Steadfastness.

Waste not the present hour in vain regret
For prizes forfeited in days gone by;
It naught avails for fair winds lost to sigh
Or mourn the glow of suns forever set;
Entomb thy past, bid Memory forget
The fixed and changeless years that rearward lie;
Charge but thy constant soul with purpose high,
And life shall cede thee of its treasures yet.

The Now is thine, a goodly battlefield
Whereon all past defeats redeemed may be;
Fight bravely on and vanquished foes will yield
Thy valiant sword a path to victory.
'Tis cowards droop and moan, "It might have been!"
"It yet shall be," the steadfast cry, and win.

—Rev A. B. O'Neill, in Donahoe's Magazine for March.

Important Discovery.

TORONTO, Feb. 20.—Among the surprising strides made by medical science in the last decade perhaps none is of more importance to humanity than the discovery of a cure for Bright's Disease of the Kidneys. That this remedy completely masters this terrible disease as well as all the other diseases which the kidneys are subject to is now an established fact. Every day brings news of the most surprising cures resulting from its use. The case of Mrs. Brown, of Toronto, who, when about to enter the Home for Incurables, given up by the hospital authorities as well as by fifteen prominent medical men, also that of Sam Murray, of Gravenhurst, who was given up by four doctors and who was paid his life disability claims by the Grand Trunk Ry., has attracted widespread attention. Both were completely cured by Dodd's Kidney Pills.

COD LIVER OIL has long been justly celebrated as a lung healer. Alone it is difficult to take, but combined with the Hypophosphates in Puttner's Emulsion, it is agreeable to the taste, and unequalled by any other medicine for weak lungs.

The Commercial Advertiser says: Under the provisions of the Geary law, all Chinamen not photographed and registered will be expelled from this country May 6, and as practically none have complied with the law, preparations are already under way to provide for their expulsion. News of the contemplated exodus has reached China, and reports from that country declare that the expulsion of the Celestials will be the signal for many massacres of foreign residents of China.

My physicians and friends advised a change of climate as my only hope. HAWKER'S BALSAM OF TOLU AND WILD CHERRY was recommended to me, and I am happy to say that I was entirely cured before I had used two large bottles. I consider it to be truly a wonderful medicine, and cheerfully recommend it to all so afflicted.
