

OCTOBER 7, 1893.

NOTES AND COMMENTS.

The Dominion Government lost a surplus of nearly \$1,000,000 on the operation of the Pacific coast.

The scales of British Columbia are practicing with the spear. They are determined not to be dependent upon Indians for their catch.

Lord Derby has been telling the people of Preston, England, that Canada is a loyal, prosperous, happy and generous country.

The Bishop of St. David's counsels the Welsh clergy to keep to their parochial duties as much as possible.

By doing our proper work we shall be defending the Church, and other more effective than any organization of agitation.

The Manchester ship canal will be ready to be opened to traffic on January 1.

We announce, with the deepest regret, the death of Mr. William J. Stair.

The success of the recent Victoria and New South Wales loans have induced the Province of British Columbia to announce today the issue of a new loan.

A despatch from Cape Town says the Matabele have fired again on the police of the South African Chartered Company.

The exhibitors of Canadian fruit at Chicago, who have received an award of honor, make quite a respectable exhibition on their own account.

The action of the archbishop of Canterbury in declining to attend himself, or to sanction the attendance of any representative of the Anglican church at the religious at Chicago, has been variously criticized.

An idea of the situation in the States was furnished by Senator Blackburn a few days ago, when he said: "The people behind us are impatient and have a right to be impatient."

The record of paid admissions to the Chicago Fair for September was 4,639,502, compared with 3,515,493 for August.

A late London despatch says? It is being proved at last that the rebellious spirit manifested in the enforcement of the land laws in Ireland is not due to the Crofters of Scotland have been driven by desperation to the same methods.

Mellila, where the Spaniards have been attacked by the Moors, is the remnant of the considerable Moorish territory once held by Europeans and of which England's share was Tangiers.

A representative of The Legal and Commercial Exchange has been travelling through the northern district of Ontario, and writes very enthusiastically in the latest daily issue of The Exchange of the resources and prospects of that great region.

It is the perfection of the well matured plant properly cured by expert growers. Mild flavored, bright and of matchless quality; Mastiff Plug Cut pleases the most fastidious.

They come to look, they stay to buy, they go away pleased and satisfied. -Carters' Bookstore. Come to the musical entertainment to-night.
