In Memoriam

IVAN GERALD McCLURE

There is no death
To those whose hearts are set
On higher things than this life doth afford
How shall their passing leave one least regret,
Who go to join their Lord.

The above lines seem fitting in the sudden and unexpected death of Mr. Ivan G. McClure which occurred at the Royal Victoria Hospital, Montreal, August 12th, following two very serious operations.

Deceased was born in Moncton, N. B., youngest son of James and Elizabeth McClure and was a former employee of the Canadian National Railways at Moncton and Montreal.

Answering the call of his country, he enlisted in 1915, with the Second Seige Battery, later being transferred to the 98th, going over to France early in 1916.

At the close of the war he returned to Moncton and again entered the employ of the C. N. Railways, remaining with them until 1930 when he moved to Charlottetown going into business with his brother under the firm of the "New Method Cleaners."

For the past five years Mr. McClure had been a patient at the Provincial Sanatorium due to having been badly gassed while overseas.

Mr. McClure was a man of high moral character, known and respected by a large circle of acquaintances and friends, ever ready to perform acts of kindness to his friends and to help those in time of need.

Trusting firmly in his Saviour, his loved ones have the hope that he is at rest in the Home above free from sickness and pain.

He is survived by his wife (Roma B. McClure) and two children Constance and Donald and five sisters Mabel (Mrs. Groundwater) B. C., Fanny (Mrs. Lovell), Mass., Annie (Mrs. Jones) and Myrtle (Mrs. Lutz) Moncton and Lottie of Charlottetown; one brother Roy L. predeceased him six weeks before.

The funeral was held from Tuttle Bros., funeral home August 16th. It was attended by a large number of relatives and friends and former acquaintances in the employ of the railway. The services both at the chapel and graveside in Elmwood cemetery were conducted by Dr. H. R. Boyer of the First Baptist Church.

A striking tribute was paid Mr. McClure by members of the Moncton Branch of the Canadian Legion led by Robert Aigle. The last post was sounded at the graveside by Bugler Tommy Jones. Pallbearers were Gordon Douglass, H. Keith, Cecil Dernier, George Smith, Roy Freeman, Robert Aigle, all members of the Legion. Following are the floral tributes.

Broken Circle, wife and family, **wreaths,** Glad Tidings Lodge B. of L. F., employees of New Method Cleaners, 2nd Canadian Seige Battery, Mr. and Mrs. Chester McLure and Lena; Mr. and Mrs. R. B. MRS. JAMES F. CULLEN

A large circle of friends in this city and throughout the province learned, with regret of the passing of Mrs. James F. Cullen whose death occurred Thursday at the City Hospital, after about a month's illness.

The late Mrs. Cullen was the widow of the late James Cullen, for many years railway mail clerk and a niece of the late Chief Justice Sullivan.

Born in Hope River seventy-one years ago, a daughter of the late Mr. and Mrs. Daniel Cullivan, she remained there until her husband, who was a school teacher, was appointed mail clerk on the Eastern Branch, when they removed to Souris, later took up residence in Charlottetown.

A faithful and consistent member of St. Dunstan's Basilica, she evidenced a great interest in all work in that connection although not actively participating, her greatest interest being centred in the League of the Sacred Heart.

Two daughters, Mrs. Louis Shattuck, Lowell, Mass., Mrs. Helena Pearson, Brighton, Mass., and a son Reginald, Lowell, arrived on Tuesday night and were with their mother when she passed away.

Other sons and daughters are Mrs. Geo. McDonald, Mermaid; Mrs. Louis Curley, Mrs. Gerald Murray, Mrs. Chas. McDonald and Mrs. Bernard Martin, City, William Francis, Cherry Hill, Alta and Wilfred, City.

There are also thirty grand children and two great grand children one of the latter being the six-year-old child of Mrs. Shattuck.

Also surviving are two brothers Daniel and John, Cape Wolfe, this province, and two sisters, Margaret, Supt. of Bournewood Hospital, Brookline, Mass., and Mrs. John Stewart, City, to all of whom sincere sympathy is extended.

The funeral will be held this morning from her late residence, 3 Hillsboro Street, at 8.45 to St. Dunstan's Basilica, thence to the Roman Catholic Cemetery.

MR. ALEXANDER KENNEDY

The death occurred at his home at Southport Thursday of Mr. Alexander Kennedy, a well known and respected farmer.

