JUD BROWN'S DESCRIPTION THEREOF.

Concluded.

Every blamed man, woman and child in the house stared at me, and shouted, 'Put him out! Put him out!' 'Put your great-grand-mother's grizzly, grey, greenish cat into the middle of next month!' I says, 'Tetch me if you dare! I paid my money and you just come a-nigh me.'

'With that, some several p'liceman run up, and I had to simmer down. But I would a fit any fool that laid hands on me, for I was bound to hear Ruby out or die. He had changed his tune again. He hopt, like ladies, and tip-toed fine from eend to eend of the key board. He played soft and low and solemn. I heard the church bells over the hills. The candles in heaven was lit one by one; I saw the stars rise; the great organ of eternity began to play from the world's end to the world's end, and all the angels went to prayers. Then the music changed to water, full of feelin' that couldn't be thought, and began to drop, drop, drop, drip, drop, clear and sweet like tears of joy fallin' into a lake of glory. It was sweeter than that, it was as sweet as a sweetheart, sweetenin' sweetness with white sugar, mixed with powdered silver and seed diamonds. It was too sweet. I tell you the audience cheered. Ruben he kinder bowed, like he wanted to say, 'Much obliged but I'd rather you wouldn't interrupt me.'

He stopped a minnte or two to fetch breath. Then, he got mad; he shoved up his sleeves, he opened his coat-tails a little further, he drug up his stool, he leaned over and, sir, he just went for that old pianner. He slapt her face, he boxed her jaws, he scratched her cheeks till she fairly yelled. He knocked her down and he stamped on her shameful. She bellowed like a bull, she bleated like a calf, she howled like a hound, she squeeled like a pig, she shrieked like a rat and then he wouldn't let her up. He run a quarter stretch down the low grounds of the bass, till he got clean into the bowels of the earth, and you heard thunder through the hollows of caves of perdition; and then he fox chased his right hand with his left, till he got out of the treble into the clouds, whar the notes were finer than the points of cambric needles, and you couldn't hear nothin' but the shadder of 'em. And then he wouldn't let the old pianner go. He for'ard, he cros't over first gentleman, cros't over first lady; he balanced to pards, he chased right—left, back to places; he all hands'd round'; ladies to the right; promenade all, in and out here and there back and forth, up and down, perpetual motion double and twisted and tied down, and turned and tacked and tangled into forty-'leven thousand mixtery. And then he wouldn't let the old pianner go. He fetcht up his right wing; he fetcht up his left wing; he fetcht up his centre; he fetcht up his reserve. He fired by by files, he fired by platoons, by company, by regiments and by brigades He opened his canon, siege guns down thar—Napoleon's here, twelve-pounders yonder, big guns, round shot, shells, grapnels, grape, canister, mortars, mines and magazines, every livin' battery and bomb a-goin at the same time. The house tumbled, the lights danced, the walls sunk, and the floor come up, and the ceilin' come down, the sky split the ground rockt, heavens, and earth, creation, sweet potatoes, Moses, ninepence, glory, tenpenny nails, my Mary Ann, hallelujah, Samson in a simmons tree, Jeroosal'm, Tramp Beattie in a tumbler-cart roodle-oodle-oodle-oodle-oodle-oodle-udle-udle-udle-raddle-addle-addle-addle-addle-riddle-iddle-iddle-reetle-eetle-eetle-eetle-eetle—p-r-r-r-r-lang! p-r-r-r-lang! per lang! per lang! p-r-r-r-r-r-r-lang! BANG!

'With that *bang*! he lifted hisself bodily into ihe air, and he came down with his knees, his ten fingers, his ten toes, his elbows and his nose, striking ever single solitary peg on that pianner at the same time. The thing busted and went off into seventeen hundred and fifty seven, five hundred and forty-two hemi-demi-semi quivers and I knowed no me. When I come two I were under the ground about twenty feet, and in a place they call Oyster Bay, treating a Yankee that I never laid eyes on before, and never expect to again. Day was a brakin' by the time I got to the St. Nich'las Hotel and I pledge you my word, I didn't know my name. The man asked the number of my room. I told him. *Hot music on the half-shell for two.*

"THE ENAMORADO"

A DRAMA IN V. ACTS,

—BY—

HUNTER DUVAR

THE above interesting book is for sale at all the Bookstores on the Island.

