No such word as Fail. A resistless Remedy.

HOLLOWAY'S OINTMENT.

CIRCULAR TO THE SICK.
 The first hospital surgeons and medical publicists of Europe, admit the unparalleled anti-inflammatory and healing properties of this Ointment; government sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption which underlie the external evidence of disease, and neutralize the fiery elements which feed and exasperate the malady.

RHEUMATISM, SCROFULA, ERYSIPELAS.
 These are among the most terrible and agonizing diseases, yet in their worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing, antiseptic to pain and inflammation.

KING'S EVIL, FEVER SORES, STIFF JOINTS.
 In cases of King's Evil where medicinal waters, lotions, and every recipe of the pharmacopoeia have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful.

DISCHARGING ULCERS.
 A most remarkable and happy change is produced in the appearance of malignant ulcers, after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the orifice is filled up with sound material and the ulcer radically cured.

A WORD TO MOTHERS.
 The young are the most frequent sufferers from external injuries and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children.

SIGNIFICANT FACTS.
 This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a cure for scorbatic affections and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.

ULCERS, SORES, AND TUMORS.
 The effect of this unrivalled external remedy upon Scrofula, and other violent ulcers and sores, is almost miraculous. It first discharges the poison which produce suppuration and proud flesh, and then cures which its healing properties afterwards complete as safe as well as permanent.

WOUNDS, BRUISES, BURNS, AND SCALDS.
 In cases of the fracture of the bone, injuries caused by steam explosions, Bruises, Burns, Scalds, Rheumatism, Stiffness of the Joints, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvellous remedy has been introduced by its inventor in person into all the leading Hospitals in Europe, and no private household should be without it.

Both the Ointment and Pills should be used in the following cases:—

Bad legs	Chiefo foot	Fistulas	Sore-throats
Bad Breasts	Chilblains	Gout	Skin disease
Burns	Chapped hands
