Charlottetown Summerside

Dr. McEachen first left the province in 1938, and his 1938 visit was for the purpose of attending the ordination of his brother Rev. Colin McEachen, O.P., at St. Dunstan's Basilica.

Dr. McEachen has conducted a natural health sanatorium for many years in Escondido. He has given lectures on various health matters and has had patients from all over the North American continent.

The McEachens are delighted with the beauty of the island and are situated with their spacious trailer at 94 Mt. Edward Road.

Dr. McEachen's father, the late Alfred McEachen, conducted a retail boot and shoe business in Charlottetown for many years.

Before coming to the island the McEachens spent several months in Mexico and then followed that holiday with a tour of the Eastern States. They visited Dr. McEachen's sister, Helen (Mrs. Thomas Barton) in Massachusetts. Father Colin is now located in Seattle and is contemplating visiting Prince Edward Island this summer.

Dr. McEachen and Wallace Scanlanbury were friendly rivals in pole vaulting events at track and field meets here years ago and Dr. McEachen was hunting up Mr. Scanlanbury for a review of memories today.
