IN MEMORIAM

In loving memory of our father and mother who passed away Dec 14th 1919, and July 10th, 1950.

Gone from us but leaving memories Death can never take away — Memories that will always linger While upon this earth we stay.

No one knows how much we miss them None but aching hearts can tell Lost on earth but found in heaven

Jesus doth all things well. Ever remembered by her daughters Susan, Gertrude, Tharley, and adopted son.

Card Of Thanks

I wish to express my sincere thanks and gratitude to Dr. J. K. Beer, nurses and staff of the Prince County Hospital who were so kind to me during the past three weeks I spent there. Also to St. Thomas W. A. and to all kind friends and neighbors who sent me so many lovely cards and letters. They were very deeply appreciated. To each and every one I say "Thank you". MRS. Further Progress Reported By Credit Union President

The following report, showing further marked progress in the organization's activities, was submitted by Mr. Cyrus Polier, President of the P. E. I. Credit Union League at the annual meeting at St. Dunstan's University yesterday.

Once again it affords me great pleasure to greet, and welcome you to this, the fifteenth annual meeting of the P. E. I. Credit Union League Limited. It is also my pleasure to welcome all the visitors who have come to help us make this convention a success. It is with deep sorrow that we have to record the passing of our beloved sovereign King George VI on February 6th of this year. He was a kindly man, and gave his subjects an example of living which we could well emulate. The elevation to the throne of Queen Elizabeth II was an event of great rejoicing by all her subjects, and especially for our Island people as it was only a few months before her ascension to the throne that we had her in our midst.

It is also with deep regret that we record the death of Rev. Father Douglas MacNeil who died on December 19th, 1951. He was a real co-operator and his work in the credit union and co-operative movement will long be remembered by the people at home and abroad. We are happy to report progress among our credit unions for the

Mr. and Mrs. Charlie Adams and little daughter were recent visitors in Summerside.

The Cody sisters, Miss Wilma and Mary are spending a few weeks in Sea View with their grandparents, Mr. and Mrs. John Cody.

Mr. and Mrs. Stephen Gillis and Mr. and Mrs. Bill Cody, Summerside, were visitors at Spring Valley and Sea View recently.

The many friends of Miss Florie Bradley will be pleased to know she has returned home from the City Hospital.

The little Misses Burgess of Boston, Mass., are spending the summer in Sea View with their grandparents, Mr. and Mrs. John Cody.

Mr. H. Newton, District Passenger Agent, C.P.R., Saint John, N.B., is a guest for a few days at the Charlottetown Hotel.

Mr. and Mrs. Stephen J. Power and daughter Elizabeth have returned to Cambridge, Mass., after spending two weeks at the summer cottage of Mrs. Power's parents, Mr. and Mrs. James E. Compton of Belle River.

Mr. and Mrs. D. C. Schurman and Mrs. G. C. Warren and son Earl who attended the Agricultural Convention at Ottawa and afterwards visited Toronto, Niagara Falls and several American cities have returned home.

Mrs. F. L. Hennessey with her three children, Patricia, Frank, Jr. and Maureen of Montreal, spent a few days last week with her parents Mr. and Mrs. L. W. Saunders before going to their summer cottage at Tracadie Beach. Mr. Hennessey will join his family in August for a holiday.

Mr. Jack Roop of the Permutt Co., Birmingham Plant, Mount Holly, New Jersey, leaves this morning on return to Mount Holly after spending a few days visiting his parents, Mr. and Mrs. J. M. Roop, North River Road.

Miss Mary E. Trahnor, Charlottetown, left on Tuesday morning, July 1, for Fredericton, N. B., where she will attend the summer session of the Teachers' College, University of New Brunswick. In September Miss Trahnor will again resume duties as principal of West Royalty.

last year. Savings have increased by over \$50,000, making the total assets of all credit unions, as of September 30th, 1951, \$894,616.79. It is not necessary at this time to go into details of operation of the credit unions. Your Managing Director, Mr. Dennis, will deal with these in detail. But I want to say, before we go any further, that the progress shown is not sufficient. Sixteen credit unions show a decrease in assets from the previous year, two credit unions have not been active, and a great number of credit unions have only made very minor increases. Fourteen credit unions have increased their assets by \$1,000.00 or over. Tignish Credit Union has increased their assets by over \$32,000.00.

Educational Program

I would suggest to this meeting that consideration be given to institute an educational program for credit union members and others. Monthly meetings could be held, devoting half of the time to promotional work, and the remaining portion to recreational program. I would also suggest short courses for treasurers and directors of credit unions to be given in co-operation with the St. Dunstan's Extension Department.

We must develop leaders among the younger people in all sections both for our credit unions and our co-operative associations. The older people are gradually leaving on account of age, etc. and we must have leaders to take their places.

We must also strive at our annual meetings to appoint directors who will be interested in credit union work who will be willing, and be in a position to devote sometime to managing and promoting the advancement of their credit union. We must create better facilities for credit union members by appointing sub-treasurers throughout the districts, whereby the members who are far away from the credit union office would be induced to save more regularly. The organization of the Share and Loan Department to conform with the National Credit Society should be considered.

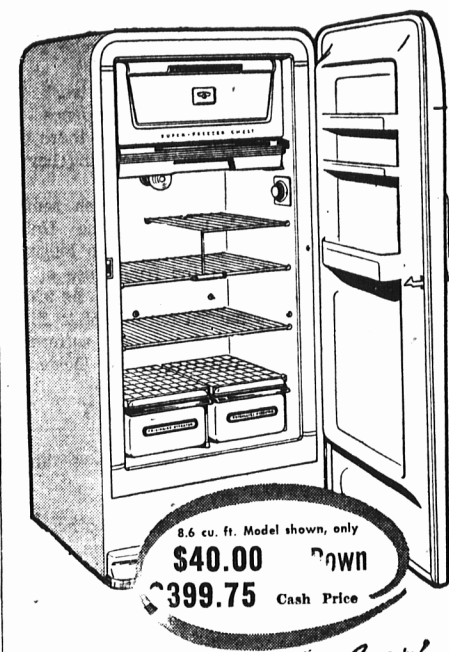

Grant Decreased

The Government of the Province has decreased the grant of \$4,500.00 by \$1,500.00, leaving the grant for this year at \$3,000.00. We understand that it is the intention of the government to continue decreasing this grant each year until it is completely wiped out. All other provinces have helped and are still helping considerably to finance the credit union societies and to some extent co-operative associations in their province. This year the bonding of the treasurers of credit unions has been changed over to Cuna. Nearly all credit unions in the province have availed themselves of this

service. Considerable field work has been done by your fieldman Mr. Joseph MacIsaac both among the credit unions and co-operatives. Forty-five study clubs were organized and most of these continued throughout the winter months. This work will no doubt be reviewed in Mr. Dennis' report. The inspection of credit unions is far ahead of other years to date, fourteen credit unions having been inspected.

Mr. J. G. Dennis, our Managing Director was appointed to the Board of Directors of the Cuna Supply Co-operative. This is the first time that we had a director from this province.

At a joint meeting of the Board of Directors of the Credit Union League and the Co-operative Union of P. E. I., held on September 5th, 1951, an executive committee of five was appointed from both organizations to study questions and problems submitted for consideration at directors meetings. This it was felt would expedite business at such meetings. I hope your deliberations during this meeting will be constructive and I would ask you to take part in all the discussions here today. Unless we do this we will just be wasting our time.
