Continued from page 1

## Will Preside

Include scripture reading by Irene Coffin, president of the Students Council, and Invocation by Rev. A. Frank MacLean, B.A., president of the Ministerial Association. Introductions and remarks by the chairman will be followed by greetings from Lieutenant Governor T. W. L. Prowse, Premier A. W. Matheson, Hon. Keir Clark, Minister of Education, and Dr. Lloyd Shaw, Deputy Minister of Education. A musical number by Queen Charlotte High School Senior Girls Chorus will be followed by greetings from His Worship Mayor J. D. Stewart.

The ceremony of the passing of the keys of the building to the superintendent of schools, K. A. Parker, will be followed by remarks by him and the passing of the keys to Principal L. T. Lowther, who will also speak briefly. The members of the school staff will then be introduced, after which the presentation of a portrait of Queen Charlotte will be made by Dr. Frank MacKinnon, principal of Prince of Wales College. The meeting will close with the Queen.

A general inspection of the new school building will follow.

**SALMON ARM, B.C. (CP)** — Missing: 9,500,000 gallons of water each month from the city's water system. City council members are trying to find the reason.

Queen Charlottetown High School Staff: Front row (left to right): Ruth Boswell, Mus. Ass., Mrs. R. Brewer Auld, Ethel Taylor, Alta Prowse, B.Sc., Doris Ferguson, Lynnie Aitken; 2nd row: N. S. MacLeod, Bessie Prowse, Mrs. M. J. Kingston, Ann Matheson, D. B. MacBeath, B.A.; 3rd row: Earl Nicholson, J. A. S. Williams, B.A., (Vice-principal), A. W. Kennedy, LeBaron E. Tait, W. H. Horton, B. A.; last row: Lt. Col. L. T. Lowther, B.A., O.B.E., (Principal), F. G. Bovyer, H. H. Jenkins. Not in picture—Mrs. Doris McKay, Art Supervisor, Jack Turner, physical training.

## DIVERSIFY INDUSTRY

**SHIPPEGAN, N.B. (CP)** — Fishing is still the leading industry here, as it has been for a century, but the peat moss industry now employs hundreds of men in spring and summer. A box factory, sash and door plant and fish processing plants help keep menfolk at home.

## FOR YOUR CHILDREN'S CHILDREN

You are understandably pleased if you are a parent of one of the youngsters who will attend the new fireproof Queen Charlotte High School.

The attractive exterior of Shaw-made Chipman Tapestry Face

Brick and the interior construction of Shaw-made Thermocrete units assure efficiency and permanent protection that will guard your children's children and your grandchildren's grandchildren. You have built wisely and well.
