### P.E.I. Firm Manufactures Pesticides

Shown above are the DETH Pesticides, etc., now being manufactured by Hancock Laboratories of Summerside, P. E. Island. These include (left to right) Animal-Plant insect powders; General Farm, and Dairy Sprays (dilute and concentrate); Household Insect Killer, and Fly Trap; Deodorant; Dairy Cattle Spray (dilute and concentrate) and Rat-Mouse Extremator (warfarin).

Hancock Laboratories of Summerside, Prince Edward Island, manufacturers of Pesticides, etc., have recently expanded their items of manufacture to include a full line of livestock—garden—nursery and general farm sprays, deodorant and an ingenious fly trap. This enterprising firm started two years ago from scratch, manufacturing only a Rat-Mouse Extremator containing the new rodenticide, Warfarin. So successful was this first product, that soon a second product was added—a combination Animal-Plant Insect powder (the first of its kind

in Canada). Other products and pesticides shown above were added last fall and again this spring. DETH Products are supplied by over 30 Distributors to over 1,000 Maritime drug, hardware, feed and general stores. Local distributors handling DETH Products are R. T. Holman Ltd., DeBlois Bros., Rogers Hardware Co. Ltd., and Island Co-op Services Ltd. Provincial Departments of Industry surveys show many products might be manufactured within the Maritime Provinces for supplying our own needs, and to provide more jobs for local people.
