## Student Union Website

---

The Student Union now has two brand-new web sites up and running, [www.upei.ca/union](http://www.upei.ca/union) and [www.upei.ca/cadre](http://www.upei.ca/cadre). These sites are designed to provide information to students and allow them to voice their opinion to SU Executive and the newspaper staff. The Union site will also keep students up to date on events at the Barn and other Student Union related activities. The Cadre site will feature each week's edition on-line and will also contain archived versions of the University's paper from the early seventies.

We hope everyone checks out the new site and we welcome all feedback.
