

Little Sands And Vicinity

Mr. George H. Blue, Little Sands, was in Montague on Thursday. Monday's meeting of Farm Forum met at the home of Mr. Montie Livingstone on Dec. 7. There are 11 vacant homes in Little Sands at the present time besides the 28 homes that are occupied. Again we extend sincere sympathy this time to the family of the late Mr. Edgar Giddings whose death occurred in Murray River recently. Mrs. Carrie Blue of Little Sands, has moved to School Street, Charlottetown, where she plans to spend the winter at the home of Mrs. Harry Hyde. On Sunday many residents of Little Sands watched with interest a jet plane wending its way speedily westward, leaving a long trail behind across the sky. Wednesday's more jets left their long mark

across the sky overhead. What speed! The many friends in Little Sands of Mrs. Gillis and family, Lower Newtown, extend sincere sympathy upon their recent sad bereavement. Mr. Sandy Blue, Little Sands, had the misfortune to cut his knee with a saw, while working in the woods. This injury necessitated medical attention and several stitches. To all those who read the Little Sands news items, the writer wishes them the very best Christmas ever and a very happy and prosperous New Year. Any errors have not been intentional and the writer will endeavor to do better in the future. Miss Barbara MacLean, daughter of Mr. and Mrs. Richard MacLean, formerly of this Province but now residing in St. John's, Newfoundland, recently visited at her aunt's home, namely Mrs. Tom Menev, and Mrs. Angus MacPherson in Little Sands. While here she also visited her grand-

mother, Mrs. MacLean who intended to accompany her on her return to St. John's but owing to the lateness of the season, decided to postpone her visit for a later date. Sincere sympathy from Little Sands also goes out to the family of the late Mr. Earl (Bus) Phillips, whose death occurred in Charlottetown last week. Mr. Phillips' mother formerly belonged to Little Sands, and they have many relatives here who feel Mr. Phillips' death very keenly. Master Billy MacPhee, Little Sands, son of Mr. and Mrs. Leon MacPhee, Hopetfield, was taken to the Montague Memorial Hospital on Wednesday where he underwent an appendix operation on Thursday morning. His many young friends will be glad to have him recovered and home again. Good luck, Billy. Mrs. Alexander Blue, Little Sands, was in the Montague Memorial Hospital on Thursday when she underwent a minor operation and was able to return to her home the same day. While in the

Hospital she visited Mrs. Angus MacPherson who is a patient there. Mrs. MacPherson shows good signs of improvement. Mrs. Blue also visited Mrs. Archie MacLean and reports she was leaving the hospital that evening to return to her home in Murray River. -CO

Mr. and Mrs. Earl Johnston, Fortune Bridge, accompanied by Mr. and Mrs. Harvey Aitken, have motored to U.S.A. for a short vacation. This certainly has been an open fall as the writer observed a beautiful bouquet of roses yesterday and caterpillars were seen creeping around just as if it were August. On Nov. 27 the Howe Bay-Eglington Sewing Club met at the home of Mrs. John McKie with a small attendance due to the wet weather. The roll call was answered by "a penny for each size of your shoe". The many friends and relatives of Mrs. Charles Mills, Howe Bay, will be pleased to learn she has returned to her home after spending some time in the Souris Hospital. All join in wishing Mrs. Mills a speedy recovery, and hope to see her out and around soon. The sympathy of this community and many others is extended to the family of the late Mrs. Elby Howlett, Annandale, who passed away in the P.E.I. Hospital on Nov. 21. Mrs. Howlett was well liked by the many who knew her and will be sadly missed and remembered by all. At the close of the evening members enjoyed lunch prepared by Mrs. Campbell. All were invited to the home of Mr. Lester Stuart for their next meeting. Mrs. Louis Wright, returned to her home in Lower Montague, after being ill in the Kings County Hospital, Montague. Her many friends are pleased to see her home again, feeling much improved. -GU