Mr. Kennedy who was in his 85th year, having been born on the 28th of February 1855, had not been feeling well for the past three days, but his illness was not considered serious. Thursday he was able to be up around and was working in the potato field. He had his dinner as usual, but at two o'clock went to bed to rest and at half past five he suddenly passed away.

He was born at Southport on the old homestead, the son of the late Mr. Daniel Kennedy.

He carried on general farming and live stock breeding and like his father before him, he achieved marked success by his industry and intelligence.

He was a great lover of horses and specialized in standard breds and Clydesdales. He was also fond of horse racing.

Mr. Kennedy was an expert rifle shot and was instrumental in organizing the Bellevue rifle club of which he was captain for several years.

Twenty-five years ago he won the aggregate in the provincial shoot and took part in the various meets since, up to within five years ago, together with Messrs. James Henry Judson and the late E. G. Love and other veteran shots.

Mr. Kennedy was a deacon in the Church of Christ at Cross Roads and a regular attendant for many years.

He was a man of excellent character and held in high esteem in the community.

His wife, (nee Elizabeth Garret), predeceased him about thirty-five years ago.

There are left to mourn three sons, Mr. W. J. Kennedy, Johannesburg, South Africa, Mr. H. J. Kennedy, at Southport, and Mr. F. G. Kennedy on the homestead; also one daughter, Mrs. Anson Jones of Victoria, B. C.

Two sisters survive, Miss Margaret Kennedy, Charlottetown, and Mrs. George Worth in Colorado.

The funeral will be held today from his late residence, to Cross Roads Cemetery. The service will start at 2 p. m.

CONSERVATION

A WEEKLY COLUMN OF PRACTICAL OPINIONS OF THE VITAL ISSUES AFFECTING THE USES AND ABUSES OF NATURAL RESOURCES BY MR. LUDLOW JENKINS, MARSHFIELD.

(Continued from page 9,

its more benefical diet eludes the casual observer. It is typical of the anti-crow bias that one sportsman says "he wishes he could say" of a crow that came under his observation that it "took an egg in each claw and one under each wing" but he could not do so as his story was a true one—conscience does not always, as in this case, stay the imagination of the crow's enemies, and thus the prejudice grows.

The hostile feeling against all hawks and owls has become so great that it is almost impossible to convince the public of their importance to life and the scheme of things. Yet as long ago as 1893 the U. S. Biological Survey gathered evidence based on stomach examinations which proved that 25 species of hawks are almost entirely beneficial because of their diet of beetles, bugs and rodents, while only a few are detrimental to birds. The evidence is sufficient to have insured their protection for the past forty years but uniformed opinion and the difficulty of the majority of persons to distinguish one hawk from another on the wing, has resulted in the serious depletion of many innocent species.

War Impact On U. S. Business Wearing Off

By Claude A. Jagger
Associated Press Financial Editor

NEW YORK, Sept. 7—(AP) — First impact of war on business, financial and commodity markets showed signs of wearing off today.

Heavy selling appeared at times in stocks and various commodity markets as the war buying fervor ebbed. Stocks rose further at time, but dipped at the close, with average prices about unchanged from yesterday.

Wheat at Chicago, after a momentary sell off ,finished with further advances of 1 1-8 to 2 1-8 cents Corn gained about as much. September wheat was 20 cents above a week ago.

Commission houses said many factors tended to make for greater moderation, after the unprecedented war buying of the past two days. One was that the anticipated "war" buying from abroad has only just started to appear. Another was that some holders were said to feel that once the German army has made substantial progress into Poland, peace overtures may be made.

An outstanding development of the day was stemming of the selling movement in U. S. government bonds. After they had come down to levels which made longer term issue yields a little better than 2 1-2 per cent, against close to 2 at the record peaks of last summer banks and other big investors began to find them more attractive. Federal reserve support was said to have been effective.

Cotton prices pushed up $2.40 to $2.55 a bale. Wool, cottonseed oil and rubber futures backed up, with the last named losing about 1 1-2 cents a pound.

The Associated Press daily index of 35 basic raw staple prices again showed a wide gain, smaller than for the past two days, but amounting to 1.38 percentage points, which boosted it to 72.95 per cent of the 1926 average, up 6.98 in three days, an unprecedented jump in that space of time and up to the best level since Jan 25, 1938.
