

Poetry.

A SUMMER MORNING.

Calm is the dawn of a summer morn,
When the sun has just climbed the sky,
When a thousand sweets on the air are borne,
With the sound of melody.

The bright frail web by the spider made,
Hangs out from the elder boughs,—
Glistening with dew and in light arrayed,
Like a fancy net-work glow!

So much of calmness the earth enshrouds,
While freshness and glory smiles,
The purple depths of the orient clouds,
Seem as beauty's richest isles.

Like the peerless beauty to childhood given,
Is the light of the early day;
For both seem fresh from the hand of heaven,
And robed in its pure array.

Varieties.

CLOTHING.—The human animal is the only one that is by nature destitute of covering, and the only one that can clothe itself. Hence man is adapted to all seasons and all climates. He can adapt the warmth or lightness of his covering to the temperature of his dwelling.

PHILOSOPHY OF SWIMMING.—The following rules and reasons, given many years ago, by Elizer Wright of Boston, ought to be published every summer in every newspaper in the land. No branch of education has been so much neglected as this.

THE ART OF EMBALMING REDISCOVERED.—At a meeting of the Asiatic Society in London, some time ago, a human hand and a piece of beef, preserved by means of a preparation of vegetable tar, found on the borders of the Red Sea, in the vicinity of Mocha, were presented: a specimen of the tar accompanied.

TAKING THE VEIL.—The solemn and imposing ceremonial of taking the white veil was performed at the Catholic Church, on High-street, on Sunday morning. The whole services occupied about three hours, and were performed by the Right Rev. Bishop, assisted by a large number of his clergy.

COMFORT.—An aged couple in Galashiel had retired to slumber, when, at midnight, the gude dame was aroused by the glare of a fire, which illuminated the horizon. Frightened at the sudden sight she awoke her sleeping mate with a call to "get up and pray for the last day was come."

REAL AND IDEAL.—Dow, Jr., in one of his discourses, in which he describes the contrast between semblance and reality, hits off a ball scene:

How to know a fool.—A fool, (says an Arab proverb), may be known by six things:—Anger without cause, speech without profit, change without motive, inquiry without object, putting rust in a stranger, and not knowing his friends from his foes.

JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT, FOR THE CURE OF Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and CONSUMPTION.

Consumption can be and has been cured, in thousands of cases, by this only certain remedy, JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT, and no remedy has ever before been discovered that will certainly Cure Consumption.

The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated and the case so utterly hopeless, as to have been pronounced by Physicians and friends, to be past all possibility of recovery, and at times thought to be dying, have been cured by this wonderful remedy, and are now as well and hearty as ever.

Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough and assists nature to expel from the system all diseased matter by expectoration, producing a delightful change in the breathing and chest, and this, after the prescriptions of the very best medical men and the inventions of kind and sorrowing friends and Nurses, have failed to give the smallest relief to the Consumptive sufferer.

THOUSANDS OF CONSUMPTIVE persons have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have proved only palliatives, but this medicine is not only a palliative but a cure for ulcerated lungs. It contains no deleterious Drugs and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs, such as Spitting of blood, Coughs, pain in the side and chest, night-sweats, &c. &c.

About 1000 certificates of almost miraculous cures, performed by this medicine, from some of the first Doctors, Clergymen and Merchants, have been sent us for this medicine, but the publication of them looks too much like Quackery, [we will show them to any person, calling at our office.] This medicine will speak for itself and enough in its own favour wherever it is tried.

Caution—This medicine is put up in a large bottle and you must find the name of Judson & Co., Proprietors, New York, on the splendid Wrapper around the bottle. All orders must be addressed to Comstock & Brother, No. 9 John St. New York.

All of which will be prevented by giving one of these powders, and will at any time, cure when any symptoms of disease appear, if used in time.

To the Old and Young!! Ho! ye Red Heads and Grey!!!

PHENOMENON IN CHEMISTRY!!!! EAST INDIA HAIR DYE.