Col. Duvar is happy in having selected for the theme of his drama, one of the most romantic incidents of a romantic and soldierly time. The scene is laid in Spain, amid all the accessories of grave and gay, love and chivalry, poetry and song, with room for the display of many types of character,—knights and ladies, priests and soldiers, courtiers and peasants, cooks and clowns. Many lyrics in the author's best style are interspersed in the dialogue, which is, in general, quaint and sparkling.

Price: Paper cover, 50 cents; in cloth, 75 cents.

CATARRH.

Constitutional Catarrh Remedy

CURES CATARRH.

Hear what a Reverend Gentleman says of the Constitutional Remedy.

T. J. B. HARDING, Esq., Brockville, Ont.:—

DEAR SIR—It is now two years since your "Constitutional Catarrh Remedy" was introduced to me. I have waited this long to see if the cure would remain permanent before doing this, my duty, to you, as at first the happy effects seemed to me to be "too good to be true."

I was afflicted in my head for years before I suspected it to be Catarrh. In reading in your Circular I saw my case described in many particulars. The inward "drop" from the head had become very disagreeable, and a choking sensation often preventing me from lying long, I would feel like smothering and be compelled to sit up in the bed. My health and spirits were seriously affected. When your agent came to Walkertown in August, 1876, I secured three bottles. Before I had used a quarter of the contents of one bottle I found decided relief, and when I had used two bottles and a third, I quit taking it, feeling quite cured of that ailment, and have not used any since until of late I have taken some for a cold in my head.

A sense of duty to sufferers from that loathsome disease, Catarrh, prompts me to send you this Certificate, unsolicited, with leave to make what use of it yon may see proper.

Yours truly,
W. TINDALL, Methodist Minister.

The Greatest Medical Discovery since the Creation of Man, or since the Commencement of the Christian Era.

There never has been a time when the healing of so many different diseases has been caused by outward application as the present. It is an undisputed fact that over half of the entire population of the globe resort to the use of ordinary plasters.

DR. MELVIN'S CAPSICUM POROUS PLASTERS are acknowledged by all who have used them, to act quicker than any other plaster they ever before tried, and that one of these plasters will do more real service than a hundred of the ordinary kind. All other plasters are slow of action, and require to be worn continually to effect a cure; but with these it is entirely different: the instant one is applied the patient will feel its effect.

Physicians in all ages have thoroughly tested and well know the effect of Capsicum; and it has always been more or less used as a medical agent for an outward application; but it is only of very recent date that its advantages in a porous plaster have been discovered. Being, however, convinced of the wonderful cures effected by DR. MELVIN'S CAPSICUM POROUS PLASTERS, and their superiority over all other plasters, they now actually prescribe them, in their practice, for such diseases as rheumatism, pain in the side and back, and all such cases as have required the use of plasters or liniment. After you have tried other plasters and liniments, and they have failed, and you want a certain cure, ask your druggist for DR. MELVIN'S CAPSICUM POROUS PLASTER. You can hardly believe your own convictions of its wonderful effects. Although powerful and quick in its action, you can rely on its safety for the most delicate person to wear, as it is free from lead and other poisonous material commonly used in the manufacture of ordinary plasters. One trial is a sufficient guarantee of its merits, and one plaster will sell hundreds to your friends.

Ask your druggist for DR. MELVIN'S CAPSICUM POROUS PLASTER, and take no other; or, on receipt of 25 cents for one, $1 for five, or $2 for a dozen, they will be mailed, post paid, to any address in the United States or Canadas.
