THE WHITE PLAGUE.—There were 255 deaths from the consumption in Ontario last month—the highest yet recorded in that province.

AGAINST TIGHT LACING.—Ode Mr. Laget, a member of the Prince Edward Legislature from Bear Creek, has introduced a joint resolution to appoint a commission to draft laws preventing women from tight lacing.

WAIL FROM ANNAPOLIS.—A rural subscriber ask "Do hogs pay?" We know that a good many don't. They take the rapet several years and have the post-master send it back marked, "Refused." Such a breed is usually two legged and unprofitable. —Annapolis Spectator.

STOLE THE MOLASSES.—Mr. D. G. Scott, merchant, reports a most unique case of theft. On March 4th Mr. Scott received a ninety gallon cask of molasses. Not having room in his store proper for the cask he rolled it into the shed adjoining his store in the rear. Monday he went to draw some of the molasses when what was his surprise to find it entirely empty. The thief or thieves certainly showed consideration in leaving the cask. Mr. Scott estimates his loss at about \$30.—Moncton Times.

WEDDING BELLS.—On the morning of March the 15th, a very pretty home wedding took place at the residence of Mr. Wm F. Fraser, Linwood, Lot 31, when in the presence of a select company of invited guests, his seventh daughter, Miss Ida Jane, was united in wedlock with Mr. Dingwell Jenkins, eldest son of Mr. Wm. Jenkins, of River View Farm, Cherry Valley, Lot 50. Miss Blanche Fraser, sister of the bride acted as bridesmaid, while Truman Jenkins, brother of the groom, performed the office of groomsman. The nuptial knot was securely tied by Rev. Addison F. Browne, of North River. Mrs. Browne played the wedding march. The bride wore a handsome blue gown with cream trimmings. Both bride and groom are very popular with a large circle of acquaintances; and this union, which though a loss to one community of the Island means a corresponding gain to another. After the wedding, the newly married couple and the guests in a practical way expressed their appreciation of a bountiful bridal supper. The enjoyment of the evening was brightened by the appearance of about 25 individuals, representing a variety of dark-complexioned nationalities, who gave a hearty and vigorous serenade, without being guilty of the slightest ungentlemanly action. The wedding presents were valuable and appropriate.—Com.

ESTEEMED EXCHANGES.

Mail and Empire: Mr. Mulock has scored another big deficit in the post-office. He has thrown away \$870,000 a year in revenue, an amount large enough to pay for the fast Atlantic service for which Sir Charles Tupper arranged, and which the present Government has thwarted. A fast service carrying our perishable products rapidly to the British market would put into the pockets of our producers far more money than they save by two-cent postage the chief benefit of which goes to large corporations.

THE GOVERNERSHIP.

SIR,—I noticed an article in THE EXAMINER of the 10th inst from a King's County Elector advocating the claims of John G. Scrimgeour and one John Smith, Esq., to the Lieut. Governorship of this Island. While not in any way disparaging the claims of the above-named gentlemen I wish to present the claims of D. Taylor Esq., of the district of Belfast, whose high intellectual abilities and wonderful powers of rhetoric, coupled with a zealous fidelity to his party in adversity alike as in prosperity, should have won for him a high place in the list of eligible men for that honorable position. I have reason to believe he would accept a still less remunerative salary than either Mr. Scrimgeour or Mr. West, and as age does not deter him from this office, I hope the powers that be will not overlook the matter.

BELFAST ELECTOR.

A man's health is the rope which he climbs to success. If he can keep his health, he will go on to success. Yet his health is the very thing he neglects more than anything else. It is easier to keep health than it is to regain it. When a man feels himself running down, when he realizes a loss of vitality and energy, he must call a halt. The strands of his rope are parting rapidly. Dr. Pierce's Golden Medical Discovery has helped thousands of men in just this condition, it makes health, it makes pure, rich blood, it forces out impurities and kills germs. It doesn't make any difference what name you call your trouble by—dyspepsia—kidney disease—rheumatism—consumption—skin disease, the "Golden Medical Discovery" will cure it absolutely. None of these diseases can retain hold on the body when it is full of rich, pure blood.

Send 31 one-cent stamps to cover cost of mailing only, and receive a free copy of Dr. Pierce's Medical Adviser, Address, World's Dispensary Medical Association, Buffalo, N. Y.

NEWS NOTES.

Since the arrival of the United States troops in Manila 300 new saloons have been opened. The white man will easily find his burden under such conditions.

A curious Anglo Jewish matrimonial difficulty has come before the chief rabbi of London, though arising in New Zealand. The son of a leading wealthy Jewish merchant in Auckland fell in love with the leading soprano of a company touring in the colony, and offered marriage. The lady was willing to become a Jewess, but the rabbi in Auckland had doubts about her admission. He referred the case to the chief rabbi in Wellington, and the latter held that the conversion could not be sanctioned in consequence of certain conditions imposed by Cromwell while protector of England and accepted by Jews that no Christian should ever be admitted into a Jewish community under English rule. The question has been settled by the chief rabbi of London, who says that though Jews do not seek to proselytize nor to entice men or women or to profess their faith, they do not reject them if they come of their own free will. The community has never been under the pledge supposed to have been given in Cromwell's time.

The reputation of this store rests entirely upon the proper price level of the merchandise itself, and our promise to sell you better goods for the same money, or the same goods for less money, is not demonstrated to better advantage in any part of the store than here.