COLORS THE HAIR, AND WILL NOT THE SKIN. This dye may be applied to the hair over night, the first night turning the lightest RED or GREY HAIR to a dark brown, and by repeating a second night, to a bright jet black. Any person may, therefore, with the least possible trouble keep his hair any dark shade or perfect black; with a positive assurance that the dye, if applied to the skin will not colour it.

These facts are warranted by the gentleman who manufactures it, who is the celebrated Chemist, Dr. COMSTOCK, author of Comstock's Chemistry, Philosophy, and other works, and School Books, well known and widely celebrated by the public.

Deafness.

Use Dr. LARZETTE'S ACOUSTIC OIL, for the cure of Deafness. Also, all those disagreeable noises, like the buzzing of insects, falling of water, whizzing of steam, which are symptoms of approaching deafness. Many persons who have been deaf for ten, fifteen or twenty years, and were subject to use ear trumpets, being made perfectly well. It has cured cases of ten, fifteen, and even thirty years standing of deafness.

Consumption!!!

Every body knows is a flattering disease. It commences and progresses so insidiously, that before one is aware of it, the lungs are a mass of ulcers, then a sudden exposure or change from heat to cold, produces an inflammation, and in a few days or weeks, it is said he or she died of hasty Consumption. For all troubled with cough or lung complaint, we would refer to the advertisement on the outside of this paper of Judson's Chemical Extract of "Cherry and Lungwort," which is said to be a certain cure for this awful disease.

Caution—All of the above named articles are sold only by Comstock & Brother, 9 John street, New York, to whom all orders must be directed.

THE GENUINE OLDRIDGE'S BALM OF COLUMBIA. FOR RESTORING THE HAIR.

If you wish a rich, luxuriant head of hair, free from dandruff and scurf, do not fail to procure the genuine Balm of Columbia. In cases of baldness it will more than exceed your expectations. Many who have lost their hair for twenty years, have had it restored to its original perfection by the use of this balm. Age, state, or condition appears to be no obstacle whatever; it also causes the fluid to flow with which the delicate hair tubes are filled, by which means thousands [whose hair was as grey as the Asiatic Eagle], have had their hair restored to its natural colour by this invaluable remedy.

Caution—Never buy it unless you find the name of Comstock & Co., Proprietors, on the wrapper of each bottle.

CARLTON'S LINIMENT FOR THE PILES, &c.

It is now used in the principal hospitals, and in the private practice in our country, by an immense number of individuals and families, first and most certainly for the cure of the PILES, and also extensively and effectually as to bilious erudity, unless where its effects are witnessed, Externally in the following complaints:

- For Dropsy—Creating extraordinary absorption at once. Swellings—Reducing them in a few hours. Rheumatism—Acute or Chronic, giving immediate ease. Sore Throat—By Caners, Ulcers or Colds. Croup and Whooping Cough—Externally and over the chest. All Bruises, Sprains and Burns—Curing in a few hours. Sores and Ulcers—Whether fresh or of long standing, and fever sores.

Its operation upon adults and children in reducing rheumatic swellings, and loosening coughs and tightness of the chest, by relaxation of the parts, has been surprising beyond conception. The common remark of those who have used it in the Piles is, "It acts like a charm." It is warranted to please any person that will try it.

Caution—Never buy it unless you find the fac-simile signature of Comstock & Brother, proprietors, on the wrapper of the genuine article.

Bliss' Compound Cod Liver Oil Candy,

A new and effectual remedy for Coughs, Common Colds, Cold in the Head, Hoarseness, Bronchitis, Asthma, Tickling in the Throat, Catarrh, Diseases of the Lungs and Bronchial Affections.

This favorite remedy is composed of Pure Cod Liver Oil, combined with other valuable ingredients, which completely disguise the repulsive taste of the Oil, without detracting from its medicinal virtues, presenting it in a form by which it can be administered to the most delicate invalid, without inconvenience. The medicinal influence of this Candy pursues the exact tract of the inflammatory action, causing cough. First, soothing the organs of the voice, its sedative influence, passes along the mucous lining of the windpipe into the bronch, and allaying pulmonary irritation, giving ease and comfort to the chest, restoring the voice to its accustomed clearness and power; Congested Phlegm, Acridities in the Fluids, and Obstructions in the Glands, are gently and safely discharged by easy expectoration. It never disagrees with the stomach, a common cold yields to its benign influence in a few hours, and when resorted to, before the complaint is far advanced, all danger of CONSUMPTION is entirely prevented.

