTAWA, (CP)—Immigration to Canada increased sharply during September, but the total for the first nine-months of 1953 was still far below the 1952 level. With the number of Italians moving to Canada almost tripling, immigration during September totalled 12,471, up more than 3,000 from 9,267 last year, the Immigration Department reported Tuesday. The biggest increase was shown for Italians with 2,121 coming to Canada compared with 726 last year. A big gain was shown also for Germans increasing to 3,237 from 1,598 a year ago. Smaller gains showed for entries from the British Isles. Total English during September increased to 1,966 from 1,793 last year; Irish to 522 from 265; Scottish to 611 from 538 and Welsh to 72 from 58.

Communists Show Interest In Dec. Peace Conference

PANMUNJOM, (AP)—The Communists Tuesday for the first time showed interest in holding the Korean peace conference in December, but negotiators were split on more vital issues. The Communists proposed the conference convene sometime next month. United States envoy Arthur H. Dean has been urging December, but the Reds refused to discuss the time until other demands were met. The date was left up in the air at Allied suggestion while the two sides in sub-committee meetings tackle other unsolved questions. The Communists were expected to turn down a new proposal advanced by Dean aimed at settling the toughest question of all—which countries shall attend the conference.
