KUMFORT HEADACHE POWDERS.

DONT MAKE EXPERIMENTS

What's the use of continually making experiments with many so-called headache cures which utterly fail to relieve and are often dangerous to the health? It has been proved in thousands of cases that there is one plain, honest, natural cure for that distressing malady—Kumfort Headache Powders. These powders are not composed of harmful drugs, but are of a purely vegetable character, compounded of natural remedies for headaches of all kinds. They will cure the worst case of headache in a few minutes, whether it is a nervous headache, neuralgic headache or sick headache. They afford immediate relief, are safe, pleasant and effective and have no unpleasant after effects. You will find Kumfort Powders something different from other sorts—something honest—something that will do all we claim for them or your money refunded. The Rev. W. R. Harvey, formerly of Economy, N. S., writes:

"Although not in the habit of giving testimonials, I have great pleasure in testifying to the good qualities of Kumfort Powders. Being subject to nervous headaches, I am always able to find relief by using Kumfort Powders."

E. W. Mattison & Son, Thompson Sta., N. S., write: "Please send us 6 dozen Kumfort Headache Powders. They are the best selling medicine we have in the shop."

H. C. Fulton, of Truro, of Supt. office of I. C. R., writes: "I cannot praise Kumfort Headache Powder too highly. Undoubtedly the best cure for headache."

Mrs. J. P. Davidson, Burt Church, N. B., writes: "I have used them and my experience is that they will cure a headache in a few minutes. It is nervous headache in my case."

Four powders in 10c. package; twelve powders in 25c. package. All druggists, or by mail post paid on receipt of price.

RIPANS

An Elderly Lady.
An elderly lady living at Fordham Heights, a part of New York City, and who was known to be a warm advocate of Ripans Tablets for any case of liver trouble or indigestion, said to a reporter who visited her for the purpose of learning the particulars of her case: "I had always employed a physician and did so on the last occasion I had for one, but at that time obtained no beneficial results. I had never had any faith in patent medicines, but having seen Ripans Tablets recommended very highly in the New York Herald concluded to give them a trial, and found they were just what my case demanded. I have never employed a physician since, and that means a saving of \$3 a call. A dollar's worth of Ripans Tablets lasts me a month, and I would not be without them now if it were my last dollar." At the time of this interview there were present two daughters who specially objected to their mother giving a testimonial which should parade her name in the newspapers, but to do this the elder lady argued: "There may be other cases just like mine, and I am sure I take great pleasure in recommending the Tablets to any one afflicted as I was. If the telling about my case in the papers enables some other person similarly afflicted to be as greatly benefited as I have been, I see no objection." The daughters, knowing how earnestly she felt about the benefit she had received, decided she was quite right.

Sales Increasing.
The largest retail drug store in America is that of Hegeman & Co. on Broadway in New York City. A reporter who went there to learn how Ripans Tablets were selling bought a five-cent carton and asked: "Do you have much call for these?" He was referred to a gentleman who proved to be the head of the department. He said: "The sale of Ripans Tablets is constant and is increasing, due especially to the influential character of the testimonials in the daily press, and growing out of these, through the recommendation of friends to friends. Satisfaction with them is increasing rapidly. When once they are tried, I think that a permanent cure for them is made. This, I believe, is through their intrinsic merit, which proves the bona fide character of the advertising. I think that generally speaking, it is the general rule of patent medicines."

Some of the ailments which RIPANS TABLETS are used to cure are: indigestion, constipation, biliousness, headache, neuralgia, rheumatism, etc. The low priced sort is intended for the poor and the high priced sort is intended for the rich. The low priced sort can be had by mail by sending forty cents to the F. G. Wheaton Company, 100 Broadway Street, New York, or a single carton to the nearest druggist. The high priced sort can be had of some grocers, general dealers, and some liquor stores and barbers shops. One gives relief.
