Don't Neglect Your Watch

If you allow your watch to run too long without cleaning, or with damaged parts it may be worn so badly as to destroy its usefulness as a timepiece; better have it examined by your Watch Doctor and if in need of repairs he will advise you accordingly and perhaps save your watch.

WE BOAST on our repair department turning out first-class work only. WE GUARANTEE ALL OUR WORK; if you have not given us a trial it will pay you to do so and we will be pleased to see you at GREAT GEORGE STREET.

ADDRESS AND PRESENTATION.

A few days ago Miss Maggie Donahoe, of Rosebank, who has had charge of the school in that place for the last two years, resigned in favor of Miss Genevieve Macdonald, of Cardigan, and left Saturday morning for Boston, where she will enter the training school for nurses in the Massachusetts General Hospital. Prior to her departure, Miss Donahoe was presented by her pupils with a handsome dressing case, accompanied by the following address, read by Miss Thelda Poole:

DEAR MISS DONAHOE:—As this is the last day you will be with us as a teacher, we feel that we cannot let you go from amongst us without expressing our regret that you are leaving us.

Your unvarying kindness and impartiality have won the love and gratitude of your pupils and the respect and esteem of our parents.

You have always endeavored to teach us by example as well as by precept, and we trust the lessons may never be forgotten, and that the pleasant recollection of the time passed under your care in the school-room, may be to us, through all our lives, something more than a happy memory.

You are soon to leave your home and friends to assume new duties among strangers. We hope you will be successful in your chosen profession and that you will make many new friends. We trust, however, that these will never entirely replace the old ones, who will ever take an interest in your welfare.

Please accept this dressing case as a small token of esteem. It is not a costly gift; but it bears with it the love and best wishes of each and all of your pupils.

Miss Donahoe in reply thanked the donors for their kindness, and spoke of the pleasant relation which had always existed between teacher and taught.

The sentiment expressed in the above address will be heartily endorsed by the parents and others, who have recognized in Miss Donahoe the many excellent qualities of mind and heart which are the attributes of the successful teacher.

HOME MAGAZINE.

The Home Magazine, published in New York, is a decidedly interesting monthly. In the April number an article entitled "A Neglected Land of Plenty," directs the attention of New Yorkers to the splendid sources of supply, as yet little drawn upon by New York, of food, builder's material, etc., which exist in Maine, Nova Scotia, New Brunswick and P. E. Island, and pleads for better direct traffic facilities between these provinces and the great metropolis. Among the illustrations in this number are full page engravings of Lord Kitchener, General White and Colonel Baden-Powell.

Sympathy is all right in its place, but is a poor substitute for beefsteak if a man is hungry.

Sons of Temperance.

DEAR BRETHREN, GREETING: Once more we address you by letter. We trust you have been instrumental in adding to the number who are striving to counteract the demon of strong drink. Be not discouraged; we are working in a cause that is worthy of our most earnest consideration and hearty support. And let us remember how great is the enterprise we are engaged in; and how much depends on our present actions. We are helping to shape the destiny of those who are yet in tender years and know not the taste of alcohol. Our example is being copied; and our influence is immortal, so let us be true as steel to the cause we profess to love. Let us convene at North Wiltshire on the 20th, determined to do only that which shall tend to the lasting good of our beloved order.

Half fare tickets on railway; good going on the 18th, 19th and 20th, to return up to and on the 23rd. Certificates of attendance must be procured of the G. S., to present on the home trip. Important matters will be discussed. Don't forget the date, Friday, April 20th, 1900, at 11 a. m.

Suffering caused by Piles

is Quickly Ended when
Dr. A. W. Chase's Ointment is applied

Besides the intense agony caused by the itching, burning sensations of piles, there are other symptoms which produce distress and at times excruciating pains known only to the victim of piles.

What would one give to be free of this terrible disease? And yet there is a cure—a positive cure—which does not cost much and is not painful or difficult to apply.

Dr. A. W. Chase's Ointment is, so far as is known, the only absolute cure for blind, itching, bleeding and protruding piles. It gives relief at the first application and affords a perfect cure in the most aggravated cases.

Mr. Isaac Foster, Erieview, Ont., says: "I was troubled with itching piles for two years and could not sleep at night. I was half-crazed and tried everything. Finally seeing Dr. Chase's Ointment advertised I tried it and found it good. After a second application I found relief, and one large box cured me. Have never been bothered since, and I can recommend it to all suffering from the same trouble."

Dr. Chase's Ointment is for sale by all dealers, or Edmondson, Estes & Co., Toronto.
