## Births, Deaths Marriages

### CARD OF THANKS

I wish to express my sincere thanks to Drs. Irwin, Saiphoo, and Cudmore; the nursing staff of the P.E.I. Hospital; and to all my friends who visited me or sent me flowers, cards, or treats while I was a patient there and while I was convalescing at home.

Florence Stewart.

I wish to thank Doctors Simpson and Beer, my special nurses and staff of the Prince County Hospital for their many acts of kindness to me while I was a patient there, also the clergy and many friends who visited me and all those who sent cards, letters and treats. A very sincere thank you to all.

Roy MacDonald.

### OBITUARY

**MRS. GEORGE W. CLARK**

The death occured in the Prince Edward Island Hospital on December 28th, 1961, of Mrs. George W. Clark, after a short illness. She was born at Hopedale, June 23, 1907, the daughter of the late Mr. and Mrs. D. M. MacDonald.

In 1930 she married George W. Clark and came to live in North Wiltshire where she entered into the activities of the community. The deceased possessed a very kind and cheerful disposition, and will be greatly missed in the home that her life has beautified.

She leaves to mourn the loss of a loving wife and mother, her husband, one son, and three daughters: Wendell, at home; Marion, a nurse in the Canadian Army in Petawawa; Sylvia, Mrs. Berman Johnston, Charlottetown; Constance, Charlottetown. Also two sisters: Mrs. Jeanette Matheson, Charlottetown; Mrs. John MacLennan, Hartsville; and three brothers: Alexander, in Sommerville, Mass.; James in Hopedale; and Rev. Ira in Alberta. Her sister Marion and several brothers predeceased her.

The funeral service was held on Sunday, December 31st, in the North Wiltshire United Church, and was largely attended. Rev. Donald Nicholson conducted an impressive service and spoke words of comfort to the bereaved. The hymns, The Lord's My Shepherd and Rock of Ages, were sung. The pallbearers were: Reginald Clark, Albert Bowman, Sheldon Easter, Barton Boswell, John Mac Kenzie and Nelson Hatherley. As the sun was sinking in the west, the earthly remains of a beautiful mother was laid to rest in the cemetery beside the church which she loved and attended.

Till in the glorious morning
light we see,
The angel faces of the blest and
thee.

### CARD OF THANKS

George W. Clark and family wish to express their sincere thanks to those who sent messages and floral tributes, to friends and neighbors and to those who helped in any way during their recent bereavement.

### OBITUARY

**MISS LILY ADA Mac NAUGHT**

There passed quietly and peacefully away in the early morning of January 8, at the homestead at Coleman, Prince Edward Island, Miss Lily Ada MacNaught, the last surviving child of the late Alexander and Julia Craswell MacNaught.

The deceased was in her 89th year, and with the exception of short periods spent in Philadelphia and parts of Massachusetts had spent the greater part of her life in Coleman.

Possessed of a keen and intelligent mind, with a most retentive memory, she could recall with unerring accuracy the dates of events in the neighboring countryside covering the past eighty years.

Like isolated flowers that miraculously manage to bloom in the desert, there are from time to time unselfish people who stand out in this world of selfishness and she was the perfect example of such unselfishness.

A Christian lady of gentle and kindly disposition her life was one of devotion to the welfare and service of others, and she will long be remembered by those who knew and loved her.

"Alas for love if thou wert all, and not beyond, oh earth."

The funeral service was conducted by Rev. David Hamilton in the United Church at the Brae, with a short service at the house.

Familiar and well loved hymns sung were, "Rock of Ages," "Unto the Hills" and "Abide With Me."

The pallbearers were Carroll MacWilliams, Howard Arsenault James Wood, Basil Gallant, Ralph Getson and Lawrence Arsenault.

Interment was in the family plot in Brae cemetery.

## World Production Of Steel Boosted

WASHINGTON (AP) —World steel production increased four per cent last year to a record 375,000,000 tons, the commerce department said Wednesday.

The figure, which does not include the output of Communist China, was 15,000,000 tons higher than in 1960.

U.S. production dropped by nearly 1,300,000 tons to 98,000,000.

"Although still the largest world producer," the report said "this country accounted for only 26 per cent of output in 1961 compared to 46 per cent 10 years ago.

Japan increased her steel output nearly 7,000,000 tons to more than 31,000,000 tons, and moved into fourth place among leading producers, following the U.S., Russia and West Germany. Steel output in the Soviet Union increased by 6,000,000 tons to 78,000,000, with 1962 plans calling for production of 84,800,000.

## Jobless Cheques May Be Mailed

EDMONTON (CP) — Edmonton has been chosen to pilot a project under which unemployment insurance benefits will be mailed to jobless persons rather than picked up in cash at the National Employment Service office.

Laval Fortier of Ottawa, chief commissioner for the unemployment insurance commission, said Wednesday that if the program is successful in a six-month test here, it will be implemented across Canada.

Mr. Fortier said the chief benefits of the new system are expected to be the release of unemployed persons from time spent at the NES office to look for a job and the freeing of government staff to line up jobs rather than talk to unemployed.

## Increase Urged In Gold Price

LONDON (AP)—Lord Chandos, British industrialist and former cabinet member, said Wednesday a world shortage of credit should be eased by raising the price of gold.

"There is not enough money in the world; we ought to create some more and increasing the price of gold is a good way to do it," Chandos told a luncheon of the American Chamber of Commerce.

Gold is now pegged at $35 an ounce.

"Gold is the only commodity which you can buy at the same price as you could 28 years ago," Chandos said. "I do not propose that any single country should raise the price, but that it should be done as a concerted common sense measure. That way, international currencies would remain at their present ratios."

As Oliver Lyttelton, a conservative MP, Chandos was production minister in Britain's wartime cabinet. He was colonial secretary when he was elevated to the peerage in 1954.
