

RESULTS OF THE 1980 FRANCIS BAIN BIRDATHON (by Geoff Hogan, Compiler)

The third annual Francis Bain Birdathon was held on Saturday, May 31, 1980. Sunny and clear weather greeted the 22 dedicated members and friends of the Natural History Society during the early hours of the day although most areas experienced light rain by early afternoon. The areas investigated were:

Alexandria - G.Hogan, J.Alway

National Park east - A.Landry, J.Allen, N.Longworth, L.Knox, J.MacLeod

National Park - W.Cairns, A.MacPhail, K.Lowther, C.Martin, P.Hooper

Hillsborough-Cherry Valley - M.Mallett, M.Willms

East Kings - R.Curley, W.Johnston, D.Johnston, F.Campbell, M.Leonard

Dunk and Wilmot Rivers - K.Martin, C.Gaudet

Montague - J.Wright

Approximately 50 members of the public turned out for an early morning bird walk sponsored by the National Park.

The following is a list of the 107 species recorded by our observers.

Pied-billed Grebe	Chimney Swift	Tennessee Warbler
Great Cormorant	Ruby-throated	Northern Parula Warbler
