

Local and Other Items.

ENGINEERS.—The Charlottetown Engineers will not meet for drill this evening.
POLICE COURT.—One drunk was fined \$20 or 30 days this morning, and another \$1 or 4 days.
STILL UNREPAIRED.—The platform on the South side of the Market House is still dangerous. Why is this?
PICNIC.—Don't fail to read the advertisement in to-day's issue giving full particulars of the grand picnic next Monday.
I. O. O. F.—The Second Degree will be conferred at Fort la Jolie Encampment this evening. A full attendance is requested.
SHIP NEWS.—The schooner Warrior arrived at St. John's yesterday with 375 barrels of cornmeal and 250 barrels flour consigned to J. G. Sterns.
WATER RATES.—Water-takers would do well to remember that to-morrow is the last day of grace allowed for paying the rates for the present quarter.
ADMISSION 10 cents to the Hon. David Laird's lecture upon "Our Forest Trees," before the Natural History Society in Philharmonic Hall next Monday evening.
WELL INSURED.—The Halifax Herald says that the late James Lear, who died suddenly at Moncton a short time ago had over twenty thousand dollars insurance on his life.
AT IT AGAIN.—The Diamond Bookstore man says that the Salvation Army are trying to "Hudoo" people to attend their services on next Monday and Tuesday evenings.
TO BE REPAIRED.—St. Mary's globe house, Halifax, is to be altered and repaired at a cost of \$8,000. A new front will be built, having a tower in the centre. A new concrete basement floor will also be put in.
THE RIFLE.—The annual Prize Meeting of the Provincial Rifle Association will be held at Kensington on Monday, 21st July, inst. The usual prize list has been prepared, and will be forwarded to captains of companies at once.
MASONIC TEMPLE.—The general annual meeting of the stockholders of the Masonic Temple Company will be held at Masonic Hall, Water Street, on Wednesday the 9th day of July inst., at 8 o'clock p. m.—J. T. COCKERT, Secretary.
DAMAGE BY HAIL STORM.—At Upper Gagetown, Queen's County, N. B., on Monday, hailstones shattered sixty panes of glass in the Temperance Hall, and many also in private houses. Lightning accompanied the storm, and some cattle were killed.
VERY SUCCESSFUL.—Those who attended the tea at Kinkora yesterday, report that it was a decided success.—A goodly number went to Peakes Station in the special this morning to attend the grand tea at that place. The weather is splendid.
EARLY PEAS.—In the garden of Mr. John Heintz, owner of Great George and Beacon streets, an EXAMINER representative was last evening shown some green peas that were finely developed—almost ready for table use. We have not seen any peas this season that were so far advanced.
TIPPING ON THE DECLINE.—There are eight hundred sleeping and dining-car porters running into Chicago who will strike soon unless they get a raise to \$40 a month. They now get \$15. The tipping system is, they say, on the decline, and they are compelled to ask for an increase in wages on this account.
THE NEXT ATTRACTION.—We understand that the next great attraction in the way of summer entertainment is likely to be a "Social Concert" in the Hillsborough Rink on similar lines to that given last summer by Messrs. Logan and Sobieski, and which made so decided a "hit." Thursday of next week will be the probable date.
BROUGHT HOME FOR INTERMENT.—The remains of Mr. Wm. Jenkins arrived here last evening, and were forwarded to the home of his parents at Lot 49. This exemplary young man was, until about two years ago, a clerk in the store of Messrs. Dodd & Rogers of this city. The climate of Omaha did not agree with him, hence his early death. We sympathize with his friends in their affliction.
HELP THE BLIND.—Prof. C. F. Fraser, of the Halifax School for the Blind, and some of the pupils of that institution gave one of their highly interesting entertainments to a large audience in Y. M. C. A. Hall last evening. This institution is doing good work, and is worthy of every encouragement. It is pleasing to learn that the new wing to the school building, the want of which has been so greatly felt in the past, is now under construction, and the school will shortly be re-opened with greatly increased accommodation.
MORE MIRACLES.—The Montreal Gazette says: The steamer Three Rivers, which took 1,150 pilgrims to Ste. Anne de Beaupre on Wednesday, has returned, and there are reports of miracles having taken place at the famous shrine. L'Etendard gives the names of three people alleged to have been cured. One is Miss Elvina Proteau, cured of paralysis after three years' suffering. She was given up as incurable by the physicians of Hotel Dieu, yet is said to have recovered the full use of her limbs, whereas before she was unable to walk even with the use of crutches. Another case is that of Auguste Plessis dit Belair, a 12-year-old boy living with his parents at 109 Wolfe Street, who is said to be cured of an affection of the nerves; and the third is that of Stanislaus Lafrance, the 13-year-old son of J. B. Lafrance, who lives at 305 Malouine Street, who was relieved of inflammatory rheumatism.

Supreme Court.

JULY 9.
Charles Lyons vs. Wheatley. The jury in this case, after a few minutes' deliberation, gave the plaintiff a verdict for \$177, the full amount of his claim. Motion for plaintiff; Stewart for defendant.
In the case of Doyle vs. the Island Guardian, Mr. Justice Hensley gave his decision this morning, granting the application of the defendants for a certificate to deprive the plaintiff of their costs. Under this decision each party pays their own costs; it appears that wherever a verdict in an action for a wrong is given for less than ten dollars, if the Judge who tries the case certifies that the case was not brought to try a right besides the mere right to recover damages, and that the grievance was not willful and malicious, and that the action was not fit to be brought, then the plaintiff cannot recover his costs against the defendant. In the Doyle case, the verdict being for less than ten dollars, an application for the certificate was made with the above result.

A Disastrous Cyclone.
