## In Memoriam

**CHARLES KELLY**

The death occurred at his home in Bear River on June 27th of Charles Kelly in his eighty-sixth year. Although ailing for some time, the deceased was active and ambitious until only a few weeks prior to his death when his illness necessitated permanent confinement in bed. During his illness he was visited frequently by his pastor, Reverend George MacDonald who administered to him the last rights of Holy Mother Church, of which he was an exemplary member.

Fortunate at being born and reared in an age when labor was morea ppreciated and understood, and not so much tainted by the mechanisms of mid-twentieth century, he was always conscious of the value of a good day's work. His hand and his head worked in perfect harmony, and the simplicity and sincerity of his manner were imprinted on his every completed task. Whether at carpentry, in which field he was proficient, or as a farmer, his one goal was to do his very best and to use every available moment until his project was accomplished.

He proved beyond all doubt that labor is a spontaneous response to nature. Work is something natural, becoming to man's make-up, and is not just a guarantee of remuneration and vacation. Consciously or not, this man exemplified in a wonderful way the dignity and satisfaction produced by a good honest hard day's work, and a prosperous farm, homestead and bounteous family give splendid testimony of his convictions. He and his wife the former Frances MacIntyre, for over fifty years worked diligently and assiduously to rear their family carefully and to provide for the future, a problem which confronts every country couple, and which in this case was met and gloriously overcome.

His family comprising a priest, school teachers, farmers, carpenters and other well-married members speaks well for the powerful blending of religion and industry which was so evident in the late Mr. Kelly.

This man needs no monuments of bronze or brass. He lives on in the hands and hearts of all who ever knew him. His name, long before his death, was synonymous with hard work. In all the items which comprise his heritage, the most precious gem of all is his personal, invaluable lesson on the necessity, dignity and visible effects of conscientious work. For two days relatives, friends and neighbors came to pay their final respects to the late Mr. Kelly, a great father, neighbor, an unassuming yet very social-minded citizen.

His funeral which was very largely attended and was under the direction of Dingwell Brothers Souris, was held at St. Margaret's Church on June 30. Solemn Mass of Requiem was offered by his son Rev. John D. Kelly, P. P., Miscouche, assisted by Reverend George MacDonald, P. P., St. Margaret's, as Deacon and Reverend Wendell MacIntyre as Sub-deacon. Reverend Floyd McGaugh acted as Master of Ceremonies. The following members of the Island Clergy occupied seats in the sanctuary: Rt. Rev. Msgr. J. S. Murphy, D. P., P. P., Souris; Rev. W. D. MacDonald, P. P., St. Columba; Rev. W. A. Keefe, P. P., Rollo Bay; Rev. W. V. MacDonald, D. D., P. P., St. Peter's; Rev. George MacCormac, P. P., St. Andrew's, Rev. J. N. Trainor, P. P., Lot 7; Rev. R. MacDonald, P. P., Seven Mile Bay and Rev. E. B. Steele, Curate at Souris. Following the absolution, the remains were taken to the family plot in the cemetery where the services were conducted by the pastor Rev. George MacDonald.

The pallbearers were Messrs. Stephen A. MacDonald; Reginald Costello; J D. MacAdam; Chester MacPhee; Charles McCloskey and Robert Gallant.

He leaves to mourn his passing, besides his sorrowing wife, one sister, Mrs. J. J. MacDonald, Bear River. All the other members of the Kelly family are deceased.

His family consists of John (Rev. J. D. P.P., Miscouche); Mary, Mrs. John Coleman, Hyde Park, Mass.; Howard, New York; Peter on the homestead; Adolphus, St. John, N. B.: Katherine, Mrs. Xavier Mooney, Bear River; Charles, employed with the Civil Service Commission, Ottawa; Eleanor, Mrs. McGrath, Sussex, N. B.: Gerald, Dorchester, Mass.: Cecilia, Mrs. John Hanlon, Borden, P. E. I.; Kenneth, killed while serving with the Royal Canadian Navy in 1944.

