DO IT YOURSELF AND SAVE \$
 Almost 90% of all TV troubles can be fixed by replacing weak or defective tubes.

Why pay service call charges and retail prices for your repairs when you can "do it yourself?"

We have a "home TV trouble Shooting Guide" that shows you things that go wrong, and which tubes to replace to fix it. You can also buy your TV and radio tubes through us at a discount. We will be setting up testers and tube outlets wherever response warrants.
