

IN MEMORIAM

MRS. SIMON A. BLONDON

On Friday morning the 23rd of July the gentle spirit of Katie Margaret Matheson, wife of the late Simon A. Blondon, returned to her Maker, whom she had served from her youth. Born at Rose Valley, June 27th, 1894, daughter of the late John A. A sister Mrs. John A. MacLeod of Charlottetown and two brothers, John M. Matheson of Edmonton, Alta., and Neil A. Matheson, M.P., of Southport, mourn the passing of a beloved sister.

IN THE HOME WORKSHOP

This pattern is taped on the wood and the saw lines for cutting out the blank figures are traced. To get the alert expressions which make this group so attractive the exact shape and position of each spot of color is also traced. This method is to make sure of a realistic effect in the finished project. This will appeal to anyone who likes to work with color and watch the plain wood come to life as each color is added. When making these figures in quantity a silk-screen printing frame saves time in decorating. Pattern 400 shows how to make frame and 400 are 35c each. Both are included in the Lawn and Garden Figures Packet. Six patterns at \$1.50 postpaid.

Apply the Workshop Department, The Guardian.
