Two Injured When Truck Goes Off Road

A Department of Public Works truck, loaded with stakes, went over a high fill at Crockett's Hill on the Western Road near Alma, yesterday morning about eleven o'clock. The driver, Lorne Barlow of Wellington, was taken to the Western Hospital at Alberton suffering from concussion. Joseph Perry of Summerside, also in the truck, suffered a bruised arm.

Doctor Receives Appointment

Dr. Gilbert Gallant, formerly of the Royal Canadian Air Force and now on the staff of the Prince County Hospital, was yesterday advised by the Department of Transport that he has been appointed as official medical examiner in this area for all civilian fliers.

Only Two

Sport Echoes From Prince County

Everybody likes "up-to-the-minute" news, but it seems to us we've been reading some "past-the-minute" sports news recently. For example we read where Summerside's "application" to play in the South Shore League was turned down by the officials of that league.

Two-Year Sentence For Jail Breaking

Austin Smith, whose record showed six previous convictions for various offences including forgery and jail breaking, was sentenced to two years in Dorchester Penitentiary by Magistrate R. S. Hinton, in Summerside yesterday.

62nd Wedding Anniversary

Mr. and Mrs. Antoine Bernard yesterday celebrated their 62nd wedding anniversary at their home in Summerside. Friends and relatives gathered on Monday to celebrate the anniversary and to present to this grand old couple some very nice anniversary gifts.

Island Odds And Ends

Charlottetown is beginning to reap the benefit from the money outlay for extending the wharf, house and docking facilities at its railway wharf. Three ships can now berth there quite comfortably and the extra warehouse space is a boon to shippers.

Island Odds And Ends

Sometime in the year ahead Charlottetown will switch over to the dial telephone system. Preparatory to the change, dial telephones are being installed in some offices and homes, and it is understood this gradual substitution of the new equipment for the old will be completed about the time the new exchange is ready for operation.

Island Odds And Ends

Two unusually big construction jobs will be underway in the Maritime next year, the Canso Strait Causeway in Nova Scotia and the out-size military camp in New Brunswick. The aggregate cost of the two jobs will range between forty and fifty million dollars.

Island Odds And Ends

Given good weather a number of Rugby enthusiasts will accompany the Saint Dunstan's football team to the scene of their final battle of the season, for the Maritime title and McCurdy Cup, against Wanderers of Halifax. Already inter-collegiate footballs the Islanders are conceded at least an equal chance of bringing the cup to the Island, where it will fit in admirably with the many honors won this year at the Amherst Winter Fair and at the "Royal" in Toronto.

Island Odds And Ends

Canadian television officials almost certainly speaking with Government approval say that a rapid development of T. V. is assured for the whole of Canada. They predict that the number of T. V. sets in use will mount rapidly in the next five years, which means that the owners will have something to tune in, something to look at. How the Atlantic Provinces will be served, and from where, has not been announced, but it is known that this part of the nation is not to be overlooked.
