Rector To Open Winter Carnival

The second annual winter carnival at St. Dunstan's University will get underway this afternoon and end next Tuesday. The students are already preparing snow sculptures and other projects, such as the bidding being done by the engineers.

The seniors are nearing completion of their snow castle and the freshmen have a great piece of work "Yogi Bear in his teen". The engineers are keeping the identity of their subject a secret but the juniors, who won last year with "Snoopy" from the cartoon "Peanuts" are hoping to come up with a repeat performance with "Gulliver". A relic of early railroading days, the sophomores have constructed a steam locomotive.

FOUR-DAY EVENT

The carnival will kick off at 4:15 p.m. this afternoon when Rev. G.A. Macdonald, rector of St. Dunstan's will cut the ribbon at the entrance to Main Building and officially open the four day event.

Following the opening, St. Dunstan's will host St. Mary's University, in inter collegiate basketball. The Saints have really surprised most sports fans with the terrific game they played against ton rated Acadia, and this SDU-St. Mary's game should be a top notch contest.

The 1964 Carnival Queen will be crowned at the Carnival Ball which is being held at 9 o'clock on Friday night. Six girls are nominated for the position, and Mrs. L.E. Prowse, Dr. K.A. Parker and Whit Carter have the difficult job of selecting the lucky lady.

On Saturday morning at 10 a.m. the Malpeque Road students will parade through the city with each class entering a float with a prize going to the most original.

QUEEN IN PARADE

The Carnival Queen and the respective class queens will ride in the parade in '64 cars through the courtesy of the local dealers.

At 2.30 on Saturday afternoon St. Mary's will meet the Saints in hockey, this will be followed on Saturday night with a variety show, and following the variety show there will be a record hop in the gym.

Monday's program includes, two hockey games, a cribbage tournament, a broomball tournament, tug of war, and novelty events.

And Tuesday's program will be highlighted by the well known group, the New Christy Minstrels. This group recently performed for U.S. President and Mrs. Johnson at the White House. This is a two hour concert and will be followed by a record hop. The concert and hop are being staged in Birchwood High Auditorium.

Chain Store Negotiating

It was learned yesterday that no definite decision has yet been made by Zeller's Limited regarding the setting up of a department store in Charlottetown.

It was reported that negotiations are continuing over the property currently occupied by Stewart's Bakery, Giggey's Pharmacy and Joe Dyken's barber shop.

EASTERN BRIEFS

Y's Men's Club Mooted For Montague Area

MONTAGUE — A meeting to determine the feasibility of the formation of a Y's Men's Club at Montague was held Tuesday night at the Bison Restaurant, Montague. Local representation for the meeting was small but those present showed considerable enthusiasm and a further meeting is scheduled for next Wednesday at 8 p.m. at the Bison.

George Wright, formerly of Montague, who is district governor chaired the meeting and gave a general outline of the Y's Men's Association program.

Also present for the meeting from Charlottetown was Keith Matheson, Ernest Bell, W.S. 'Bud' McMurtry, David MacLean, Robert Williams and David Mill. Representing the Summerside club was Charles Linkletter.

They pointed out that the Y's Men's organization is the second largest organization of this type in the world and is active in 34 countries. P.E.I. has two large organizations with an enviable record.

The Summerside club has won more international awards than any other club, and in the Charlottetown club, Mr. Bell has received an award for his work in stamp collecting and selling which aids is the work of the international organization. This with this in mind it was decided to hold further meetings.

The organization at Montague would have to consist of 25 members to receive a charter and would be sponsored by the Charlottetown club. This club would be non-sectarian and would include any creed or color, and people from all walks of life.

For Montague this organization would mean a group of people from the town and surrounding area to work with youth organizations such as scouts and with young adults to help them become better citizens. It was pointed out by one of the prospective members that the young adults of the town in general did not belong to any organization and would be an ideal group to start with so as many hours of hard work by Mr. Bell.

Anticipate Tender Calls By March 1

Hon. Philip Matheson, chairman of the province's Crown Building Corporation, announced yesterday that tenders for construction of the proposed provincial government's new office building will be called "on or about the first of March."

The new structure is to be located in the area bounded by Kent, Rochford and Fitzroy streets.

Financed over a long term by the Crown Building Corporation, the building is estimated to cost approximately $4.5 million.

The building is being designed by Affleck, Desbarats, Dimakopolous, Lebensold and Sise of Montreal, the designers of the Confederation Memorial Building, and who will also call tenders for the new office building.

ARDA Talks Described Satisfactory

Premier Walter R. Shaw said yesterday his talks with federal agricultural rehabilitation and development officials were "satisfactory."

The premier met with ARDA director A.T. Davidson to discuss types of federal financial assistance that may be available for this province's resources development program.

Mr. Davidson was accompanied by J.C. Lanctot, ARDA's rural development director, and J.D. Conlin, Amherst, an official of Maritime Marshland Reclamation Administration, which supervises ARDA in Eastern Canada.

A number of meetings were held yesterday between the Ottawa officials and provincial research director Reid Sangster.

MOUNTIE TO GUARD FAIR

MONTREAL (CP)—J. Herve T. Poudrette, assistant commissioner of the Royal Canadian Mounted Police, has been appointed administrator of security for the 1967 Montreal World's fair, it was announced Thursday. The job resembles co-ordinating security services in a city with more than 250,000 people.
