

## Alumni Offices Opened

The University of Prince Edward Island Alumni Association announces the opening of its Alumni office at 283 Kent Street, Charlottetown. We have a full-time secretary, Miss Sheila Gallant, who is presently in charge of the office. Phone her at 892-4144 if you have any suggestions or want some information concerning the Alumni Association. If Sheila does not have an

answer, she can put you in touch with an executive member who will be able to help you.

For the present, the Executive is busily involved in organizing various Alumni activities which include our membership registration a farewell party for the 1973 graduates and the annual homecoming for alumni members in the fall. We are looking forward to the time

when the Alumni Association can become even more involved with the University community.

On behalf of the Alumni Association we wish you the best of luck in your exams and a long and happy summer!

A BOUQUET OF THANKS TO:  
JIM GRIFFITH

Jim, of Student Services has been trying to work on behalf of the students out of his genuine concern for their problems with the Administration. Thanks go to him and his staff for their efforts! It is very unfortunate that the same could not be said of the other "Authoritarians" at UPEI, i.e., Baker, Clough, Stevenson and MacLean. But, don't give up hope. It is said that nobody is entirely useless; if nothing else, they can be good as bad examples.
