## Build a Butler metal building

...with advantages you want at prices you can afford

Butler metal buildings perform every function of high-priced traditional buildings, yet, for equal quality, they cost less to buy, erect and maintain!

Butler metal buildings are pre-engineered and mass-produced. You get the benefits of highly specialized engineering, plus precision-formed parts that assemble quickly into a permanent, weather-tight building.

Butler metal buildings are so economical they are widely used for warehouses and terminals, yet so attractive and well made they are also used for offices, factories and retail stores. If you can afford to build as all — you can build better with Butler. We'll show you why. Call or write today.

## Island Flower Show Scheduled For August

**SUMMERSIDE BUREAU OF THE GUARDIAN**

The eighth annual Provincial Flower Show, sponsored by the Abegweit chapter of the IODE will be held this year August 25-28 at the Baptist Church Hall in Summerside.

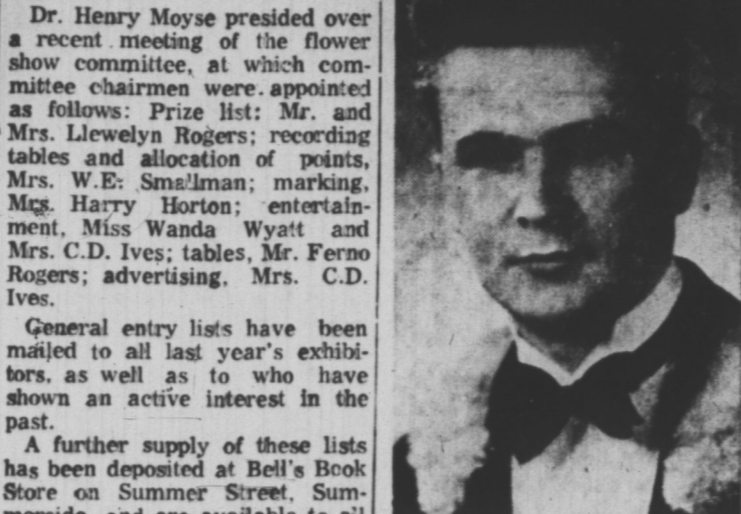

Dr. Henry Moyle presided over a recent meeting of the flower show committee, at which committee chairmen were appointed as follows: Prize list: Mr. and Mrs. Llewelyn Rogers; recording tables and allocation of points, Mrs. W.E. Smallman; marking, Mrs. Harry Horton; entertainment, Miss Wanda Wyatt and Mrs. C.D. Ives; tables, Mr. Ferno Rogers; advertising, Mrs. C.D. Ives.

General entry lists have been mailed to all last year's exhibitors, as well as to who have shown an active interest in the past.

A further supply of these lists has been deposited at Bell's Book Store on Summer Street, Summerside, and are available to all garden enthusiasts. In addition they can be readily obtained by out-of-town exhibitors, through a written request to Mrs. Arthur Allen, P.O. Box 134, Summerside.

It was decided to continue with the practice of awarding ribbons for 1st, 2nd, and 3rd place in each category, in addition to special prizes of cash, etc., as this innovation has been well received by the public.

This year's official opening ceremony will be held in the evening instead of the afternoon, thereby giving a large number of persons the opportunity to attend.

## Maritime Scotsmen Plan Tourist Flight

A group of Prince Edward Island and Maritime Scotsmen will make a special tourist flight to Scotland this summer to attend the Edinburgh Festival, the Braemar Games and similar Scottish events if present plans materialize, it has been announced by George V. Fraser, organizer of the tour.

Quite a number of Island Scotsmen have expressed a desire to visit the land of their forefathers and, as a result, arrangements are being made to charter an aircraft for a special trip to Scotland.

The plane, which will provide seats for over 60 passengers, would leave Moncton about August 23 with the return flight scheduled for September 15. This would enable the group to see the various festivals and Highland Gatherings, visit the Burns Country and tour parts of the Highlands.

A reduced fare is being offered the group and special hotel arrangements would be made for the stay in Scotland. Some would be making side trips to other parts of the United Kingdom. "Already a number of persons in Prince Edward Island and Nova Scotia have booked passage and, if enough others are interested, the flight will be made," Mr. Fraser said.

## Spud Prices Remain High

Prince Edward Island white potatoes were being wholesaled in Montreal for \$265-\$3.00 per 75 pound bag according to the latest daily potato market report issued by the federal department of agriculture on Tuesday. In Toronto the price was \$2.75-\$3.15 per 75-pound bag for Island potatoes.

This indicates that Island potatoes continue to demand a premium price of 50-55 cents more than New Brunswick potatoes, which were wholesaling at \$2.15-\$2.35 at Montreal and \$2.20 to \$2.50 in Toronto.

California whites were bringing \$5.75-\$6.00 per 100-pound bag and Florida reds were being sold at \$3.35-\$3.50.

The movement of Island potatoes by rail and water from Aug. 1, 1958 to May 19, 1959 is shown to be 10,407 carloads compared to 11,663 during the same period last year.

## OLD SCOTLAND
