CURRENCIES

MONTREAL (CP)—The U.S. dollar closed at a premium of $ 13-16 per cent in terms of u.s. funds, unchanged from Thursday's close. Pound sterling closed at $3.06, down 1-16.

NEW YORK

NEW YORK (AP)—The stock market staged a last-hour rally Friday and edged into the plus column by a narrow margin.

The market struggled mightily throughout the day to make some progress in the face of weak trading volume. Prices were on the decline at the start and turned mixed before making their upward move.

Advances of most key stocks were mostly restricted to fractions.

Rubbers, utilities, chemicals, rails and oils gained. Motors were mixed. Steels, aircrafts, nonferrous metals, airlines and tobaccos were down.

The Associated Press average of 60 stocks advanced .60 to 240.90. The Dow Jones average of 30 industrials added 0.91 to 650.70.

Volume diminished to 2,490,000 shares, compared with 2,950,000 Thursday. It was the lowest since the same number of shares changed hands last July 11.

Brokers said the late strength could be attributed in part to the market taking notice of favorable new business statistics and optimistic statements about the outlook for the U.S. economy.

Among Canadian stocks, Granby Mining gained ¼ and Walker Gooderham ⅛. Hudson Bay Mining was off ½ and Distillers Seagrams ¼.

American Exchange prices were narrowly higher. Preston added ⅝ and Brazilian Traction and Canadian Marconi ⅛ each while Shawinigan and Scurry Rainbow Oil eased ⅛ each.

TORONTO

TORONTO (CP)—Support in the closing hour of trading lifted industrials from their lowest index level of the year during extremely light trading on the stock market Friday.

The index at 2 p.m. had dropped to 507.13, its lowest since last October, but at the market's close, industrials had risen to 507.94, down almost three points.

Golds were strongest, rising more than a point on index.

Banks were the major weakening factor in the main list, with Montreal, Nova Scotia and Toronto-Dominion all closing at 1962 lows, all off in a 1¼ to 2¼ range.

Ontario Steel showed one of the few good gains, rising a point to 27 on news the company proposed a three-for-one stock split.

On the exchange index, industrials fell 2.98 to 507.94 and base metals .96 to 205.19. Golds gained 1.15 to 91.62 and western oils .14 at 109.39. Closing volume was 1,754,000 shares compared with 1,836,000 Thursday.

Among base metals, Labrador dropped ¾, Ventures ½, Hudson Bay Mining ¼ and Noranda ⅜. International Nickel gained ⅛. In the speculative market, Lake Dufault rose 15 cents to $5.60.

Golds were paced by Kerr-Addison's rise of 40 cents to $9.20.

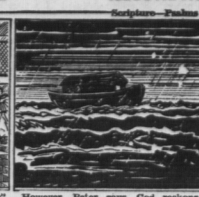
The Day of the Lord

ILLUSTRATED SUNDAY SCHOOL LESSON

By Alfred J. Bosscher

Scripture—Psalms 138; II Peter 3; Jude.

Peter warns that "in the last days" the world will seem overrun with scoffers, who say the Lord has not fulfilled His promise to come in glory, and that things have been the same since creation.—II Peter 3:3-4.



However, Peter says, God reckons time differently, counting "one day as a thousand years." Also, "the creation" was the result of a Creator. Who once destroyed in a flood what He created—II Peter 3:5-6.

The apostle Jude concurs, mentioning that God gave an example of the punishment He was prepared to mete out to loose who repudiated the faith, in destroying the wicked cities of Sodom and Gomorrah—Jude 5, 7.

Both apostles urge Christians to cling zealously to their faith, so they may "be found by Him without blemish" on Judgment Day, when "the elements shall be dissolved."—II Peter 3:10, 14.

GOLDEN TEXT: II Timothy 1:12.

MEMORY VERSE: — "I know whom I have believed and I am sure that he is able to guard until that day what has been entrusted to me." Timothy 1:12
