MANHOOD

How Lost, How Restored.

We have recently published a new edition of DR. CULVERWELL'S CELEBRATED ESSAY on the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical incapacity, Impediments to Marriage, etc., resulting from excesses.

The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practice, that alarming consequences may be readily cured without the dangerous use of internal medicines or the use of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically. This Lecture should be in the hands of every youth and every man in the land. Address: THE CULVERWELL MEDICAL CO. 41 Ann St., New York. Post Office Box 450.
