-SOCIAL EVENING - A social evening was held in the Summerside Presbyterian Church Hall on Thursday when the members of the Girls' Junior Choir, who were scholarship winners in Charlottetown at the Musical Festival, were entertained by the Mothers. Games and contests were enjoyed by the girls and Mrs. J. S. Perry gave a humorous reading. The minister, Rev. J. Donald MacKay, addressed them and after congratulating them gave some counsel for the future. He also expressed appreciation to Mr. Thomas Hall who directed the Girls' Choir, and to Mrs. Cleve Whalen, the organist. A special feature of the evening was the presentation of a gift to Mr. Hall and to Mrs. Whalen by Miss Mary Mountain, on behalf of the choir. An expression of thanks was given to Mrs. J. W. MacKenzie and to Mrs. Harold Hall, who had made the choir gowns for the girls. Delicious refreshments, including ice cream and cakes, were served by the ladies.

-NEAR ACCIDENT - New Annapolis railway crossing was the scene of another near accident yesterday about 10 a.m. when a motorist courted death and almost lost his race to beat a train across the tracks. A New Annapolis resident,

-ENLISTS WITH AIR FORCE at the Summerside recruiting unit on Thursday was Francis Benedict Trainor. Mr. Trainor, who is married, lives at Mt. Stewart and has enlisted as a cook with the rank of LAC. He is presently awaiting posting instructions.

-FIRST SWIMMERS - Two Summerside boys, Tommy Mackenzie and Jimmie Noonan, on Wednesday afternoon became the first of the new year to test the warmth of the water by swimming in the Summerside harbor. The boys went swimming off the railway wharf, a favorite swimming spot at Summerside and they reported the water to have been warmer than might have been expected. This swimming exploit is believed to have been eleven days earlier than the first dips taken last year at Summerside.

-LARGE PARSNIPS - Mr. Louis Moose, New Annapolis, left at the Guardian Office, Summerside, yesterday some unusually large, firm parsnips which he had grown. One of these, on being weighed, tipped the scales at 2 lbs. 10 1/2 ozs. At current market prices it would have a retail value of 30 cents. This parsnip was about five inches in diameter at the butt end and the others in the collection, while not quite as large, were very similar in size and condition.

-COURT AT ALBERTON - There were five cases on the docket at the Alberton court house yesterday with Magistrate R. S. Hinton, Q.C., presiding. A resident of Roseville, charged with drunken driving with a horse and wagon, was convicted and fined \$100 and costs. A fisherman from Montrose was charged under the Fisheries Act with digging clams with a motor boat, was fined \$150 and costs. Three cases of being intoxicated in a public place, one from Cape Wolfe, one from Howland and one from Duvar, were each fined \$20.00 and costs.

-ENJOYABLE CARD PARTY - An enjoyable card party was held by the Ladies' Auxiliary of the Canadian Legion, B.E.S.L., in the Legion Home on Water Street on Wednesday night, May 14th. Bridge and auction forty five were played. The first prize for the ladies was won by Mrs. Delma Arsenault, and consolation prize by Mrs. Philip Arsenault. The first prize for men was won by LAC, Bob Frew. Consolation prize by Jack Arsenault. First prize for bridge went to Mrs. Wilfred Perry, consolation, Mrs. Julian Gallant. Winning the door prize was Mrs. Reginald Gay. A delicious lunch was served by the ladies of the auxiliary.

-EXHIBITION DIRECTORS MEET - A directors meeting of the Alberton Prince County Exhibition Association was held last night in the court house with John P. Wallace presiding in the absence of the president, Lester Wallace. An additional class for horses, draft or percheron, in farm wagon, was added to the prize list and several changes in domestic science classes, which were recommended by the ladies in charge of these classes. Several additional prizes were also added to the dairy classes. Changes were also in the classes for field roots and a full class for dual purpose Short-horn cattle. The next meeting is to be held when the 1952 prize list is completed, which is expected to be the latter part of June.

-NOTTINGHAM, England - (CP) A boxer here had an easy victory when he won an ounce over-weight while weighing in for a bout. He shed excess baggage in the form of his dental plate.

