

The House that Jack Built.

ELEGANT AND REFINED VERSION.

Our language is considerably changed, and many hundreds of words have been added during the last century. Besides, our feelings have become more refined, and many words used in common conversation grate harshly upon the ear at the present day.

This is the edifice Johannes erected. This is the agricultural produce, deposited in the edifice Johannes erected.

This is the feline domestic animal, that devoured the agricultural produce, deposited in the edifice Johannes erected.

This is the canine quadruped, that lacerated the feelings of the feline domestic animal, that devoured the agricultural produce, deposited in the edifice Johannes erected.

This is the interesting desolate spinster, that lacerated the feelings of the canine quadruped, that lacerated the feelings of the feline domestic animal, that devoured the agricultural produce, deposited in the edifice Johannes erected.

This is the dilapidated individual, that greeted with osculatory salutation the interesting desolate spinster, that lacerated the feelings of the canine quadruped, that lacerated the feelings of the feline domestic animal, that devoured the agricultural produce, deposited in the edifice Johannes erected.

This is the ecclesiastical functionary, denuded of his rite appendages, that united in the bonds of Hymen, the dilapidated individual that greeted with osculatory salutation the interesting desolate spinster, that lacerated the feelings of the canine quadruped, that lacerated the feelings of the feline domestic animal, that devoured the agricultural produce, deposited in the edifice Johannes erected.

This is the two-winged feathered biped, whose shrill clarion awoke from his peaceful slumbers the ecclesiastical functionary, denuded of his rite appendages, that united in the bonds of Hymen the dilapidated individual, that greeted with osculatory salutation the interesting desolate spinster, that lacerated the feelings of the canine quadruped, that lacerated the feelings of the feline domestic animal, that devoured the agricultural produce, deposited in the edifice Johannes erected.

So Particular.

'Brandy' said a man during a conversation on intemperance: 'why, it's the worst drink in the world. That's what killed Bill Fellers.'

'Bill Fellers is not dead,' replied some one. 'I saw him on the mountains the other day.'

'Well, no difference,' said the first speaker. 'Brandy is what will kill him.'

'I don't see how it can, for he never drinks a drop of it.'

'Ah, well, it's what would kill him if he were to drink it. You are so confounded particular that a man can't talk to you.' - Arkansas Traveler.

MRS. SOPHIA POTTER'S Bone Rheumatic Liniment

IT is a fact worth knowing that Mrs. Sophia Potter's Bone Rheumatic Liniment cannot be excelled for removing pain and soreness. It is no worthless trash, as some may suppose, simply because they have been imposed upon by others but is positively the "King of Pain." Sore throat cannot stand before its power.

All we ask is a trial that you may be convinced of the truth of our statement. Our experience is that one bottle tried also sells many more.

See circular for particulars and testimonials, and try a bottle—it will not fail to do all that is promised.
