

# Brooklyn Overcomes Six-Run Giant Lead And Scores Three In Ninth To Win 12-8

NEW YORK (AP)—The National League leading Brooklyn Dodgers, six runs behind at one point, packed away a 12-8 victory over the New York Giants with three runs in the ninth inning Friday night after Don Zimmer had scooted home from second on catcher Ray Katt's errant throw to break an 8-8 tie in the eighth.

Manager Leo Durocher used seven pitchers while his Giants blew a 6-0 lead up in the first three innings off Brooklyn ace Don Newcombe.

Three of the New York hurlers—John McCall, Don Liddle and Paul Giel—came on in the ninth when the Dodgers, after whacking three homers and a triple in their comeback drive, wrapped it up. A pair of second basemen, Zimmerman and Don Hoak—were the big guys in the comeback by the injury riddled Dodgers. Zimmerman, who scored as Katt tried to catch him in a steal of third in the eighth, had four hits, including a one-on-home run that capped a five-run Brooklyn rally in the ninth. Hoak brought the Dodgers even in the fifth with his solo homer off Ray Manzoni. Hoak was filling in for Jackie Robinson at third base. Zimmerman was a second base replacement for Gilliam, who replaced Carl Furillo in right.

WASHINGTON (AP)—A downpour came to the relief of Tommy Byrne Friday night and preserved a 3-0 shutout over Washington for the New York Yankees' lefthander in a game called in the last of the seventh inning after the Senators had scored a run and had the bases filled with two out. The score reverted to the sixth inning.

Jim Konstanty replaced Byrne but never fired a pitch. A heavy rain developed into a deluge as he arrived on the mound, necessitating a halt. The game was called one hour and 15 minutes later.

Byrne thus scored his second successive shutout against the Senators, both three-hitters, and extending a string of scoreless innings against Washington to 20. He has won seven games this season, four against the Senators.

CHICAGO (AP)—Big Bob Lemon of the Cleveland Indians turned the Chicago White Sox back 1-0 Friday night before a crowd of 38,326 to become the first 12 game winner in the American League.

The powerful righthander did allow a ball hit out of the infield in 11 hours, 10 minutes. Stuart Keate, publisher of the Victoria Daily Times, presented him a check for \$1,000 and he has \$1,800 for him at his starting point of Port Angeles.

By STERLING SLAPPEY ST. ANDREWS, Scotland (AP)—Peter Thomson of Australia Friday became the fourth golfer to win two consecutive British open golf championships, shooting a par-72 on the final round for a 72-hole total of 281, a record for open play on St. Andrews' hallowed Old Course.

The 25-year-old Aussie, runner-up in the British Open for two years before winning it for the first time last year, came home two strokes ahead of Scotland's John Falloon who finished with a 284.

In making it two straight, Thomson matched the feat shared by Bobby Jones of the United States (1926-27), Walter Hagen of the U. S. (1928-29) and Bobby Locke of South Africa (1948-50).

His 71-68-72—281 was 11 strokes better than the Old Course record set by Jones in 1927 and broken earlier Friday by Falloon's 73-67-73-70—283.

NEVER OVER PAR He shot par or better on each of his four rounds and wound up seven strokes under the par 288 for the tough 6,836-yard course.

Thomson was on the sixth hole Friday when he learned that Falloon was hot and heading home in a away and except for a rugged session in the bunkers on the 14th, finished like an old-timer.

Thomson had a seven at the 14th but that was no disgrace on this famed course.

One of Thomson's hottest challengers, Christy O'Connor of Ireland, had an eight on the same hole.

He has his sights set on other targets already. "If I can get in shape, I'd like to try the Catalina swim and the straits of Gibraltar," he said.

In crossing the strait, he fought the pain of a cramp that stiffened his right leg for four miles.

His leg was sore from an accident which occurred minutes before he entered the water, when he banged it against a hand brake

## S. I. Dairy, B.Y.C. And Lions Win City Softball Games

The Sunshine Island Dairy, B.Y.C. and Barry's Lions were all winners in City League softball games played last night.

Dairy won out over the Navy in a game that featured a pitchers' duel between Hartinger of the milkmen and Stull of the Tars, and some classy fielding on the part of both teams.

In two trips to the plate Hartinger led the way to his own victory by getting two of the 9 Dairy hits in two trips and MacIntyre had two for three.

Jim Bradley led the Navy attack with a 2 for 3 effort. Billy Wright made the play of the night when he raced to his left to spear Apps Arsenault's liner.

Ralph Pineau pitched an eight hitter and Joe Thistle hit a three-run homer to lead the B.Y.C. to their 11-7 win over the Abbies.

Danny McCormack went the distance for the losers and was touched for nine blows.

Bull Dunn blasted a grand-slam homer for the Abbies and Will Shepherd had 2 bingles in four trips.

Clarey Peters was the top hitter for the B.Y.C. with 3-5. Rival centerfielders, Paddy Shepherd of the Abbies and Father Roche of the B.Y.C. played stellar games in the field.

Dempsey Gregory pitched the Lions to their 9-6 win over Keeffe Drug with an eight hitter. Wally Constable on the mound for the losers gave up ten hits.

Hilson Carr and Duke McCallum were the offensive stars for the Lions each banging out three hits. One of Carr's hits was a double. Monaghan, Scantlebury and Constable each had a pair of hits for the Keeffers.

Defensively Tiger Bradley played a great game for the winners as did Keith Dalziel for the Drugists.

There is no fee for the instruction nor are students required to join the Tennis Club, but any junior wishing to do so may contact the caretaker at the courts or senior members.

Plans are being made to hold evening classes at the B.Y.C. courts and will be announced more fully later.

The weekly shoot was held on Monday and Thursday evenings and a great many gunners on hand to join in the shooting.

Many new gunners are showing up each week, and are posting unusually high scores for new skeet shooters. One in particular, Bill Morrell, has fired only a few rounds of skeet and already has his name up with the leaders.

The clubhouse is nearing completion and the new electric traps have arrived; within two weeks the new Charlottetown Gun Club range should be just about complete.

Drop out, shoot a round or if you wish just watch, you'll come back. Following were the leading gunners this week:

Bob Hyndman	Possible	25
Ron Atkinson	24	
Dr. G. Houston	23	
Hugh Simpson	22	
O. S. Harper	21	
Art Hogan	21	
Bill Morrell	21	

On Saturday, July 16, a district team shoot will take place, teams to consist of three shooting members. Any number of teams may enter. It is hoped that strong teams from Milton, York, Alexandria, Summerside and Charlottetown will enter. Shooting will get underway at 1:15 p.m. Conditions of the match will be announced at that time. Suitable prizes will be awarded to the winning team.

There will be a practice for the Keeffe Drug this afternoon on the Old Diamond at 1:30.

Next came Locke with 74-69-70-72-285. Bernard Hunt of England, Flory Van Donck of Belgium, Antonio Cerda of Argentina, Harry Weetman and Ken Bousfield of England had 286 and O'Connor and Ronaldo Barbieri of Argentina, 287s.

Top amateur was Joe Conrad of San Antonio, Tex., British amateur champion, who had 72-76-74-71—288.
