Brennan, who is removing to Sidney, N S, with a beautiful address and a gold-headed cane suitably inscribed, last night at the Rectory. Rev. Father Burke, the President, read the address. There were refreshments and music afterwards.]

**BRUTAL ASSAULT.**—A brutal assault, in which an apparently inoffensive stranger was the victim, took place on the market square today. The stranger was knocked senseless. On the appearance of the police the assailant ran and an exciting chase, in which many citizens took part, ended by the pursued taking refuge in the water at the ferry wharf landing.

**SEAL SHOT.**—Mr. C. Earle and a party of young sportsmen, while enjoying a cruise up the river in their boat on Saturday afternoon, bagged a fine fat seal. The seal was so busy fishing flatfish that he fell an easy prey. He was in fine condition. It is said that a Newfoundlander, fond of swales "dippers" was regaled with his favorite delicacy for his dinner yesterday.

**CRUSADERS PIONIC.**—The Loyal Crusaders and their friends enjoyed a delightful sail on Saturday evening in Batt's steam tug. The S. A. Band discoursed sweet music. The children were bountifully served with confectionery, and every one on board seemed to thoroughly enjoy the excursion. As the boat approached the wharf three hearty cheers were given for the Queen.

**H. B. C.—Eight members** of the Hillsborough Boating Club, under command of Captain Thomas Ronahan are camping at Marie. Saturday they went to Souris to witness the Caledonian games and returned to their camp in the evening. They report an excellent outing and relate several extraordinary fishing experiences. They will return to the city this week.

**B. R. T.—A meeting** of Morning Star Lodge of the Brotherhood of Railway Trainmen was held in Charlottetown yesterday afternoon. Besides the Island members of the Lodge there were ten delegates from Moncton in attendance. Two new members were admitted. The local members of the Order feel grateful to Superintendent Sharp by whose courtesy so many of them were enabled to be in town for the meeting.

**WOOD CARVING.**—Much interest is being manifested in a very beautiful display of wood carving on exhibition in the window of Watson's Drug Store. The exhibit consists of over thirty pieces of work, each different in design and intended for the capitals of pillars for church decoration. They are from the studio of our talented citizen sculptor Mr. Antonio Vincent, and are artistic in both design and execution. No such collection of wood-carving has ever been exhibited here, and is well worth careful inspection.

**SHOOTING AT TORONTO.**—Last week the semi-annual meeting of the Ontario Rifle Association took place at Toronto in connection with which there were several days shooting. Among those who took part was Private E. Crockett who made 34 (possible 35) points in the Oser Match, winning \$4.75; and 76 (possible 90) points in the City of Toronto Match; winning \$4.00; also, Lieut. H. R. Lordly, of the Charlottetown Engineers, who made 78 (possible 90) points in the City of Toronto Match, winning \$5.

**FALSE REPORT.**—The report that a young man named Mahar had been drowned yesterday is, we are glad to learn, without truth. It appears that Walter Mahar, who is a son of Mr. Mathew Mahar of the P. E. I. Railway was out boat sailing in the harbor yesterday when the storm came up. Mahar had two companions, Angus Cameron and John Cameron, and they very sensibly ran the boat ashore above the asylum and walked to town, arriving about 10.30 p. m. Their absence at that late hour gave rise to the report of their drowning.

**Strange Case of Kidney Disease Reported at Smith's Falls.**

**SMITH'S FALLS, Aug. 27.**—One of the most remarkable cures ever performed by Dodd's Kidney Pills was that of Mrs. George Barnes of this town. Mrs. Barnes was afflicted with Female Weakness and Urinary Trouble resulting from Kidney Disease. The disease had also a serious effect on her senses of sight and hearing, for at times Mrs. Barnes would be exceedingly deaf and short-sighted.  
 Mrs. Barnes gives an account of her case for publication:—“I have consulted a doctor,” she writes, “who gave me medicine that seemed to make me worse at times. I was told of Dodd's Kidney Pills, and I got one box. I have used part of the box and am completely cured, and strange to say both my hearing and eyesight are now unaffected.”