Contestants In School Parade Are Entertained

Handling Bait At Cold Storage Plant

The full contract entered into between the P.E.I. Industrial Corp. and the Jenkins Brothers Company of Summerside for the supplying of the Cold Storage plant with 250,000 pounds of herring, as bait for use by the lobstermen, is expected to be completed by the middle of next week.

In former years it had been the practice to store the herring loosely with the result that generally it was necessary to "shove" them out when fishermen wanted them. This year they will be frozen in lots of 25 pounds each and it is felt that this method will prove more economical as the fishermen can take a solid block of bait which will keep better overnight and still be thawed ready for use in the morning.

It was believed that there were about 180,000 pounds of herring in storage at the Escher street plant last night.

STREET REPAIR

(Continued from Page 1)

Queen St. from Richmond to Fitzroy; Gt. George St. from Water to Euston; Elm Avenue from Euston to Spring Park St.; Richmond St. from Pownal to Hillsboro; Prince St. from Sydney to Allan St. (this includes Upper Prince); Weymouth St. from Water to Fitzroy; Grafton St. from Weymouth to the railroad crossing at Canada Packers.

Streets marked for "patching" are Brighton Road from North River Corner westward to the Park Roadway; Ambrose St. from Brighton Road to McGill Avenue; McGill Avenue from North River Road to Spring Park Road; Spring Park Road from Euston to Bayfield; Fitzroy St. from Government Pond to Weymouth St.; Grafton St. from West St. to Pownal; Queen St. from Water St. to Richmond St.; Richmond St. from Hillsboro St. to Weymouth St.

Certain other streets will receive attention if time and money permit. Included among those are Dorchester and Sydney Sts.

who witnessed the incident, reported that the driver had a miraculous escape and that his car must have just brushed the front of the engine in his race across the track in front of the approaching train. The train immediately was braked and came to a dead stop but the "chance taking" motorist went luckily on his way without even pausing. Residents of this district report that numerous foolish chances are taken at this crossing, almost daily, by motorists who completely disregard the caution signs that indicate a railway sign and others who flirt with, sudden death or injury in their haste to "beat the train across the tracks."

S'ide Students Win From Teachers In Ball Game

The male members of the teaching staff of Summerside High School and Academy issued a challenge two days ago to play an exhibition softball game with an all-star team from the students and the challenge being accepted, the game was played yesterday afternoon on the Recreation Grounds softball diamond, the boys winning out by the score of 34-20. Some really scintillating plays were seen, and some others which call for adjectives, which perhaps had better not be printed.

The students were ahead at one stage of the game by the score of 23-6, but the professors finished strong and succeeded in making the final score a little more respectable looking. Davis Lidstone's running catch in centre field in the third inning was strictly big league, and Davis got a big hand for his brilliant effort. The batting and fielding of Gabriel Chalanson was a big surprise, and George Walker supplied great deal of the attacking power of the demagogues. "Peg" McNeill lived up to his nickname by making some perfect pegs to first from his position in short field, and Clarence Mercer's base-running was worth the price of admission.

Benny DesRoches covered a lot of ground in right field, but mostly after the ball had landed safely and was rolling on its merry way out of the ball park. With a little more practice and the injection of a few monkey glands the teachers might be able to hold their own with the student ball tossers.

Jimmie Noonan, grade ten student, acted as umpire-in-chief, and after strenuous arguments, over the teachers, changed some of his decisions. After all, Jimmie is taking his terminal examinations next week.

Lifeguards - C. Alexander Campbell; Lloyd Heffel, 1b; Lee Cooke 2b; Lavin Soburman ss; Clive MacDonald 3b; McCampbell outfield; John Whalen, Vance Harris, Nell Walker.

Teachers - C. George Walker, Art MacKinnon p & 1b; 1b & p Norman MacDonald; 2b Tommy Hall and Clarence Mercer; ss Francis McNeill; 3b Ray Morrison; outfield, Davis Lidstone, Jim Murphy, Benny DesRoches, Elmer Pineau, Gabriel Chalanson.

-AW. 2 Frances McAlduff arrived Thursday evening from Aylmer, Ontario where she is stationed with the R.C.A.F. to visit her mother, Mrs. Frank McAlduff, Alberton.

