Do You Drink Ice Water?

That cool refreshing drinks in warm weather are delicious is undeniable. That drinking ice water in copious draughts when a person is overheated is injurious, not to say dangerous, is also undeniable. But that the free drinking of water in some form in hot weather must be avoided, is undeniable. One of the greatest popular errors existing when a person is perspiring freely from every pore, a vast amount of water is drawn from the body, which must be re-supplied, or great injury is being done to the physical health, and the foundation of some of the worst forms of kidney disease is being slowly, but surely laid. Why! someone will exclaim, that is just what causes kidney troubles, drinking water freely which contains so much lime. Wrong again! So long as the water drunk is freely carried through the system, and converted in its passage to the naturally acid reaction of the urine and perspiration, no danger can occur by deposits of urea or lime in the kidneys and bladder, because they remain perfectly in solution, and are carried out of the body instead of remaining in it. Literally, they are washed out of the body by the copious draughts of water (that most perfect of all known solvents), same as a series of pipes are "flushed" with water to clean them. A clean body is never diseased.

Do not drink ice cold water, but pure cool water; a little lemon juice will improve the effectiveness. Plain soda water with a little acid is also excellent. If from drinking too much ice water you have stomach cramps, or are "water-logged," as it is called, or are attacked with Cholera Morbus, Summer Complaint, Diarrhoea, or Dysentery, do not resort to alcoholic stimulating drinks, which irritate rather than soothe and allay the inflammation which has caused the trouble; but adopt the practice of taking daily just before retiring, during July and August, one teaspoonful of Johnson's Anodyne Liniment in a little sweetened water, which will prevent all such attacks and ill effects from ice water. In fact, a little pamphlet, sent free to anyone, by I. S. Johnson & Co., Boston, Mass., contains a vast amount of information about treating those summer troubles.—dy6i wyl.

Decreasing the Death Rate.

The mortality among consumptives has been materially decreased of late years by the use of Scott's Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda. Phthisis, Bronchitis, Abscess of the Lungs, Pneumonia and Throat Affections are completely subjugated by a timely use of this excellent pulmonary. Palatable as milk. Sold by all druggists at 50c. and \$1.00.

We are agreeably surprised to see such fine celery, cabbage, cauliflower, green and butter beans, beets, carrots, onions, lettuce, etc. at Gay's stalls, Market House. He has certainly taken time by the forelock this season. We would advise those who have not already done so to change their diet and make one meal each day at least of vegetables, not forgetting Gay's Extra Early Celery, which is unquestionably the best nerve quietor known. This is not a quack medicine advertisement, but simply a reminder that summer is at hand, and that the human system requires something more than meat, bread and such heat-producing food, but just the opposite. We would say to hotel proprietors and others to order a market day ahead and thereby secure the best, and at a discount on retail prices. The advantage of this is, orders are filled at home and the best are not called, as is sometimes the case purchasing from the market. Order by mail or call at the Market at Gay's Stalls, No. 23, 24, 25 and 26—a daily mail to Pownal.—J. J. Gay & Son, Pownal. jy29 dwlm uy th

WHAT FAILS YOU?

Do you feel dull, languid, low-spirited, listless, and indifferently susceptible, both physically and mentally; experience a sense of fullness or bloating after eating, or of "grogginess" or emptiness of stomach, with a heavy, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, constant yawning, "staring eyes" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flashes, alternating with chilly sensations, abnormal foot, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant intermeddling of the mind, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, Dr. Pierce's Golden Medical Discovery will substitute it, if taken according to directions for a reasonable length of time. If not cured, consult your physician, or a competent opinion of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in, and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-poisons and impurities, from whatever cause arising. It is equally efficacious in acting upon the Stomach, and other extraneous organs, restoring, strengthening, and healing their diseases. As an appetizing, restorative tonic it promotes digestion and builds up the system, and, by both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Biliousness, and kindred ailments.

Dr. Pierce's Golden Medical Discovery CURES ALL HUMORS, from a common Itch, or Eruption, to the worst Scrofula, Salt-rheum, "Peverness," Scaly or Rough Skin, in short, all diseases caused by blood-poison, or by any impure, powerful, purifying, and invigorating medicine. Great Eruptions rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Gout, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on the above named ailments, and for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE." Thoroughly cleanse it by using Dr. Pierce's Golden Medical Discovery, and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.

CONSUMPTION,

which is Scrofula of the Lungs, is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its invigorating power over this scrofulous disease, when first offering this new world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "Consumption Cure," but abandoned that name as too restrictive for a medicine which, from its wonderful composition, is equally adapted to the treatment, combination of tonic, or strengthening, and blood-purifying properties, is unequalled, not only as a remedy for Consumption, but for all Chronic Diseases of the

Liver, Blood, and Lungs.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy. Sold by Druggists, at \$1.00, or Six Bottles for \$5.00.

Send ten cents in stamps for Dr. Pierce's book on Consumption. Address: World's Dispensary Medical Association, 663 Main St., BUFFALO, N. Y.
