NOMINATION DAY AT GEORGETOWN.—On Tuesday last, Messrs. Sullivan, Campbell and McLean were nominated as Candidates for the First District of King's County, vacant by the appointment of the Hon. Jos. Hensley as Assistant Judge.

The proceedings were quiet, and the Candidates did not say much. The Hon. E. MacEachern has not offered—waiting, we expect, for the General Election, when he will offer, we believe, on his old principles of Free Education, Free Lands, and perfect religious equality, and an enlarged Reciprocity Treaty.

We think the editor of the Halifax Express must be taking a rise out of the Herald man. He fairly eulogises him for taking such a prominent stand in favor of Confederation. He wishes Nova Scotia had a Queen's Printer exactly like Mr. Rielly. We have no objections to let him go.

The Hon. Benj. Davies was elected for the 4th District of King's County, with opposition. Violent and eloquent speeches were made by D. Laird, F. Brecken, J. C. Pope, Solicitor General, Col. Secretary, Mr. Haythorne, Rielly and others. The Queen's Printer fell or was pushed off the hustings. Mr. Laird and the Colonial Secretary had some very hard words. The Solicitor General's speech was very eloquent. Mr. Pope, it is said, denounced the Government, and ended in with Laird and the old Conservative party.—Com.

The Civic Elections for the City of Charlottetown, takes place on Tuesday next.

A correspondent from King's County says:—

"The contest at the coming election will be keen. The Campbells are numerous and strong, and with all the characteristics of that ancient Clan, will be no mean foe for the McLeans to contend against. The O'Sullivan's have no chance in the district, composed, as it is, of Scotch Highlanders, excepting that between the other opposing parties, their kinsman may slip in."

The Cuban question, the landing of the French Cable, the coming elections in Texas and Mississippi, and a number of financial and social affairs of minor importance at present, have been the leading topics of public discussion in the United States during the past week. It is announced that the filibusters who lately left New York for Cuba, and landed on Gardiner's Island, have all disappeared from the quarter, some having been captured by United States troops and lodged in Fort Lafayette, and the remainder having escaped. It is very probable that they will be discharged forthwith, on giving satisfactory assurances or refraining from hereafter violating the neutrality laws.—S. A. Journal.

The city of Oswego is to spend \$3000 in entertaining the Canadian Press Association, intending to offer them a banquet and a ball. The editor of the Oswego Palladium is at Toronto arranging the excursion. He is delegated to invite Canadian editors, and to discuss reciprocity at the approaching visit. The Queen of Portugal, Victor Emmanuel's youngest daughter, is said to be dying.

At St. Peter's Road, Lot 35, 2 July, Angus Docherty, formerly of Belfast, aged 73 years, a kind husband and lover of truth.

At Tignish, on Tuesday morning, July 13th, Mr. William Carter, aged 60 years, a native of Gowran County Kilkenny, Ireland. May he rest in peace.

GRACE'S SALVE.

The unanimous testimony in favor of this article wherever it has been used, and more particularly in various parts of Essex County, where the manufacturer formerly resided, proves the high value which is placed upon it in all cases where a remedy of such a character is appropriate. The inventor of this salve was no mere adventurer, who set the article a-going only to make money, without caring whether it injured or cured those who used it, but a skillful physician and surgeon, who for many long years used it in an extensive practice, and, dying, left the recipe as a valuable inheritance to the generation which was to come after him.

For cuts, bruises, sores, and every species of inflammation upon the surface of the body, its use has been followed by the most satisfactory results, and it only requires a trial to prove it to be all that its manufacturer claims for it.—Haverhill Publisher.

Wistar's Balsam of Wild Cherry. From JOSEPH MENARD, Esq., No. 8 Canning Street, Montreal.

My Wife suffered for five years from a serious Pulmonary Affection. She was recommended to try some Wistar's Balsam of Wild Cherry. I certify that the use of a single bottle of this excellent Remedy has effected a radical cure, in the space of three weeks.

Highly Respectable Authority:

I do hereby certify that my mother, the late Ann Margaret, during the last few years of her life, was in the continual habit of using Dr. Wistar's Balsam of Wild Cherry, and that she frequently expressed her high opinion of the benefits she derived in the promotion of her general health. She died in the 82nd year of her age.

Dated at the City Hall, this 21st day of June, 1869. PETER MCGOWAN, J. P. & City Clerk

To cure a cough to relieve all irritations of the throat, to prevent hoarseness, to restore to perfect soundness and health the most delicate organization of the human frame—the lungs—use Wistar's Balsam of Wild Cherry.