## Hurricane Flora Now 650 Miles Off Bermuda

MIAMI, Fla., (AP) — Storm forecasters predicted Monday night that hurricane Flora, now larger than ever, will curve into the North Atlantic before it becomes a threat to the American mainland.

Its highest winds are now 100 miles an hour and hurricane force winds of 75 miles an hour or more extend 115 miles north of the centre.

The storm was centred some 650 miles east southeast of Bermuda at 5 p.m., moving at 17 miles an hour on a northwest course. The location was 1,270 miles southeast of Cape Hatteras. N. C.

"When Flora advances a little farther west, we expect it to get into an upper current of air flowing from the south. This should head it further north while it is still well away from the coast," Cecil Gentry of the Miami weather bureau said.

## Record Holiday Crowd At CNE

TORONTO, (CP)— They started arriving early Monday at the Canadian National Exhibition and kept coming at such a rate a record Labor Day crowd was indicated.

Traffic squads, with Saturday's snarled lines of vehicles fresh in mind, routed through traffic away from the six-lane lakeshore drive to allow easier entry to the exhibition grounds.

A total of 303,500 persons kept turnstiles clattering Saturday at a record pace to smash the former peak of 296,500, reached the first Saturday last year.

Officials looked at Monday's jammed grounds and cautiously suggested attendance for the day would be more than the 294,500 of the 1954 Labor Day.

## Card of Thanks

Mrs. Charles Kelly and family wish to express their sincere thanks to their pastor, Rev. George MacDonald, to all who sent Mass Cards, Messages of Sympathy, etc., and to all their kind friends and neighbors who helped in many ways during their recent bereavement.

## Arrest Murder Suspect In Saskatchewan Slaying

EDMONTON, (CP)—One of the most intense manhunts in western Canada came to a quiet end Monday with the arrest in a downtown rooming house of John Petlock, 35, wanted on a murder charge.

Petlock, sought since last Monday when five of his relatives, including his mother, were found slain on a farm near the small community of Fenwood 80 miles northeast of Regina, gave up without a struggle.

RCMP and city police arrested the 35-year-old farmer as he was leaving the rooming house after the landlady had notified RCMP earlier in the day that one of her roomers was the wanted man.

Police said the man readily admitted he was Petlock. He is in RCMP barracks, awaiting only formal identification before he is returned to Saskatchewan.

**FIVE FOUND SLAIN**

The search for Petlock was launched after the bodies of five persons were found at his brother's farm.

Shot three times each with a single-shot .22-calibre rifle were Michael Petlock, John's 34-year-old brother; John's 72-year-old widowed mother, Mrs. Harry Petlock; Michael's wife, Angeline, 21; and their two young daughters, the oldest about three.

Ten thousand dollars, the family savings, was missing from the Petlock homestead.

Two RCMP and two Edmonton detectives, all in plain clothes, made the arrest of the man who had been staying at the rooming house since early last week.

The landlady became suspicious because he seldom left his room and gave her few chances to get a good look at him. After his picture appeared in an Edmonton newspaper, she felt she was positive. Petlock, who carried no baggage, had rented the room by the week.

At one stage last week, police staged an unsuccessful search of a transcontinental CPR train bound for Vancouver.

## Canadian Jet

fighter made an impressive debut with high-speed runs and the tightest turns ever seen at Farnborough.

The annual exhibition of the British plane makers—shop window for the British aircraft industry—unveiled many of Britain's secrets, including the de Havilland gyron gas turbine, the world's most powerful jet engine. It is rated at 15,000 pounds static thrust.

Another new British turbine, the Rolls Royce convey bypass, was seen flying for the first time mounted under the belly of an Ashton four-jet transport.

Also going through its paces was the big new British jet airliner, the Comet IV, due to go into service with British Overseas Airways in 1958.

A spectacular contribution was provided by the RAF with a mass fly-past of 12 Valiant four-jet bombers and 64 faster-than-sound Hawker Hunter fighters. Both planes are in squadron service.
