against Old Fogey Business Ideas, is one of the little jobs we have on hand this season. The old business rule is "charge all the profit the customer will stand."

To this proposition we say: No, Sir; not any of that for us, what we do is, charge as little profit as we can stand; and we are not in business for our health, either. We live to make money, but we are convinced it can not be done by plundering the public. A close price makes a sale and a friend. We'll take ours that way. Close prices. Good friends.
