High School At Souris Joins Basketball League

Souris High School has entered the Island High School League. A meeting to form this league was held on Saturday in Charlottetown. At this meeting, five definite starters were prepared to start. The other four teams include: Queen Square, Queen Charlotte, Prince of Wales Seconds, and Summerside High.

Flying Officer D. H. Hepburn of Summerside is the man at the helm. He's been the mainstay in organizing the P. E. I. Basketball should be on the upgrade. With the mild weather still here, basketball may emerge as the top winter sport at this end of the island, at least, for this year. Souris High has indulged in five games in the current season, losing all five. However, this new league should add a fresh incentive to the boys, and a possible win streak.

Hockey is really behind schedule this season. With this steady flow of mild weather what ice there was in the Souris Rink is rapidly leaving. Unless a cold snap is forthcoming very soon, the ice-makers will once again have to start from scratch.

The Claim Jumpers remained undefeated in the Women's Bowling League last week as they set the Old Tmrs down to defeat. The Federals moved into sole possession of first place in the Men's League although bowing to the Perfectionists 4-1.

Bill Pierce of the Federals and Ken O'Hanley of the Perfectionists are battling right down to the wire for the top bowling average. At the present time Bill has a slim one point margin over Ken with five games to go.

The results of last week's games are: Men's League: Perfectionists 4 Federals 1, Lobster Kings 4 1-2 Has Beens 1-2, Bankers 4 Mathew and MacLeans 1, Line Routers 5 Kilowatts 0. In the Women's League: Cousins 4 Blue Goons 1, Claim Jumpers 4 Old Timers 1, Abbies 4 1-2, Happy Gand 1-2.

Second and third periods were scoreless. The game was a clean one, marred only by 3 minor penalties picked up by Bob Shaw, Dave Wood and Billy Prowse.

Akins, DeMarco Meet Tonight

By DAVE O'HARA
BOSTON (AP) — Virgil Akins and Tony DeMarco, two of the welterweight division's most explosive punches, meet tonight in a scheduled 15-round bout which shapes up as a repeat performance of their terrific slugfest three months ago.

DeMarco, who turned 26 a week ago, finds himself at the crossroads needing a decisive triumph and to continue as one of Boston's top contenders.

Akins also has plenty to lose—a probable shot at the title to be recognized by the National Boxing Association.

The NBA recently gave title sanction to a bout between Isaac Logart and Vince Martinez, who defeated Gil Turner for the opportunity, and ruled that the Logart-Martinez winner must give Akins, or any fighter who beats Akins, a championship fight.

Despite Akins' impressive performance in knocking out DeMarco in their first meeting, the odds-makers have installed the Boston slugger a 7-5 favorite for the return engagement at the Boston Garden.

Basketball League Will Not Agree To New Team

Sir—Some time ago I was approached by the P. E. I. Basketball Association to enter a team from Holy Redeemer Community Centre in the proposed High School League.

This team with the exception of myself was composed of boys of high school age, except the majority of them had quit school for some reason or other.

A meeting was held this past week, which I was unable to attend, but apparently one of the school coaches was not in favor of our team being in this league, because of the fact that these boys were not attending school.

It was proposed that we be allowed to enter and play exhibition games with points not to count, but they wouldn't agree to this either. As these boys are not good enough to play senior basketball and there being no intermediate league they face the possibility of not being able to participate in basketball.

I was greatly shocked, indignant and disappointed at the attitude taken by this person as he knows as I do that a young boy of high school age, who is out of school has too much spare time on his hands and can very easily be led into trouble unless he has some kind of recreation such as this.

I can speak from experience about how these boys felt upon

The Summerside Spudniks won their second game in a row at Civic Auditorium last night defeating the R. C. A. F. Sultans 63-58. Dave Arnold, of the Spudniks led all sharpshooters with 24 points. Ed Leggit was second with 16. Hepburn and Spicer tied with 15 counters for the Airforce boys with Terman close behind with 14. Spicer's work on rebounds was outstanding.

Royals Meet Aces Tonight

The Charlottetown Royals will be gunning for another chance to close in on the Amherst Ramblers who are at the top of the M.S.H.L. tonight when they tangle with the Summerside Aces.

The always hustling Ramblers moved four points in front of the Royals last night by defeating the Charlottetown Royals 13-3.

Both the Royals and their island counterparts the Aces will be going all out for victory tonight. The Royals in order to catch up for first and the Aces to get back in the race. After Monday's game the Aces were floundering deep in the cellar. 12 points behind the Ramblers and 8 behind the second-place Royals.

A win for the Hennessey coached Aces would make it two in a row over the Royals. They defeated the blue and white squad 8-2 in Summerside last Friday evening.

The Royals will be without the services of Willie Dunn who has been suspended for four games. But the Royals will make up for missing players by doing double duty. Whitlock and possibly Cecil Dowling will perform on two lines during the evening.

Following are the probable lineups for tonight game: Royals: Goal—Doyle or Roper; Defence—Josey, Perry, McLure, MacLeod; Forwards—Whitlock, Dowling, A. Carver, S. Carver, Pineau, K. Ready, L. Shepherd, Carroll.

Aces: Goal—Mann; Defence—G. Grady, MacArthur, Steele; Forwards—W. Shepherd, Harris, U. Gallant, Cutcliffe, Hughes, Howat, Hennessey, Clow, Benny Grady, C. Grady.
