THE July number of the *New Dominion Monthly* appears in a new dress, both as regards type and cover. In tasteful simplicity of design, the new cover will, so far as we know them, equal if not surpass the best which have yet appeared from the hands of London or New York Publishers. The back ground is filled in with some old Gothic or Moorish pattern, which gives the whole a rather unique appearance, and which is quite in keeping with the antique style of type used within Each number will, as far as practicable, be complete within itself, so that subscriptions may commence at any time. The back numbers since April can still be furnished. It is scarcely necessary to recommend the magazine which is now well known. Its matter is partly original and partly selected, but all interesting. It has light reading for a leisure hour, and articles of scientific value to the enquiring mind. It has recipes for the kitchen, music for the drawing room, and tales for the nursery. It is in a form that is likely to be preserved, and it may yet be perused by children's children many years hence. The *New Dominion Monthly* has a speciality which should render it valuable to all classes. It has been favored with quite a number of sketches of the early history of various parts of the country, with interesting accounts of the adventures and privations of the early settlers, not omitting the French colonists of Acadia and Canada, and of the *U. E. Loyalists*, and it is intended to collect, as far as possible, all that is strikingly interesting in the early annals of the various parts of the country ere the knowledge be buried in oblivion. A dollar laid out on a good magazine, bears excellent fruit twelve times a year, and the fruit remains of permanent value. Let every father who wishes to please and profit his family secure for them the *New Dominion Monthly*. The subscription price continues $1 per annum.

DEPARTURE.—The Rev. H. B. Swabey, B. A., of King's College, Nova Scotia, who has served as Missionary under the S P G. in this Diocese for eighteen years, viz: for two years at Cherry Valley, Queen's County, and for the last sixteen years at Port Hill, Prince County, in this Island, left yesterday morning in the Steamer St. Lawrence, with Mrs. Swabey, nurse, and family, en route for Liverpool, G. B., by the Inman S. S. from Halifax, N. S. The Rev. gentleman has accepted under the Col. and Continental Church Society of England, the Chaplaincy of the suburban Parish of St. Pierrie, Calais, France. Mrs. Stephen Swabey and her daughter accompanied the Rev. Mr. Swabey to England on a visit of a few months.—Isl.

☞ Owing to the Supreme Court opening at Georgetown on the 20th inst., the Tea Party which was advertised to come off at Cardigan on that day, will take place on Tuesday the 13th inst. The locality in which the Tea will be held is situate 6 miles from Mount Stewart Bridge, 10 from Fort Augustus, 8 from St. Andrew's, 6 from Morell, 6 from Alley's Mills, 8 from Vernon River, and 12 from Georgetown. We hope to see this Tea Party well patronised by all those settlements, as also Charlottetown.

☞ Remember the Bazaar by the Ladies of the Congregation De Notre Dame, in aid of their new building, will be held in St. Patrick's Hall, on Wednesday and Thursday next, the 7th and 8th July. We hope to see a large attendance of Visitors.

☞ One of the Opticians of the Firm of Lazarus, Morris & Co., will be in attendance at the Drug Store of W. R. Watson, Esq., from to-morrow Tuesday, until Saturday next. Those suffering from impaired or diseased vision are recommended to avail themselves of this opportunity.

The Steamer *Palmyra*, which arrived here on the 29th ult., is taking in oats for England, at Peake's Wharf. This is the second steamer, besides several sailing vessels, which J. S. Carvell, Esq., has loaded with produce this spring for the same market.—*Pat*

Mr. James B. Palmer, eldest son of the Hon. Edward Palmer, M. L. C., and Mr. Bannerman Warburton fourth son of the Hon. James Warburton, Colonial Treasurer, passed a very creditable examination at Windsor College, preparatory to their being entered as Students in that Institution.—Ib.

DISGRACEFUL SCENES.—Our attention has been called to the disgraceful scenes which are permitted by the police to transpire in the Old Burying Ground. Here on Sundays and on the evening of almost every day, youths of both sexes meet in great numbers and conduct themselves in the most unseemly, not to say lewd and scandalous manner. To such an extent are matters carried and so shameless have these young debauchees become that even in open day, this sacred spot is polluted and desecrated by actions too vile and debasing to be named, and such as to call for the immediate intervention of the arm of the law.—*St John News*

Queen Victoria intends visiting Switzerland again this year, and will also proceed to Sicily and Greece. The trip will be probably via Genoa and Palermo by steamer.

Advices from Ottawa lead to the belief that Father McMahon will be released shortly.

Five thousand emigrants left Liverpool, during the week ending Saturday night, for different parts of America.

Some editorial and other matter crowded out of this day's paper.

The report of the Examination at St. Dunstan's College will appear next week.

GOLDSMITHS' WORK.—The progress of fine art manufacture in this branch of trade is strikingly exemplified in a little work published by J W. Benson, of 25 Old Bond Street and of the City Steam Factory, 58 and 60, Ludgate Hill. It is enriched and embellished with designs by Italian French, and English artists of Brooches, Bracelets Earrings, and other articles suitable for personal wear, or Wedding, Birthday, or other presents, with their prices Mr Benson (who holds the appointment to H. R. H the Prince of Wales) has also published a very interesting pamphlet on the Rise and Progress of Watch and Clock making These pamphlets are sent post free for two stamps each, and they cannot be too strongly recommended to those contemplating a purchase especially to residents in the country or abroad who are thus enabled to select any article they may require, and have it forwarded with perfect safety.

Y M C A Literary Class.

The question for discussion by the members of this Class on Wednesday evening next will be, "Would the enactment of a Prohibitory Liquor Law prove a benefit to the people of this Island?"

KENT STREET

CLOTHING STORE.

THE Subscriber takes this opportunity of returning his sincere thanks to the numerous friends and customers who have so liberally patronized him for the last ten years, and begs to intimate that he is still to be found at his old stand,

Kent Street,

where he will be happy to wait upon those who may favor him with their patronage. He trusts that by punctuality and attention to business to merit a continuance of public confidence. As regards cutting, he may say, that having learned that branch of his business from one of the best cutters in British North America, Mr Henry Found, and having since had every facility for studying the latest improvements in the art, he can guarantee to cut garments as well as those who make more pretensions. He may safely add, that he is the only tailor in Prince Edward Island who ever learned Mathematics, as certificates, while a student in the old Central Academy, under Messrs. Kenny and Humphreys—still in his possession—will show. Consequently, so far as Mathematics is concerned, he can apply that science to cutting which is more than those who never studied Euclid can do.
