

Women's Soccer

The women's soccer team is currently battling for a playoff spot in the Western Division. The team will have to stay focused for the full 80 minutes of a game, and minimize the

scoring chances of their opponents, while keeping an offensive mind set as well. The playoffs are within their grab, but it's up to the team to take a firm hold on the future in soccer.

Men's Soccer

The men's soccer team is extremely pleased with their performance to date, and they should be, because they are currently ranked 7th in the country and have three of the top 10 scorers in the nation, including the unstoppable striking duo of Patrick O'Connell and Ryan Anstey.

"Following our only loss of the season," says team captain Brett Norton, explaining the team's success. "We made it our goal to win the remaining eight games of our schedule going into the break." "The one loss to SMU was more of a positive thing," says mid fielder Joey Seaman, "I think we used it was a wake-up call." And the team has been successful so far, as they have won 6 of the 8 games. "A great

deal of credit has to go our coach Lewis Page," declares mid fielder, Jonathan Vos, "every minute of every practice is intense and pushes us to be better." This intensity has payed off, as the team is well underway to clinch first place in the Western Division, which will give them to right to host the AUS Championships. "Hosting playoffs will be an incredible boost for us," says Vossey. "There isn't a team in the league who likes to come here and play at McAdam Field," Brettski explains. "It's just so damn windy, but we're used to it and we like it. Plus, our fans are the tops in the league, especially in the playoffs. Which will help us in [our] overall goal of winning the AUS."
