Tandy 1000 EX gives you everything you ever wanted in a home computer... an organizer, an educator, an entertainer and an overtime aid. All at a fantastic low "family-Christmas-present" price!

Make your family Christmas extra-special with the exceptional Tandy 1000 EX. It's the home computer that gives you MS-DOS capability, IBM-PC compatibility, and the versatility to keep your loved ones amused for hours.

Tandy 1000 EX comes with Personal DeskMate. So you can keep track of your budget, write letters, organize your addresses and keep up-to-date on appointments.

Tandy 1000 EX is unbeatable for keeping your household in perfect order. It eliminates late nights at school or the office...bring your unfinished business home.

When all that leftover homework is done, Tandy 1000 EX is the slickest entertainer around. It makes video games "awesome" with spectacular graphics and sound effects.

And the price! With this Blue Chip Saving, what family can afford to be without one? Not yours!
