PETERBOROUGH, Ont. (CP)—Although the Minnesota border area is preparing for a heavy infestation of tent caterpillars this year, forestry experts here said the menace should be light in eastern Ontario. "The high infestation period is generally past and now is on the downgrade," said one district forester.

Black Hawks Work Out But Canadiens Rest

MONTREAL, (CP)—Chicago Black Hawks, who came out on the short end of their opening game of the Stanley Cup semifinals, worked out Wednesday while the victorious Montreal Canadiens took a rest.
There was an unusual between-games quiet along the hockey front in this best-of-seven series. Nobody professed to be either worried or

slated about anything. General manager Bill Tobin of the Hawks proclaimed "we are not discouraged and won't be even if we lose the second game here before the series moves to Chicago." He figured the series will go seven games.

Coach Dick Irvin of Canadiens, finding nothing in particular to fret over in his team's 2-1 win Tuesday night, was even in something of a magnanimous mood. "We got the breaks last night," said Irvin. "They might go the other way tomorrow night."

A WEEKLY INFORMATION SERVICE

MONTREAL, March 26th — What a handsome couple you'll make in the Easter Parade this year! You in your gay spring bonnet and hubby in a B.V.D. NYLON TRICOT SHIRT. Yes, B.V.D. Nylon Shirts always look neat and trim. Made of comfortable, good-looking nylon tricot—with fused nylon collars and cuffs that never wilt—B.V.D. Nylon Shirts stay handsome without ironing. Laundering's no problem at all—just a quick rinse in the shirt in laundry bills alone. Take my tip—get your husband a handsome, long-wearing B.V.D. Nylon Tricot Shirt for Easter (\$12.95 in blue, tan, grey or white).

I've Often Wondered What Happened to that excellent poster—"Out of the Blue Comes the Whitest Wash". It may be out of use, but its message is still good. Yes, it's a simple matter to get sparkling white sheets, towels, pillow cases and table linen when you use Blue. When you're rinsing your wash to get the clothes clean, simply put a dash of Blue in the water—to get them really white. Blue is kind to your finest fabrics—you're not taking chances when you use it to get your washings snowy white. And the cost? . . . A few pennies a month, that's all. Yes, for the whitest wash, use RECKITT'S BLUE.

The Young Man in the high chair loves hot "Cream of Wheat" for breakfast. Specially when it's topped with tender, meaty raisins making a jolly raisin-face. Delicious! And hot and so good.

Here's Wonderful News for busy mothers and homemakers. After a day of vacuuming, dusting and keeping baby out of mischief, don't you often feel that dinner-to-get is just too much? I'm Ready And Eager To Leave winter behind . . . and that includes heavy winter clothes. Don't you feel the same way? I'll wager you're busy right now, remodeling and making lovely, light-as-air dresses for spring and summer wear. So here's a tip—be sure to use LIGHTNING FASTENERS. They give the professional "finishing touch" to all the clothes you make. They fit so neatly, smoothly into dress seams. And you'll find just the size, length and colour of Lightning Fastener you want for every fashion-wise costume you make. Style No. 702 is just right for dresses and lightweight skirts. And remember, every Lightning you buy has Lightning's exclusive automatic lock. It never slips down.

It's A Pleasure! Dishes done, wink-quick, with those new detergents . . . and hands soft and smooth, too, if you use JERGENS LOTION. It smooths and soothes hands roughened and dried by these new soaps. Because it's liquid, it quickly penetrates to supply the softening moisture that dry, thirsty skin needs. Keep a bottle of Jergens Lotion handy in both kitchen and bathroom. Make a hand-care habit of it—to keep your hands always soft, smooth and lovely, with that cared-for look that only Jergens can give them. Remember Jergens Lotion because you care for your hands. It's not expensive—just 15c, 37c, 65c and \$1.15.

Did You Know that you can buy bathroom tissue in dainty pastel tints to harmonize with the color scheme of your bathroom? Where I buy it, I'm told that many women buy NANCY tissue the first time because they like the idea of a colored tissue. . . but what brings them back time after time is Nancy quality. Though quite modestly priced it really is a deluxe tissue. The label tells you that it is made from the same fine quality tissue as Face-Elle and I can believe that, because Nancy is far softer than any ordinary tissue. It is a 3-ply tissue well-perforated for tearing easily with no straggle ends. A good many drug and some grocery stores carry Nancy, but if you have difficulty getting it in your neighborhood, just write me for where-to-buy information. Some People Like Spinach—and some people don't. Everyone has favourites when it comes to food. But there's one thing most of us really enjoy—and that's a good cup of coffee. No wonder, then, that INSTANT CHASE & SANBORN COFFEE is so popular. It's not only quick and easy to make (takes no longer than boiling the water!)—it's as delicious as coffee can be. You see, Instant Chase & Sanborn is made by coffee experts. The flavour's there—and the body—and the real lift. What's more, the regular-size jar of Instant Chase & Sanborn gives you the same number of cups as a pound of ground coffee—but you save up to 40 cents!
