SOUND SLEEP IS SURE

If You Perfect Your Digestive System With Dodd's Dyspepsia Tablets.

You get up Refreshed and Vigorous, Ready For Your Day's Work—Your Bones and Head Don't Ache.

"Oh! These hot, sweltering nights! Sleep is possible. I toss and roll about in misery. When daylight comes after long and weary waiting, my head aches, my eyes pain, I am tired and sore in every joint.

"My blood is hot and feverish, my breath is offensive, my tongue is furled, and generally, my face is disfigured by pimples.

"What must I do to overcome this condition, to get sound sleep, rest and relief? This is the question a lady asks.

The answer is easy. She must take a treatment of Dodd's Dyspepsia Tablets.

The secret of her trouble is bad blood. Her digestive system doesn't work properly in this overpoweringly hot weather.

"Imperfect digestion brings on sleeplessness, headache, pimples, etc.

Dodd's Dyspepsia Tablets, taken one after each meal, digest the food perfectly, thoroughly and promptly.

Pure, cool blood is thus secured, in abundance.

Headache, nervousness, sleeplessness, and "that tired feeling," all vanishes when the blood is pure.

And Dodd's Dyspepsia Tablets make pure blood certain. They supply it themselves by digesting the food.

They restore the stomach and other digestive organs to thorough and perfect health, the small tablets that go with every box regulate and stimulate the bowels, and bring about perfect co-operation among the different digestive organs.

Dodd's Dyspepsia Tablets are sold by all druggists, at fifty cents a box, six boxes \$2.50; or are sent on receipt of price, by The Dodd's Medicine Co., Toronto, Ont.

How a person can gain a pound a day by taking an ounce of Scott's Emulsion is hard to explain, but it certainly happens.

It seems to start the digestive machinery working properly. You obtain a greater benefit from your food.

The oil being predigested, and combined with the hypophosphites, makes a food tonic of wonderful flesh-forming power.

All physicians know this to be a fact.

ABDALLAH'S LESSON.

Abdallah, pious above all mankind, Who dwelt in Mecca, morning, noon and night His voice to Allah raised in prayer contrite. Was he and humble, pure in mind.

Inspired of heaven he—not so his wife. She daily stood the market place within And bought and sold, nor deemed it any sin To mingle there in scenes of toil and strife.

While thus he prayed she earned the food he ate. But oft he reprimanded her. Said he: "Thou shouldst devote thy life to prayer. Like me."

Serve not thyself. Allah alone is great!"

At last his words sank deep into her heart. Said she: "While Allah shall my poor life spare My voice to him I'll raise in holy prayer. Henceforth of righteousness I am a part."

Abdallah's heart was glad, and, side by side. They prayed until the sun in heaven was high.

Then hunger to the pious man drew nigh And loudly clamoured to be satisfied.

Abdallah's wife still prayed. No food was there.

The good man's soul was vexed. "Thy plain," he said, "market and find none present." We offer a reward of \$1,000, to be devoted to any charitable institution if any druggist or doctor can find the least trace of that deadly drug Cocaine contained in Dr. Chase's Cathartic Cure.

"That even piety must needs be fed, And man cannot exist alone by prayer."

And thus he learned "Faith, without works, is dead."

And, profiting by what he learned, straight way He went to work and prospered from that day.

And thanks to Allah gave for daily bread.

—Arthur J. Burdick in Godey's Magazine.

NEW WORDS NEEDED.

There is one thing that has not yet been "treated" by the universal improver—that pest who tries to set everything right—and that is our English language. None but foreigners have as yet had cause to complain of it, every Britisher seems to be satisfied with it—except me.

Now, why aren't there more words? We have something like 150,000, but that is not enough, and we often experience difficulties on this account.

For instance, when a bus topples over in the street the newspapers boom out with long winded headings about "the falling over of a bus," "collapse of a bus," or "the overturning of a bus," etc. But these are more or less clumsy. Clearly it is the word "overturnism" that is wanted. "The overturnism of a bus" hits the situation perfectly.

Then, again, if you want to say that a hundred Gordon highlanders were annihilated by an Arab tribe, you could considerably shorten your sentence by the concise expression, "Arab killment of 100 Gordon highlanders."

Thousands of colloquialisms could be modified in a similar way. The awkward word photograph could be changed to "fotofy," puncture to "punk," cigarette to "cigarette," situation to "sitation" or "sitment," and so on.

In more sentimental matters new words would be a decided boon. A man somehow can't help blushing when he calls the woman of his heart "sweet-heart," "lover" or "intended." They are ugly words. "My girl," of course, is low, and "fiancee" is avoided because it cannot be pronounced properly. "Lovist," "splicer" or "matcher" are infinitely more tasteful and convey the proper meaning.—London Answers.

AGONIZING PAINS

Endured by those who Suffer From Sciatica A Victim Tells How to Obtain Relief.

Probably no trouble that afflicts man kind causes more intense agony than sciatica. Frequently the victim is utterly hopeless, the least movement causing the most agonizing pains. To Those who are suffering from this malady the following statement from Mr. John Hayes, Hayesville, York Co., N. B., will point the road to relief and cure. Mr. Hayes says: "For upward of twenty years I have suffered from weakness and pain in the back. Some four years ago my trouble was intensified by Sciatica settling in my right leg. What I suffered seems almost beyond description. I employed three doctors but all to no purpose: I had to give up work entirely, and almost despaired of life. This continued for two years—years filled with misery. At that time I was advised to try Dr. Williams' Pink Pills, and after six boxes both the sciatica and the weakness in the back which had troubled me so long, were gone. I was again a well man and feeling fifteen years younger than before I began the pills. Nearly two years has passed since I discontinued the use of Dr. Williams' Pink Pills, and in that time no symptom of the trouble has shown itself. Under God I thank Dr. Williams' Pink Pills for what they have done for me."

Mr. Hayes voluntarily testifies to the truth of the above statement before Edward Whosead, Esq., J. P. and his statements are further vouched for by Rev. J. N. Barnes, of Stanley, N. B.