-Mr. and Mrs. Lorne Carruthers, accompanied by Mr. Major Carruthers and Miss Doris Carruthers, attended the Commencement Exercises at Mount Allison University, Sackville, N.B., on Tuesday, when their son, Errol Webster Carruthers, was graduated with the degree of Bachelor of Science.

-Th many friends of Mr. and Mrs. James MacKenzie, Kensington, are pleased to see them out again, after a severe attack of "flu". Mr. and Mrs. MacKenzie accompanied by Mr. and Mrs. James Sheen, motored to Long River on May 11th.

-NOTTINGHAM, England - (CP) A boxer here had an easy victory when he won an ounce over-weight while weighing in for a bout. He shed excess baggage in the form of his dental plate.

Sport Echoes From Prince County

The "rinkless" town of the Maritimes is going to do something about that uncompromising objective at last. Mayor Henry Wedge figured that if the town was going to come up with a new rink, it was up to him to come up with a new wrinkle. He did. He worked out a plan which looks sure-fire from all angles, and which is getting a lot of verbal support at least. Before the drive is over, virtually every member of the community will be asked to contribute in some form or other to the common cause.

We have to hand it to the town's chief magistrate for his ingenious scheme. His first dream, the Summerside Recreation Grounds, is now an accomplished fact. If we put our shoulders to the new wheel he has built, and grease the axle with our very best efforts, Summerside will one day have a rink of which we may all feel proud.

The Island League will operate under an interlocking schedule with Summerside and Charlottetown operating branch schedules of their own and the two centres coming together for games less frequently. This should help the clubs to finance the season's activities without going too far into the red. Travelling will be kept at a minimum, and that of course, is the big item of expense baseball teams around here have to cope with.

It begins to look as if the ladies' softball league in Summerside is going to attract a lot of attention this summer. Cold, uncompromising weather has failed to dampen the enthusiasm of the girls trying out for the various teams, Andy's Aces having a particularly large turnout of feminine ball tossers Wednesday evening. We'd judge that Walter Piers and Joe Clark could pick out a pretty strong team from the girls that were present.

Stedman's had a workout that same afternoon. The turnout was smaller, but some likely looking candidates were present. Joan St. to start of the stars of the Bobby Sox of a few years ago, was in this group. Joan could really give the softball a push in those days. Barbara Currie of the old Rangers was out with Andy's Aces. They always moved back the outfielders when Barbara stood at the plate. Maybe she still has the knack. Speaking of Barbaras, there are two playing for Grade Eleven teams in the High School League that you coaches had better not pass up. Barbara Woodside and Barbara Dalton can give the apple quite a ride, and they both can help out with the pitching chores if you're a bit weak in that department.

We were impressed with the work of Grade Nine in their last practice. Those kids show a lot of promise. If they could only pick up a good coach!

Seven Men

(Continued from Page 1)

A parade of crown witnesses testified during the preliminary hearing that Capt. Baldoock ordered or supervised loading of various items at the camp. Police testified to raids on the Escher Brothers yard and the Brockville iron works.

Reported Removal of Pipes - Lieut. D.G. Elmer, works officer at Petawaya during 1950 and 1951, said he reported removal of sewer pipes apparently in good condition to Capt. Baldoock who was with him on the job. He said Young replied that the truck was loading broken tile. Lieut. Elmer said this was not so.

Raids on junk yards were described by Cpl. R.W. Mallock and Constable Case Arnold. Arnold listed 119 heavy kitchen ranges, between 14 and 20 stove heaters, 50 steel drums marked "Petawaya Military Camp" five cement block cases and 50 shower stalls.

He said he found them while visiting in Jacobson's junk yard in Brockville last March 2.

Police Move

(Continued from Page 1)

Injuries, mostly cuts, fire chief John Carlisle said. The cause of the blaze had not been determined, he added.

Damage was estimated at \$1,000,000 by A.J. Besselman, southwestern tank terminal superintendent.

Fire-fighting equipment from the Corpus Christi naval air station and a naval disaster unit joined in attempting to keep the fire under control.

The fire started in an 80,000-barrel kerosene tank about 4 P.M. E.D.T. Oilmen said it might burn for days.

