The Joys And Sorrows

EVERY job has its joys and sorrows and sportswriters get the share of each every endeavour to cover sports scenes. We do think, however, that the joys outnumber the sorrows and the greatest compensation is the knowledge that the man who does the most competent job is the one who makes you that much easier.

Where tournaments are concerned, you certainly do need the fullest co-operation of the tournament committee chairman. If you get it, you're in luck. If you don't, then you surely have a tough assignment on your hands.

It has been our good fortune through the years to run into folks who went out of their way to facilitate matters. These folks running the tournaments appear to have had the greatest understanding of the benefits to both sides that result from co-operation with the press, and have done their part in a superb way. We have faced curling and golf tournaments which looked like backbreakers but the end they were easy affairs to cover. But the easiness came about because those running the tournaments showed the utmost consideration. These folks do not average for their sports projects and they felt top assistance by their would insure just that.

We had a junior golf tournament recently at Belvedere and Winter Club and looking back I can't say the man at the helm for the N.B.-P.E.I. sports activity. Bob not together with us in plenty of time and worked out a plan of attack for the two-day meet. Bob was so cooperative that the whole affair looked easy.

Predictions were that the affair would end about 6:30 Sunday evening. However, checking with Bob Sunday afternoon we decided it would be a bit earlier. So we rounded up a photographer. That's not the end of the matter. We had to get to the local course to get pictures for Monday's papers. But we set up and extended our pictures as long as we could get our pictures just as soon as the last foursome finished play.

The Interfering Mainlander

IN that last foursome were Champion Gordon Leslie, runner-up Don Boyles and champion Pierre Rossignol. These three were all members of the inter-provincial team which goes to Victoria, B.C. last month. The fourth member of the team is Ron Giguere who finished his 54 holes earlier.

We got Ron and had him out on the spot ready to have his picture taken with the other three on the 18th, the second hole of the last ball was played. Things were going in splendid fashion and I was really in luck. Sunday afternoon I saw that this individual has all the authority in golf circles but we could see no reason why he saw fit to break up our picture. He had to have delays in the hole. He grumbled about people having to catch boats and told us we were being co-operative. He said he would cooperate but he had made up his mind.

We were successful in stopping the picture which was never taken. I thought about my photographer from waiting for the time when our mainlander would decide the ball would flash.

It was so successful in getting a picture of Leslie, the junior champ, and Rossignol, the juvenile champ, but we went back to the office minus our much-wanted team picture.

Let's Be Reasonable

We think it only fair for folks to realize that reporters and photographers usually have several things to do on one evening. They just can't be time run crazy on them. If they do they are really in deep trouble. Sunday evening last was a busy night and we were trying our mightiest to do right by the junior golfers with the times at our disposal. I think they didn't express his thanks for the coverage already given and the coverage still to come. Bob looked as disturbed as we ourselves when this interference came about and that's our effort.

NEXT week the women golfers of the Maritimes assemble here for their annual tournament. Already we have been in contact with some of the local golfers and have their assurance of full co-operation. We know we will get it, too.

We sincerely hope that no such interference comes along this time to spoil an otherwise pleasant duty.

Mariners Blast Park A Stars

The Main Brace Mariners took a one game lead in their best of five semi final series when they came up with a 4-1 victory over the Park A Stars by blasting the Park team 9-4 in City Southall area last evening.

Lloyd 'Feet' Gregory went off for the victors, a 4-1 lead in the ball, and a 4-1 lead in seven hits. He didn't walk or strike out anybody as he relied on his hit-or-miss approach.

John Hughes was on the mound for the losers. He had a good account of himself, allowing nine hits. He issued four walks while surrendering three strikes. The All-Stars jumped into an early 2-0 lead in the first inning. There, in the first inning, Hughes reached on a fielding error and a walk. The contest was short-lived.

Dodgers Defeat Braves Tuesday

The Dodgers went on a scoring outburst in the seventh inning as they routed the Braves 4-1 in the Rovers 9-4.

Jack Kane went all the way as he pounded the Braves and allowed only seven hits. He walked five while sending two down via strikeout route.

The Rovers used three pitchers in an effort to stop the game power. Stan Ross started the game and went 4-1 in three innings. Lloyd Dwyer then came on and took over for the remaining 3-4 of an inning. Lynn Hill finished up by striking the final two frames.

The winners when they picked up one counter and never looked back. The Rovers were in the lead in the last of the second to move into a 1-1 tie but were never able to take over.

In the seventh the score was tied 1-1. The Rovers were singled to lead the inning. Roger Goss then walked and Doug McClintock popped up

Legionnaires Nip Pontiacs

The Junior Legionnaires edged the Pontiacs at Queen Elizabeth baseball diamond last evening, the final score 3-2. It was a tight pitcher's duel all the way and both flingers got fine support.

The winners moved ahead to stay in the fifth frame when they came up with four runners to move ahead 6-2. The big blow in this inning was a triple by Don Schumacher. He was joined by Jackie Pate and Don Schumacher. They struck out a total of five batters and walked eleven.
