Two Fires At Alberton Yesterday Extinguished

Two fires, which broke out shortly after one o'clock yesterday at Alberton were extinguished after considerable effort by volunteers and members of the Alberton Fire Dept. While the brigade were attempting to control a fire in an 8° by 30 workshop on the premises of Howard Clark, they were notified of a barn fire at Edgar Johnston's about half way between Elmsdale and Alberton. Several volunteers left for the barn fire but no fire equipment was available.

The firemen fought a stubborn blaze for almost two hours at Clark's with the fire continually breaking out inside the walls and roof which were insulated with shavings. All machines and tools in the large building were taken outside. The north wall of the workshop was almost completely destroyed and heavy damage was caused to the roof and interior of the building by the fire which spread from a burning pile of rubbish and grass.

A small building adjoining the Johnston barn was destroyed but the barn was saved by the untiring efforts of neighbours and volunteers who refused to give up and continued to pour water on the roof and walls of the barn. Fortunately a strong wind, which hampered the fire fighters, was blowing away from the nearby house which was not in danger. Cause of the barn fire is not known. Members of the Alberton detachment of the R. C. M. Police assisted at both fires.

Big Catches Of Herring At Tignish

The acute shortage of herring for baiting lobster traps this year at all fishing areas on Prince Edward Island was relieved greatly yesterday at Tignish when over 9,000 lbs was landed by Stephen McInnis and Claud LeClair. The day previous these two fishermen landed approximately 10,000 pounds in nine nets.

This splendid catch, the largest appearance of herring this year, was quickly disposed off locally at $15.00 per thousand lbs.

S'side Rotary Club Shown Safety Film

The weekly meeting of the Summerside Rotary Club was held at Mulberry Lodge at noon on Tuesday.

Rotarian Frank Daley was in charge of entertainment and had for guest speaker, Mr. Ben Beck of the Summerside High School, who showed a very interesting film on the modern equipment used, along with safety precautions used in the handling of gasoline. It emphasized the efforts taken to protect the public by special schools being held for training of drivers in all safety precautions. The main feature stressed was the non-fire hazard in the proper handling of gasoline.

President Vaughan Groom read an extract from the news of the Saint John Rotary Club. It stated if one visited a different Rotary Club daily for twenty-five years you could not cover all the clubs in the world. Rotary International really covers the world and is still growing.

Group Captain W. H. Swetman extended an invitation to the Rotary Club for next week's luncheon to be held in the R.C.A.F. mess. It will be held at the usual time and day. All visiting Rotarians will be welcome.

Melvin Pollard Wins Zone Final Oratorical Contest

Melvin G. Pollard, 12, 382 Colville Blvd., Byron, won top honors last night in the Zone Two finals of the Optimist International oratorical contest, at the London Optimist Youth Centre.

In winning, Melvin defeated two other contenders, each winners in contests in the clubs they represented. They were David Grant, 15, Aylmer, and John Gilbert, 15, Lambeth.

Roy Pollard, the winner's father who formerly conducted oratorical classes, coached all of the boys in Byron's contest, and was especially proud of his son, who won the opportunity to advance into District 15 finals in Toronto on his second effort before an audience.

The winner Melvin Pollard is a grandson of Mr. and Mrs. Bert Wood, Graham's Road, P.E.I.

The district finals will be May 19, and the winners of that contest will advance to the International Optimist finals in Los Angeles in June, with a $1,000 prize hinging on the outcome.

All the boys spoke on the topic "Freedom, Our most Important Heritage."

New Officers Named, Essay Prizes Presented By Lions

Election of new officers and the presentation of prizes to three grade 7 winners in an essay contest sponsored by the club highlighted the bi-monthly meeting of the Summerside Lions Club held last evening at Birch Hill Lodge under the chairmanship of King Lion Herb Schurman who was succeeded in office by King Lion Russ Kelly.

The three winners of the Lions Club sponsored blind essay contest were present at the meeting as guests of the club and were presented with their prizes. They were: 1. Miss Helen Kelly; 2. Master James Hogan; and 3. Miss Jane Graham.

These students were the winners out of some 400 essays submitted in Prince County. The essays, which were really excellent and well written, were read by Lion Bob Schurman. They cleverly described the blessing of sight and handicap of blindness, and illustrated how essential it is that every effort be devoted to the conservation of sight during childhood A presentation of a cheque was made to each of the winners by the president.

The business of the meeting started with the reading and approval of the minutes of the last meeting. Lion Dick Sawler, chairman of the ladies' night committee gave his report, and it was decided that this should be held on Wednesday, May 23rd, commencing with dinner at Birch Hill Lodge and continuing with a dance at the Summerlea Restaurant, formerly Howard's Restaurant.

ANNOUNCING THE SECOND HOME GROUNDS AND BEAUTIFICATION CONTEST

ORGANIZED BY THE SUMMERSIDE LIONS CLUB IN CO-OPERATION WITH THE SUMMERSIDE COMMUNITY PLANNING ASSOCIATION.

Improve the grounds of your home and have an opportunity to win one of the many cash awards. A photograph is taken of each entrant's home grounds before and again after the contest and the judging for cash awards is based entirely on the degree of improvement shown.

With the co-operation of all citizens we can make SUMMERSIDE the most beautiful town in the Maritimes.

Like the farmer who was always "turning his fields over" in his mind, community effort can be a great and exciting thing to talk about and to plan, but unless somebody does something about it, nothing much happens. The Summerside Lions Club second "Home Grounds and Beautification Contest" is exciting to consider—Clean, well kept lawns, trim hedges, and attractive gardens. Exciting to consider—and now a definite possibility through the co-operation of all citizens of Summerside during the Lions Club Home Grounds and Beautification Contest. If each one of us lends a little time and effort to the campaign, it is surprising what an improvement will result in the appearance of our community.

Entries may be sent or phoned, between 9:00 a.m. and 5:00 p.m. to Radio Station CJRW in Summerside, Dial 2201, and will be received up to and including Friday, May 18th, 1956.

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.