Ten men were working around the tank just before it exploded. Seven were in a truck 50 yards away at the time. Three men were on a dike around the tank.

One of them, L.M.J. Machieck, said: "I heard a muffled explosion, and turned around to see the top of the tank rise in the air. I heard four blasts."

AUCKLAND, N. Z., May 16 - (Reuters) - William Marshall, chairman of the Dairy Products Marketing Commission, said today New Zealand will be able to provide Britain with about 134,000 tons of butter this year - the same amount as in 1951.

LONDON, May 16 - (Reuters) - Britain has agreed to buy \$800,000 worth of canned salmon and about \$150,000 worth of canned crab meat from Russia, a Food Ministry spokesman said today. The purchase is part of a deal

Indian River Presents Play In Provincial Series

A large audience was present in the King George Hall at Kensington last evening when the Indian River Dramatic Club presented their comedy-drama "Eyes of Love" as the second of the play-offs in the rural class for three-act productions.

The audience gave the members of the cast a most enthusiastic reception when they appeared for the curtain call, showing their appreciation of the fine manner in which the performance had been presented.

Rev. Louis P. Callaghan, director of the play, acted as general master of ceremonies and welcomed the audience. During the evening he also introduced Mrs. Fred Gates, president of the Provincial Drama Festival Association, and Mr. H. Barry Bugden, adjudicator of the play.

Following the performance, Mrs. Gates welcomed those in attendance and explained the aim of the provincial festival.

In his remarks to the audience, Mr. Bugden found much to praise in the play, and offered constructive criticism on the production as a whole, and to each performer individually.

Selected as best actress was Miss Donalds MacDonald who played the part of "Gallya"; and selected as best actor was Sydney Heckbert who played a dual role of "Jim Rankin" and "Pedro."

Following the adjudication before the audience the adjudicator met with the cast and its director and talked over the individual performances with them.

He was thanked for his assistance and helpful suggestions by Father Callaghan.

Also appearing in the play were the following: Mary Cameron as "Carolina"; Helen MacDonald as "Reeta"; Gerald Glover as "Burt Wade"; Hilda Ramsay as "Mrs. Barry"; Bernard MacLellan, as "Judge Barry"; Agatha MacLellan as "Lora"; Thomas Turner as "Clark"; Gerald McQuaid as "Royal Manion."

They will receive specialties during intermission, and were provided by the MacDonald Sisters' choral group of Fort Augustus, with solos by Helen MacDonald.

New Canada-U. S. Newsprint Controversy

OTTAWA, May 16 - (CP) - A new Canada-United States newsprint controversy appears in the making with indications of a strong American protest against a proposed increase of \$10 a ton in the price of Canadian newsprint for export.

A federal spokesman disclosed today that Canadian newsprint producers intend to make the boost before July 1 next to offset exchange losses. The government decided not to interfere, though it could do so under emergency powers.

The price boost, second in a year, would have no effect on the price of newsprint to Canadian publishers who absorb about six per cent of Canada's production, the highest in the world. The United States takes 89 per cent and other countries about five per cent.

The proposal had a sharp reaction in the U.S. In Washington, Ellis Arnall, U.S. price stabilizer, told a press conference that he objected and urged that the requested increase be denied by the Canadian Government. He said he also promised a number of U.S. publishers to fight the boost, but added: "We have no control over Canadian prices."

Last year when a \$10-a-ton boost was announced, Michael V. Disalle, Mr. Arnall's predecessor, put up an unsuccessful fight against it.

NOMINATE MODERATOR

HALIFAX, May 16 - (CP) - The Halifax Presbytery of the United Church of Canada have nominated Rev. Gordon A. Sisco, D.D., LL.D., as their representative for church moderator. The new moderator will be named at the 15th annual general council meeting in Hamilton, Ont., next September.

under which Britain will supply Russia with \$580,000 worth of canned herring.

Death Thursday In Toronto Of Cascumpec Man

It was with deep sorrow that the people of Cascumpec and surrounding districts learned yesterday that Mr. Ernest Hudson, a former resident of Cascumpec, had passed away Thursday evening at seven o'clock in a Toronto hospital where he had been a patient for the past ten days. He was seriously injured in an automobile accident on May 3rd at Toronto.

