Mr. Geo. Blake was chairman. It was decided that the St. John department would be represented by a contingent of 20 men, but the individuals were not chosen. Another meeting will be held on Friday night to select the men and to decide what contests St. John will participate in and other details.—St. John Tel-graph. A REMARKABLE CURE.—A remarkable cure is reported from Dartmouth, N. S. Mrs. Cornelius Casey four years ago was stricken with dropsy. The doctors could do nothing for her. Some pronounced the patient incurable, others quietly discontinued their visits, evading the disagreeable duty of intimating to the lady or her anxious family their inability to cure. Patent medicines innumerable were used. A Jesuit mission was begun a couple of weeks ago, conducted by Rev. Father O'Bryan of Montreal. The lady attended, though barely able to walk. She procured some St. Ignatius water introduced by the father, full of faith that it would cure her. In two days she was better, and now for the first time in four years she takes frequent walks unassisted by friends. A. O. H. The Sutton has splendid facilities for the transportation of produce and live stock, and being a lively motor will no doubt be largely patronized by shippers generally. We wish the steamer luck on her first voyage to St. John's, and trust that the enterprising shippers by her may realize well on their investments. Mr. Sawyer is purser and Mr. Manley steward. Miss McQuaid the stewardess. Mr. Brooks is chief engineer. All are well and favorably known to the travelling public from their past connection with the Boston steamers. DIED. June's Great Sale NOW ON!

HAPPY TIMES

Enjoyed by Our Customers.

WHY SO?

BECAUSE WE ARE GIVING

TREMENDOUS BARGAINS

IN

Men's, Boys' and Children's Suits.

THE GENERAL REMARKS:

"We see, sure enough, you do better for us when we call to see you than you advertise to do. Your assortment is the largest we have ever seen and your prices the lowest. How are you going to pay your bill when you sell so cheap?"

WE SAY TO OUR CUSTOMERS:

We can afford to sell at those prices because we buy in large quantities for Spot Cash, and we sell so much that we can live on a very small profit; so we thank our customers for being able to sell at the prices we do.

We are boys from the country, and fully understand how hard it is to make a dollar when prices for produce are so low. In asking you to trade with us, we do so because we are sure we can do better for you in CLOTHING and HATS than any Firm in Town.

A Trial will Convince You that we are indeed THE WONDERFUL CHEAP MEN.

No Game of Bluff

CAN KEEP US FROM DOING

THE CARPET BUSINESS!

SINCE WE HAVE OPENED OUR CARPET DEPARTMENT our trade has far exceeded our expectations. Our object in going into the Carpet business was to give people FAIR, SQUARE TREATMENT, and goods at the right prices. Now we claim, as our right, your patronage. You may ask WHY.

READ BELOW.

While our competitors for years were asking and getting \$1.55 and \$1.65 for 5-frame Brussels Carpet, and 36 cents for cheap Tapestry, we have sold our best Brussels for \$1.15, and cheap Tapestry for 25 cents per yard—never asking more—which goes to show that our competitors have been raking an enormous profit out of the people. This cannot be denied. We don't believe in monopolies, and have been the means of breaking the Carpet business in two, and taking the largest half ourselves. Competitors may feel sore, but we can assure the public it is not from overwork. We wish our competitors well, but we think this explanation necessary. WE CUT YOUR CARPET FOR NOTHING, don't charge for waste, and do all work in connection with HOUSE FURNISHING.