HEALTH WHERE 'TIS SOUGHT!

HOLLOWAY'S PILLS

CURE OF A DISORDERED LIVER AND STOMACH, WHEN IN A MOST HOPELESS STATE.

Extract of a Letter from Mr. Matthew Harvey, of Chapel Hall, Airdrie, Scotland, dated the 15th January, 1850.

To Professor HOLLOWAY:

SIR,—Your valuable Pills have been the means, with God's blessing of restoring me to a state of perfect health, and at a time when I thought I was on the brink of the grave. I had consulted several eminent Doctors, who, after doing what they could for me, stated that they considered my case as hopeless. I ought to say that I had been suffering from a Liver and Stomach complaint of long standing, which during the last two years got so much worse, that every one considered my condition as hopeless. I had a last resource got a Box of your Pills, together with rubbing night and morning your Ointment over my chest and stomach and right side, I have by their means alone got completely cured, and to the astonishment of myself and every body who knows me.

(Signed) MATTHEW HARVEY. CURE OF A CASE OF WEAKNESS AND DEBILITY OF FOUR YEARS' STANDING.

Extract of a Letter from Mr. William Smith, of No. 5, Little Thomas Street, Gibson Street, Lambeth, dated December 12, 1849.

To Professor HOLLOWAY.

SIR,—I beg to inform you that for nearly 5 years I hardly knew what it was to have a day's health, suffering from extreme weakness and debility, with constant nervous headaches, giddiness and sickness of the stomach, together with a great depression of spirits. I used to think that nothing could benefit me, as I had been to many medical men, some of whom, after doing all that was in their power, informed me that they considered that I had some spinal complaint beyond the reach of cure, together with a very disordered state of the stomach and liver, making my case so complicated that nothing could be done for me. One day being unusually ill and in a dejected state, I saw your Pills advertised and resolved to give them a trial, more perhaps from curiosity than with a hope of being cured, however I soon found myself better by taking them—and so I went on persevering in their use for six months, when, I am happy to say they effected a perfect cure.

(Signed) WILLIAM SMITH. (frequently called EDWARD)

CURE OF ASTHMA OF TWENTY YEARS' STANDING.

Extract of a Letter from Mr. J. K. Heydon, 78 King Street, Sydney, dated 10th November, 1849.

To Professor HOLLOWAY.

SIR,—I have the pleasure to inform you that my extraordinary cure of Asthma have effected here by means of your Pills. One is that of a lady residing near the "Razorback," who after having for Twenty years been unable to make the slightest exertion, suffering very fearfully from shortness of breath coughing and sitting, but is now, (to use her own expression) able to run up to the top of that mountain. Another case is that of Mr. Canon, Taylor, Hutchinson's buildings, Clarence-street, who was so dreadfully ill that he was confined entirely to his bed-room or six months, prior to his commencing with your Pills, and attended regularly by his medical man, who pronounced him to be in a dying state, yet he, likewise, to my knowledge, has been restored to perfect health by the use of your Pills, and rubbing your Ointment night and morning into his chest.

(Signed) J. K. HEYDON. THE EARL OF ALDBOROUGH CURED OF A LIVER AND STOMACH COMPLAINT.

Extract of a Letter from His Lordship, dated Villa Messina Leghorn, 21st February, 1845.

To Professor HOLLOWAY.

SIR,—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount and at the same time to add, that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the Continent, had not been able to effect; no, not even the waters of Carlsbad and Marienbad. I wish to have another Box and a Pot of the Ointment, in case any of my family should ever require either. Your most obliged and obedient Servant.

(Signed) ALDBOROUGH. These celebrated Pills are wonderfully efficacious in the following complaints.