The late Mr. Hudson was a son of Mr. and Mrs. Brenton Hudson of Cascumpec and was 28 years of age. He was a veteran of the Second World War, serving as air gunner with the Royal Canadian Air Force during which service he was badly wounded in action against the enemy and received the award of the Distinguished Flying Cross. Following his discharge he moved to Toronto where he occupied a position as fisheries inspector.

Besides his sorrowing wife, the former Gloria Sheffield of Toronto, he leaves to mourn his loss, three children, Bryan, 5, Valerie, 4 and Robert, eight months. Also the following brothers and sisters: James, Summerside; Walter, Vernon and Everett of Cascumpec; Everett of Rosebank, Velds, Mar, Edmonton and Sue in Summerside.

Following a service at Toronto the remains will be forwarded to Cascumpec. Funeral arrangements were not completed.

Special Ash Tray For Prime Minister

OTTAWA, May 16 - (CP) - Prime Minister St. Laurent, a cigaret smoker, will be presented next Monday with an ash tray made from the casing of the first shell fired by Canadian forces in the Korean war. The presentation will be made by Vice-Admiral E. R. Mainury, chief of the naval staff. The shell from which the ash tray was made was fired Aug. 15, 1950 by the destroyer Capt. Jeffrey V. Brock of Winnipeg.

Executive Of Baseball League

Charles Hogan, well-known coach of Summerside baseball and hockey teams, has been appointed vice-president of the Prince Edward Island Baseball League. This completes the executive which is as follows: President, George Francis, Charlottetown; vice-president, Charles Hogan, Summerside; secretary-treasurer, D. J. McCormack, Charlottetown Club representatives, Abbie Intermediate, Tommy MacFarlane Abbie juniors, Ev. McNeill; M. C. A., Roy McCabe; Holman's, Norman MacDonald; Curran & Briggs juniors, Bob Schurman; R. C. A. F./L Bill Palmer.

NOTICE

This is to advise that Mr. J. R. Holman, managing director of the P. E. I. Produce Co. Ltd., has tendered his resignation which has been accepted, effective May 15, 1952.

Signed, GEORGE H. BROOKINS, President

As I am retiring from farming I will sell by public auction my stock and farm implements consisting of one mare; four milk cows and four year-olds; one sow, bred; five hogs; binder; two hay mowers; grain drill; two sets of lever harrows, three sections and two sections; four ploughs for three-furrow and two-furrow; riding plough; gang plough and single plough. Two rakes, 10 feet and 9 feet; hay loader; two team truck wagons; box cart, practically new; driving wagon; horse hoe; separator, new; grain treader; wood sleigh; two pung sleighs; jaunting sleigh; set of Page wire stretchers; team harness; cart saddle; pads and breechings; collar, traces and hames; carpenter tools and several other articles.

If day unfit sale will be held first fine day following.

Arthur J. Stewart, Murray Constable Auctioneer.

POULTRY COMMENT

Last week a poultryman sold here thirty nicely dressed, young fowl in a two hour period, realizing 3c per lb.

Everyone wanted to know how soon he would be coming back.

The poultry industry is making rapid changes. Fresh poultry is in demand every day of the year.

Our present old fashioned way of everyone saving up a year's supply and marketing it altogether in a few short weeks in the Fall is sadly out of date.

Why not forget the moaning and try out aggressiveness, hustle and salesmanship.

S. R. Pendleton KENSINGTON

SPECIAL MEETING

A Special Meeting of the O'Leary Farmers' Co-Operative Ass'n. Ltd., will be held in the O'Leary Hall on the 20th day of May at 8 p.m., for the purpose of a discussion re the erection of a New Co-Op. Store, after which the meeting will be open for any other business.

All Members are urged to attend and express their views pro or con.

Will Address P.W.C. Graduates On May 30

Hon. W. E. Darby, Attorney General and Provincial Treasurer, will address the graduates at the Prince of Wales College convocation on Friday, May 30. Dr. Frank MacKinnon will give the Principal's address and Charles Agnew, 4th year student, will deliver the Valedictory. The exercises commence at 10 a.m.
